thereon have been paid in full. The entire remaining balance of both principal and accrued interest shall be paid on or before November 30, 2008. The amount of the final payment shall be the total of the principal and interest remaining unpaid plus any unpaid late charges, at the time of the final payment. The unpaid principal balance shall bear interest from the date of closing at the rate of Eight percent (8.0%) per annum. Any payments made that are in excess of the monthly installment shall be applied toward late penalties and accrued interest, if any, then to principal.

2. Purchaser agrees to pay five percent (5.0%) of any payment (for example, \$17.92 for the regular monthly payment) as reasonable liquidated damages, and not as a penalty, in the event that any regularly scheduled payment is made after the expiration of 10 days from the due date. Such amounts shall be added to the principal balance remaining unpaid.

3. All payments to be made hereunder shall be made to Riverview Community Bank, at: PO Box 10, 225 SW Second St. Stevenson, WA 98648, or at such other place as the Seller may direct in writing.

4. As referred to in this contract, "date of closing" shall be the closing of escrow. "Closing" shall be the date that the sale documents are recorded and escrow is prepared to disburse funds.

5. Purchaser may at their option pay the entire balance of the purchase price remaining due, or any part of such balance, at any time before maturity, without penalty.

6. The purchaser assumes and agrees to pay before delinquency all taxes and assessments, including but not limited to any governmental improvement assessments or charges that may as between grantor and grantee hereafter become a lien on said real estate. Upon request by seller, purchaser will show proof of said payments.

Inspection

7. This property is encumbered by Covenants, Conditions, and Restrictions (CCR's) recorded on the Property and Purchaser agrees to sign before a Notary Public a copy of the CCR's at Closing. The Property is also subject to a Road Maintenance Agreement and Purchaser agrees to abide by its terms. The Purchaser agrees that full inspection of said real estate has been made and that neither the Seller nor their assigns shall be held to any covenant respecting the condition of any improvements on said real estate nor shall the Purchaser or Seller or the assigns of either be held to any covenant or agreement for alterations, improvements or repairs unless the covenant or agreement relied on is contained herein or is in writing and attached to and made a part of this contract.

Purchaser is acquiring the Property "as is" and Seller makes no representations or warranties

except as to title as set forth herein. Without limiting the generality of the foregoing, Purchaser acknowledges that they have made their own independent investigation respecting the property and will be relying entirely thereon and on the advice of any consultant they may retain. Purchaser may not rely upon any representation of any party whether or not such party purports to act on behalf of Seller, unless the representation is expressly set forth therein or in a subsequent document executed by Seller. All representations, warranties, understandings, and agreements between Purchaser and Seller are merged herein and shall not survive closing.

Taking

8. The purchaser assumes all risk hereafter placed on said real estate or of the taking of said real estate or any part thereof for public use and agrees that any such taking shall not constitute a failure of consideration. In case any part of said real estate is taken for public use, the portion of the condemnation award remaining after payment of reasonable expenses of procuring the same shall be paid to the seller and applied as payment on the purchase price herein unless the seller agrees, in writing, to allow the purchaser to apply all or a portion of such condemnation award to the rebuilding or restoration of any improvements damaged by such taking. Seller represents and warrants that Seller has no knowledge, and has not received any notice from any government agency, of a threat of condemnation of the real estate.

Insurance

The purchaser agrees to maintain liability insurance of not less than \$300,000 per person, \$500,000 per incident and to keep any improvements and future improvements located on the property insured against loss or damage by fire, windstorm, and all other casualties covered by "all risk" or extended coverage endorsements available in the State of Washington in an amount equal to the full replacement value of the improvements, on the initial and renewal policy dates, with a company reasonably acceptable to the seller and with loss payable first to seller as their interest may appear (with seller named as additional insured), and to pay all premiums for such insurance with instructions to deliver copies of all policies and renewals thereof to the seller. All such policies shall provide that they cannot be amended or canceled without ten (10) days written notice to seller.

Title Insurance

9. The seller has delivered, or agrees to deliver within fifteen (15) days of the date of closing a purchasers/owners policy of title insurance in standard form, or a commitment therefor, issued by Skamania Title Co., insuring the purchaser to the full amount of said purchase price against loss or damage by reason of defect in seller title to said real estate as of the date of closing and containing no exceptions other than the following:

- a. Printed general exceptions appearing in said policy form;

- b. Liens or encumbrances which by the terms of this contract the purchaser is to assume, or as to which the conveyance hereunder is to be made subject, including, without limitation, the Covenants, Conditions and Restrictions and the Road Maintenance Agreement referred to above.

