Tax Parcel No. 03-07-36-4-4-2100-00

TRAVERSE STATEMENT: A closed field traverse for the parcel shown was made with a Sokkia Set-3100 total station and related measuring equipment, all of which met State standards of WAC 332-130 at the time of this survey. Acceptable raw angular and distance closures in excess of 1:10000 required no adjustments. Physical appurtenances which may be in conflict with existing conditions or items of record are noted or depicted. The intent of this project was to determine the boundaries of the parcel.

SURVEY NARRATIVE: Field work conducted May 26 - October 24, 2004. The description for this parcel reads in a counterclockwise direction, but has only two distance calls: that of 143.29 feet measured Southwesterly from Kanaka Creek; and a call "along the old Kanaka Creek road (abandoned) to a point lying N 34°30' W, 105 feet from the point of beginning". From the remains of the original roadbed, it appears that most calls of "to" or "along" the road were referring to a point near the top of the cut bank. Deed reference 0/424 depicts this situation well, due to the nearby road remnant.
