To whom it may concern,

I'm having Operation Clean Up Skamania County Sheriff Office Protest this SATURDAY FEB.21, 2004 2:00PM @STEVENSON COURTHOUSE LAWN I was on the couch on prescription's because I have bones spurs in my neck. My daughter was 18 at the time and she wouldn't mind me so I called (509)-427-9490 to have them to send an officer to tell my daughter to listen to me because she lives in my house. They took our rights as parents to make our kids mind. They did send two officers but when they came they seen her in the driveway. They Talked to her first then came knocking on our front door. I thought they were here to help so I said come on in. What a mistake, they came in and told me I was under arrest, I agreed to go with them after I had two more puffs off my cigarette. The officer grabbed my cigarette and burnt himself with my cherry. Because he did, he has the right to throw me around in my house and cuff me behind my back, when I couldn't even put my arm back there at the time. I agreed to play there game but was not a very happy camper about it. I went to jail then release to 911, ambulance took me to the hospital where I was release in Hood River Oregon, I called for a ride home. I filled out a statement about this to Skamania County sheriff office some how it got lost. I recently talked to Dave brown about the problem; He said he turned it over to Pat Bonds. He said he would check it out but he couldn't do anything about it. I want the assault 4 off my records because I don't think they were very fair to me about this. We went to court and I had to pay \$325.00 attorney fees and then Karen W. put a warrant for my arrest on my birthday. I went to jail, they made me give them my fingerprints before I could leave and of course \$100.00 more for the warrant that I received the day after I got out of jail in the mail. I just want my rights back and my name clear at this time. The more people I talk to the more I think this needs to be took care of somehow. Therefore, I hope us Americas that work our bones to the ground to try to make this world a better place to live for our family and friends. I'm not a bad person and don't want that on my record for life like Karen W. said it would be. I thought after court that it would be removed after one year of no trouble; it took almost two years to finally dismiss it. The morel of this story is I want truth and justice to be served. I know they have a job just like me but I give my job it all, Truth and Honesty! I have other issues with the Skam. Co. Sheriff Office but I will deal with that at a LATER DATE. I fill that they need to be helping people, serve and protect like the law reads. Us Americans need our rights back. This is just my opinion but I hope we can all work together to be one safe place to live and bring TRUTH AND HONESTY BACK INTO SKAMANIA COUNTY.

THANKS FOR LISTEN,
WINNIE ALWAYS
