Administrative Decision

APPLICANT: Brian Bea

OWNER: Brian and Jody Bea

FILE NO.: NSA-03-40

PROJECT: Construct new covered farm equipment parking area addition (648 Sq. ft.) to an existing garage, enclose the open bay garage, and change roof and siding to match the approved house materials.

LOCATION: 20.50 acres at 262 Miller Road in Skamania County; Section 11 of Township 1N, Range 5E, W.M. and identified as Skamania County Tax Lot #01-05-11-2-0-1302-00.

LEGAL: See Attached Page 7-8.

ZONING: General Management Area zoned Small Woodland (F-3).

DECISION: Based upon the record and the Staff Report, the application by Brian Bea, described above, subject to the conditions set forth in this Decision, is found to be consistent with Title 22 SCC and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Skamania County Health Department.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Title 22. This document, outlining the conditions of approval, must be recorded by the applicant in the deed records of the Skamania County Auditor in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) As per SCC §22.06.050(C)(2), this Administrative Decision SHALL BE RECORDED by the applicant in the County deed records and submitted to the Planning Department prior to issuance of a building permit for the approved project.
- 2) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval.
- 3) Only the grading which is necessary for site development (building pads, driveway and utilities) is permitted.
- 4) Only non-reflective or materials with low reflectivity are permitted for the exterior materials of the addition, such as wood and low-gloss paints and stains.
- 5) Any exterior lighting shall be directed downward and sided, hooded and shielded such that it is not highly visible from key viewing areas. Shielding and hooding materials shall be composed of non-reflective, opaque materials, which do not allow light to pass through. See the Lighting Brochure attached to the staff report.
- 6) All disturbed areas shall be re-seeded with native vegetation mix prior to final inspection by the Planning Department.
- 7) The existing tree cover shall be retained as much as possible, except as is necessary for site development (i.e. building pads, drain field, access roads) or safety purposes.
- 8) The applicant shall use the approved color samples of Decra Woodland Green and Decra Canyon Brown that were submitted to the Planning Department for approval.
- 9) The applicant shall comply with all conditions for visual subordination, prior to final inspection by the Building Department. The applicant shall coordinate all inspections with the Building Department (509-427-9484). Planning Department staff should be able to conduct a site and excavation inspection and a final inspection site visit within four business days from the time of calling for the inspection. Final inspection will not be issued until compliance with all conditions of approval, including visual subordination criteria, has been verified.

10) The following procedures shall be effected when cultural resources are discovered during construction activities:

- a) **Halt Construction.** All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
- b) **Notification.** The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
- c) **Survey and Evaluations.** The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 21st day of August, 2003, at Stevenson, Washington.

Patrick Johnson, Associate Planner
Skamania County Planning and Community Development.

NOTES

Any new residential development, related accessory structures such as garages or workshops, and additions or alterations not included in this approved site plan, will require a new application and review.

As per SCC §22.06.050(C)(2), this Administrative Decision **SHALL BE RECORDED** by the applicant in the County deed records prior to commencement of the approved project.

As per SCC §22.06.050(C)(5), this Administrative Decision approving a proposed development action shall become void in two years if the development is not commenced within that period, or when the development action is discontinued for any reason for one continuous year or more.

APPEALS

This Administrative Decision shall be final unless reversed or modified on appeal. A written Notice of Appeal form must be filed by an interested person within 20 days from the date hereof. Appeals are to be made to the Skamania County Board of Adjustment, P.O. Box 790, Stevenson, WA 98648. Notice of Appeal forms are available at the Planning Department Office and must be accompanied by a \$500.00 nonrefundable filing fee.
