It is the intent and purpose of this Declaration to assure quality of workmanship and materials and the harmony of exterior design with the existing improvements and landscaping. The ARC is not responsible for determining compliance with structural and building codes, solar ordinances, zoning codes or other governmental regulations nor shall the ARC's review analyze structural, geophysical, engineering or other similar factors. Such compliance and analysis are the responsibilities of the Owners. In all cases in which the ARC's consent is required by this Declaration, the provisions of this Article 7 shall apply.

7.1 Appointment and Removal. The ARC shall consist of up to (3) members initially appointed by the Declarant. Declarant reserves the right to appoint and remove all members of the ARC for any reason until the Turnover Date. After the Turnover Date, the Board shall have the right to appoint and remove members of the ARC. The term of office for each member of the ARC shall be staggered and shall be one (1) year unless lengthened by the Board at the time of appointment or unless the Board serves as the ARC, in which event the terms shall be the same as their terms as Board members. The Board may appoint one (1) or more ARC members who are not Owners but who have special expertise regarding the matters which come before the ARC. In the sole discretion of the Board, such non-Owner members of the ARC may be paid compensation for their services as an ARC member.

7.2 Majority Action. Except as otherwise provided in this Declaration, a majority of the members of the ARC shall have the power to act on behalf of the ARC without the necessity of a meeting and without the necessity of consulting the remaining members of the ARC. The ARC may render its decision only by written instrument setting forth the action taken by the members consenting thereto.

7.3 Rules and Regulations. The ARC, from time to time and in its sole discretion, may adopt architectural rules, regulations and guidelines ("Architectural Standards"). The Architectural Standards shall interpret and implement the provisions of this Declaration with respect to the duties of the ARC; provided, however, that the Architectural Standards shall not be in derogation of the minimum standards established by this Declaration.

7.4 Procedure for Submittals and Approval. When an Owner wishes to begin construction or alteration of any improvement, including landscaping, Owner shall submit a proposal to the ARC on a form provided by the ARC which will provide it with the necessary information for review of the proposal. Such application shall include, in addition to two copies of building floor plans and

elevations, specifications of certain materials to be used, precautions to be taken during the building process and a complete site plan. The ARC shall have the power to require a string layout and an indication of the date of final completion. The string layout shall outline the exterior perimeter of the house and shall locate the entry, driveway, parking provision and carport or garage. Plans must be drawn to scale and consist of: exterior elevation (minimum scale of $\frac{1}{4}'' = 1'0''$ for main elevations and $\frac{1}{8}'' = 1'0''$ for other elevations); a site plan including property lines, easements, structures, driveways, accessory structures, trees to be removed, mechanical equipment, trash receptacles, fences, proposed grading, other improvements proposed on the Lot (minimum scale of $1'' = 10'$); floor plans indicating square footage of each floor and total square footage of structure (minimum scale of $\frac{1}{4}'' = 1'0''$); and landscape plans (minimum scale of $1'' = 20'$) for Front Yard and for side yard on corner lots.

7.5 ARC Decision. The ARC shall render its decision within ten (10) days after it has received all materials required by it with respect to the application. All decisions shall be in writing. In the event that the ARC fails to render its decision within such time, the application shall be deemed approved.

7.6 ARC Discretion. The ARC may, in its sole discretion, deny an application if the ARC finds the proposed work would be inappropriate for the particular Lot or incompatible with the design standards that the ARC determines are appropriate for the Subdivision. Siting, shape, size, color, design, height, solar access, effect on the enjoyment of other Lots or the Common Area, effect on an easement and any other factors which the ARC reasonably believes to be relevant may be taken into consideration by the ARC in making its decision.

7.7 Nonwaiver. Consent by the ARC to any matter proposed to it or within its jurisdiction shall not be deemed to constitute precedent or waiver impairing its right to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

7.8 Appeal. At any time after Turnover Date, any Owner adversely affected by action of the ARC may appeal such action to the Board. Appeals shall be made in writing within ten (10) days of the ARC's action and shall contain specific objections or mitigating circumstances justifying the appeal. If the Board is acting as the ARC, the appeal shall be treated as a request for a rehearing, but in such case the Board must actually meet and receive evidence and argument. A final decision shall be made by the Board within fifteen (15) days after receipt of such notification. The determination of the Board shall be final.

7.9 Effective Period of Approval. The ARC's approval of any proposed work shall automatically be revoked six (6) months after issuance unless construction of the work has been commenced or the Owner has applied for and has received an extension of time from the ARC. Once commenced, all work shall be completed in six (6) months.

7.10 Determination of Compliance. From time to time, the ARC shall inspect all work performed and shall determine whether it is in substantial compliance with the approval granted. If the ARC finds that the work was not performed in substantial conformance with the approval granted, or if the ARC finds that the approval required was not obtained, the ARC shall notify the Owner in

writing of the noncompliance. The notice shall specify the particulars of noncompliance and shall require the Owner to remedy the noncompliance within a reasonable time.