Deed

10. The seller agrees, upon receiving full payment of the purchase price and interest in the manner above specified, to execute and deliver to purchaser a statutory warranty fulfillment deed to said real estate, excepting any part thereof hereafter taken for public use, free of encumbrances except any that may attach after date of closing through any person other than the seller and subject to the exceptions noted in Paragraph 10 hereof.

Seller Covenants

11. The seller has signed and is holding a Warranty Deed in Fulfillment of this real estate contract and agrees that upon full payment of the purchase price and interest in the manner herein before specified that said deed can be delivered to the purchaser; that said Warranty Deed excepts any part of the property which may hereafter be condemned and is free and clear of all encumbrances, except those the Purchaser has agreed to assume and any that may accrue hereafter through any person, or persons, other than the seller.

Possession

12. Purchaser shall be entitled to possession of said real estate fourteen days after closing and shall retain possession so long as purchaser is not in default hereunder. The purchaser agrees to keep any improvements on said real estate in good repair, to abide by the provisions of the Covenants, Conditions and Restrictions and Road Maintenance Agreement, not to permit waste and not to use, or permit the use of, the real estate for any illegal purpose. The purchaser agrees to pay all service, installation or construction charges for water, sewer, electricity, garbage or other utility services furnished to said real estate after the date purchaser is entitled to possession.

Use of Premises

13. Purchaser agrees not to permit any unlawful, offensive or improper use of the premises or any part thereof and to abide by the terms of the Covenants, Conditions and Restrictions.

Assignment

14. The rights hereby granted are personal to the purchaser and seller's reliance upon purchaser's ability and integrity is a part of the consideration for this contract. Neither this contract nor any interest therein, nor the possession of the property, may be assigned or transferred by

purchaser, nor shall purchaser make or enter into any contract for the sale of the property or any interest therein, nor shall purchaser in any way encumber the property or allow any liens to attach to the property without the prior written consent of seller.

Default

15. In case the purchaser fails to make any payment herein provided, the seller may make such payment (but shall have no obligation to do so), and any amounts so paid by Seller, together with interest at the rate of 12% per annum thereon from date of payment until repaid, shall be repayable by purchaser on demand, all without prejudice to any other right the seller might have by reason of such default.

Time and the covenants of purchaser are of the essence of this contract. In the event payment is not made within ten (10) days of the due date it shall constitute a default hereunder. It is agreed that in case the purchaser shall fail make payment after the ten-day grace period or to comply with or perform any condition or agreement hereof (other than payment) required hereunder within twenty days of Seller's written notice to Purchaser setting forth the nature of the default in the manner herein required, the seller may at his option exercise any of the following alternative remedies:

a. Suit for Delinquencies. Seller may institute suit for any installments or other sums then due and payable under this agreement together with any sums advanced by seller for and the amount of any delinquencies for items such as water assessments, taxes, insurance, payments and underlying obligations and lienable items, together with interest thereon at the rate of 12% per annum from the date each such payment was advanced or due, as the case may be.

b. Forfeiture and Repossession. The seller may cancel and render void all rights, title and interests of the purchaser and their successors in this contract and in the property (including all of purchaser's then existing rights, interests and estates therein and improvements thereon) by giving a Notice of Intent to Forfeit pursuant to RCW 61.30.040-070, and said cancellation and forfeiture shall become effective if the default therein specified has not been fully cured within ninety (90) days thereafter and the seller records a Declaration of Forfeiture pursuant to RCW 61.30.040-070. Upon the forfeiture of this contract, the seller may retain all payments made hereunder by the purchaser and may take possession of the property ten (10) days following the date this contract is forfeited and summarily eject the purchaser and any person or persons having possession of the said property by, through or under the purchaser who were properly given the Notice of Intent to Forfeit and the Declaration of Forfeiture. In the event the purchaser or any person or persons claiming by, through or under the seller who were properly given the Notice of Intent to Forfeit and the Declaration of Forfeiture remain in possession of the property more than ten (10) days after such forfeiture, the purchaser, or such person or persons, shall be deemed tenants at will of the seller and the seller shall be entitled to institute an action for summary possession of the property, and may recover from the purchaser or such person or

persons in any such proceeding the fair rental value of the property for the use thereof from and after the date of forfeiture, plus costs, including the seller's reasonable attorneys' fees.

