### Administrative Decision

**APPLICANT/OWNER:** Kevin and Sandy Moore

**FILE NO.:** NSA-04-10

**PROJECT:** Construct an addition (22' X 24' X 27H') to an existing garage and associated utilities.

**LOCATION:** 52 Cooper Ave. Spur, in Underwood; Section 22 of T3N, R10E, W.M. and identified as Skamania County Tax Lot #03-10-22-1-1-0184-00.

**LEGAL DESCRIPTION:** Lot 6 Elva Sooter Subdivision recorded as Auditor's file Number 118575.

**ZONING:** General Management Area -Residential (R-5).

**DECISION:** Based upon the entire record, including particularly the Staff Report, the application by Kevin and Sandy Moore, described above, subject to the conditions set forth in this Decision, is found to be consistent with Title 22 SCC and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Skamania County Health Department.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

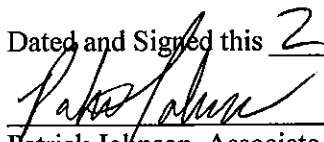

### CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Title 22. **This document, outlining the conditions of approval, must be recorded, by the applicant, in the deed records of the Skamania County Auditor** in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) As per SCC §22.06.050(C)(2), this Administrative Decision **SHALL BE RECORDED** by the applicant in the County deed records prior to commencement of the approved project. A copy of the first page of the recorded Administrative Decision must be submitted to the Planning Department prior to issuance of a building permit.
- 2) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval. (See attached)
- 3) The accessory building nor addition shall not contain a kitchen unit or be rented out or occupied as a separate dwelling. The Planning Department shall verify that no kitchen facilities exist prior to approval of final inspection.
- 4) Only that grading which is necessary for site development (building pad and associated utilities) is permitted.
- 5) The exteriors of the proposed development shall be composed of non-reflective material or materials with low reflectivity.
- 6) The proposed addition is approved as dark brown siding and trim, and a black composite roof. If the applicant chooses alternate colors, then prior the issuance of a Building Permit, the applicant shall submit dark and either natural or earth-tone color samples for the deck and addition to the Planning Department for approval.
- 7) Exterior lighting shall be directed downward and sited, hooded and shielded such that it is not highly visible from key viewing areas. Shielding and hooding materials shall be composed of non-reflective, opaque materials. Opaque means that it does not allow light to pass through the shield or hood. All lights should be hooded and shielded so as to have a luminary with less than a 90-degree cutoff.
- 8) The applicant shall meet all conditions to achieve visual subordination prior to final inspection by the Planning Department. The applicant should coordinate all inspections with the Building Department. Final inspection will not be complete until compliance with all conditions, including the visual subordination criteria, has been verified.
- 9) The Planning Department will conduct at least two site visits during construction. One will be to verify the location of the structures as stated by the Administrative Decision. Another will be conducted after all foundation excavation has been completed but prior to the applicant framing up the footers. Each inspection may take up to four business days from the time of calling for the inspection. Inspections should be arranged by calling the Building Department at 509-427-9484.

- 10) The following procedures shall be effected when cultural resources are discovered during construction activities:
- a) Halt Construction. All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
  - b) Notification. The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
  - c) Survey and Evaluations. The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 2 day of April, 2004, at Stevenson, Washington.

  
Patrick Johnson, Associate Planner  
Skamania County Planning and Community Development.

#### NOTES

Any new residential development, related accessory structures such as garages or workshops, and additions or alterations not included in this approved site plan, will require a new application and review.

As per SCC §22.06.050(C)(5), this Decision approving a proposed development action shall become void in two years if the development is not commenced within that period, or when the development action is discontinued for any reason for one continuous year or more.

#### APPEALS

The Director reserves the right to provide additional comment and findings of fact regarding this decision, if appealed.

This Decision shall be final unless reversed or modified on appeal. A written Notice of Appeal may be filed by an interested person within 20 days from the date hereof. Appeal may be made to the Skamania County Board of Adjustment, P.O. Box 790, Stevenson, WA 98648. Notice of Appeal forms are available at the Department Office.
