B. WHEREAS, Grantees are the members of SPIRIT LAKE RELOCATION ASSOCIATION, a Washington nonprofit corporation (hereinafter collectively "GRANTEES") and are the owners of that certain real property described on Exhibit "C" attached and incorporated by this reference; and

C. WHEREAS, GRANTEES have used an existing road on the GRANTORS' Property commonly known as the "3030 Road" for ingress and egress since the Forest Service Road 9015 was destroyed by flood. A legal description and depiction of the 3030 Road is attached hereto as Exhibit "B"; and,

CASE 11-29-2004
GTH

D. WHEREAS, it is the intent of the Parties to provide GRANTEES with perpetual ingress and egress in exchange for consideration and a maintenance obligation from the GRANTEES; and

E. WHEREAS, these recitals are intended to be and are hereby incorporated into this Easement.

NOW, THEREFORE, for and in consideration of the above Recitals, the GRANTORS and GRANTEES hereby agree as follows:

1. THE GRANTORS, for and in consideration of valuable consideration, as set out in part below, do hereby convey a perpetual easement for ingress, egress and utilities, over, under, upon and across the GRANTORS' Property situated in Skamania County, Washington, particularly described in Exhibit "A" appurtenant to the real property of GRANTEES and their heirs, successors and assigns as set forth in Exhibit "C."

2. Consideration: GRANTEES have paid to GRANTORS the sum of FOUR THOUSAND THREE HUNDRED AND NO/100 DOLLARS (\$4,300.000) as consideration for this grant of easement rights.

3. Easement Location: The Parties agree and understand that the 3030 Road is currently being used by GRANTEES for access to the Marble Mountain and Four Peaks subdivisions. The legal description and approximate location of the 3030 road is depicted in Exhibit "B." GRANTEES acknowledge that GRANTORS are contemplating selling the GRANTORS' Property to a real estate developer for future residential development. GRANTEES shall be entitled to use the 3030 Road unless and until said real estate developer constructs a new road that provides the same access to GRANTEES as provided herein, and grants to GRANTEES permanent replacement easements reasonably acceptable to GRANTEES.

4. Maintenance of the Easement: All maintenance costs provided for herein shall be prorated on a per lot basis for each party. GRANTEES shall maintain the 3030 Road in substantially the same condition that it now exists at no cost to GRANTORS. In the event that the GRANTORS' Property is sold to a future real estate developer who constructs a new road, the GRANTEES shall be obligated to repair any damage caused to the future roadway as a result of their use. This provision shall not be construed to obligate GRANTEES to pay more than their fair share of the maintenance and repair of such a future roadway. In the event that the property is developed, the GRANTEES agree to work with the future owners to establish an equitable maintenance schedule.

5. The terms and conditions of this easement shall be binding upon the heirs and assigns of the GRANTORS and of GRANTEES.

6. Assumption of Risk. GRANTORS make no warranty or representation as to the condition, safety, or suitability of the easement. GRANTEES, on behalf of themselves and

their agents, contractors, employees, guests, invitees, members, and subcontractors, expressly assumes all risks relating to use of the easement.

7. Indemnification of GRANTORS. GRANTEES agree to defend, indemnify, and hold GRANTOR harmless from and against any and all loss, damage, claims, penalties, liability, suits, costs and expenses (including, without limitation, reasonable attorneys' fees) suffered or incurred by GRANTOR arising out of or related to the maintenance, repair, replacement, or use of the easement by GRANTEES, their agents, contractors, employees, guests, invitees, members, and subcontractors.