c. Specific Performance. Seller may institute suit to specifically enforce any of the purchaser's covenants hereunder.

d. Property Rental. In the event this contract is forfeited as herein provided, or in any other manner permitted by law, or by mutual agreement of the seller and purchaser, and the purchaser shall thereafter remain in possession of the property beyond any period otherwise permitted by law, the purchaser agrees to occupy the property as a tenant at will, and the purchaser shall be obligated to pay, and hereby promise to pay, during the period of such tenancy at will, a fair market rental in the amount then agreed to by the parties or, in the absence of such agreement or until such agreement is reached, an amount equal to one and one-half (1½) times the installment amount as and when provided for in the specific terms hereof, and the seller shall have, in addition to all other remedies for the collection of rentals and the recovery of possession that are available to landlords under the laws of the State of Washington, the right to institute an action for summary possession of the property as provided by law.

e. Non-Waiver. The waiver of seller to elect to pursue any of the above remedies at any time upon a breach of any of the terms of this contract by the purchaser shall be deemed only an indulgence by the seller with regard to that particular breach and shall not be construed, in any manner whatsoever, to be a waiver of any right of seller to pursue any of the above remedies for the same or a different breach at a subsequent time; election of the seller to utilize any particular remedy to enforce a breach of this contract shall not preclude seller from electing to use an alternate remedy to enforce a subsequent breach. The remedies stated herein are cumulative and not mutually exclusive. Any delay or failure of seller to take action upon default shall not be construed as a waiver of said default. If seller is required to institute legal action to enforce any of the remedies indicated, purchaser shall be liable to pay seller's costs and reasonable attorneys' fees incurred in such proceeding and any appeal thereof.

Notice

16. No notice shall be required for default of any payment required under this Contract, but as to any other default Seller shall provide purchaser thirty (30) days written notice and opportunity to cure specifying the nature of the default. Any notice, declaration, demand, consent or communication to be given by any party to this contract to any other party shall be in writing and transmitted to the other party by either personally delivering the notice or by certified or registered mail, return receipt requested, addressed as follows:

To Seller:

Either party may change its address by giving written notice to the other party in the manner provided above, provided that in no event shall seller be required to send any notice to more than two (2) addresses. The mailing and registering or certifying of any such notice as herein provided shall be sufficient service thereof. Service shall be complete two (2) days after such notice is registered or certified and placed in the United States mail as shown by the cancellation stamp or postage meter stamp, as the case may be.

Costs and Attorneys' Fees

17. If either party shall be in default under this contract, the nondefaulting party shall have the right, at the defaulting party's expense, to retain an attorney to make any demand, enforce any remedy, or otherwise protect or enforce its rights under this contract. The defaulting party hereby promises to pay all costs and expenses so incurred by the nondefaulting party, including, without limitation, court costs, notice expenses, title search expenses, and reasonable attorneys' fees (with or without arbitration or litigation). In the event either party hereto institutes any action to enforce the provisions of this contract, the prevailing party in such action shall be entitled to reimbursement by the losing party for its court costs and reasonable attorneys' fees, including such costs and fees as are incurred on appeal. All reimbursements required by this paragraph shall be due and payable on demand, may be offset against any sum owed to the party so liable in order of maturity, and shall bear interest at the default rate from the date of demand to and including the date of collection or the due date of any sum against which the same is offset.

Succession

18. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns (if permitted) and legal representatives.

Governing Law

19. This Agreement shall be construed and enforced in accordance with the laws of the State of Washington.

Use of Pronouns

No other agreement, statement or promise made by any party or to any employee or agent of any party shall be binding unless made in writing and signed by both parties to this Agreement.

Seller's Consent

22. Whenever in this Contract Seller's consent is required, unless otherwise specifically stated herein, such consent shall not be unreasonable withheld or delayed.

23. Kenneth B. Woodrich PC, Attorney at Law, of Woodrich & Archer LLP, represents only Seller's interests in this transaction. Purchasers are advised to consult an attorney to represent their interests in this transaction.

IN WITNESS WHEREOF, the parties hereto have executed this instrument as of the date first written above.