7.11 Noncompliance. If the ARC determines that an Owner has not constructed an improvement consistent with the specifications of an approval granted or without obtaining advance approval, and if the Owner fails to diligently commence to remedy such noncompliance in accordance with the provisions of the notification, the ARC shall provide notice to such Owner of a hearing at which such Owner's continuing noncompliance shall be considered. The hearing shall be held not more than thirty (30) days after notice. If the Board determines that no valid reason exists for the continuing noncompliance, the ARC shall then require the Owner to remedy or remove the same within ten (10) days after the date of the ARC's determination. If the Owner does not comply with the ARC's ruling within such period or any extension thereof, the ARC may remove the noncomplying improvement, remedy the noncompliance, or file suit to compel compliance. The costs of such action, including all attorneys' fees and other costs incurred to enforce compliance, whether incurred before or after suit is filed, at trial or on any appeal or review therefrom, shall be assessed against the Owner and shall become a lien against his Lot.

7.12 Liability. Neither the ARC nor any member thereof shall be liable to any Owner, Occupant, builder or Declarant for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the ARC or a member thereof, provided that the ARC or member has, in accordance with its or his actual knowledge, acted in good faith.

7.13 Estoppel Certificate. Within thirty (30) working days after written request is delivered to the ARC by an Owner, and upon payment to the ARC of a reasonable fee fixed by the ARC the ARC shall provide such Owner with a certificate executed by the chairman of the ARC and acknowledged, certifying that as of the date thereof either: (a) all improvements made or done upon or within such Lot by the Owner comply with this Declaration and any Rules and Regulations promulgated by the Board or the ARC or (b) such improvements do not so comply, in which event, the certificate shall also identify the non-complying improvement and set forth with particularity the nature of such non-compliance. The Owner, his heirs, devisees, successors and assigns shall be entitled to rely on the certificate with respect to the matters set forth therein. The certificate shall be conclusive as among Declarant, the ARC, the Association and all Owners and such persons deriving any interest through any of them.

7.14 Approval of Contractors and Insurance. Contractors providing services in connection with the development or improvement of any Lot or Common Area must be approved by the ARC and shall be subject to the following requirements: General Contractors and subcontractors shall be licensed as required by local governmental ordinances and regulations. General contractors shall warrant all materials and workmanship to be of good quality and to remain in good condition for a period of one (1) year. A general contractor shall furnish to the Association evidence of public liability insurance in amounts reasonably acceptable to the ARC. The ARC may require the contractor to post a bond to assure that the interests of the Association are protected and the requirements of the Declaration are followed. The ARC may place limitations on the hours and days on which construction activity can take place and on the noise or decibel level at construction sites in addition to those set out in this Declaration.

7.15 Other Applicable Law. All improvements must be constructed in full compliance with all applicable governmental building codes.

ARTICLE 8 HOMEOWNERS' ASSOCIATION

8.1 Establishment of the Homeowners Association. Following recording of the Subdivision plat and this Declaration and prior to the date on which the first Lot is conveyed, Declarant shall establish an Association of all of the Owners which shall have the powers and obligations set forth in this Declaration for the benefit of the Property. Such Association shall be known as the "Angel Heights Homeowners' Association" or a name similar thereto ("the Association"). Declarant shall organize the Association as a nonprofit corporation in accordance with Title 24, Revised Code of Washington and shall adopt the initial Bylaws thereof.

8.2 Members. Each Owner, by virtue of ownership of a Lot, shall be a Member of the Association. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of any Lot. Transfer of ownership of a Lot automatically transfers membership in the Association. Without any other act or acknowledgment, Occupants and Owners shall be governed and controlled by this Declaration, the Articles, Bylaws, and Rules and Regulations and any amendments thereof.

8.3 Voting Rights.

8.3.1 The Association shall have two classes of voting membership:

Class A members shall be all Owners with the exception of Declarant, including Owners of a Lot within property annexed pursuant to Article 2 herein and shall be entitled to one (1) vote for each Lot owned with respect to all matters upon which Owners are entitled to vote. When more than one person holds an interest in any Lot, all such persons shall be members entitled to one aggregate vote for each Lot owned.

Class B. The Class B member shall be the Declarant which shall be entitled to three (3) votes for each Lot not yet conveyed in all matters requiring vote of the Membership. After Turnover Date, the Class B membership shall cease and be converted to Class A and such entitlement shall revert to one vote per Lot owned.

8.3.2 The voting rights of any Owner may be suspended as provided for in this Declaration, the Articles of Bylaws by the Association for (i) any period of time during which any assessment or other charge due hereunder remains unpaid.

8.4 Control of the Association

8.4.1 Interim Board and Officers. Declarant hereby reserves administrative control of the Association, including, without limitation, the right and power, in its sole discretion, to appoint and remove members of an interim Board of Directors (the "Interim Board"), which shall manage the affairs of the Association and which shall be invested with all powers and rights of the Board. The Interim Board shall consist of from one (1) to three (3) members.

8.4.2 Transitional Advisory Committee. Notwithstanding the provision of Section 8.4.1, Declarant may select a transitional advisory committee to assist with the transition to Owners in accordance with Washington law. Declarant shall retain the right however to terminate the Transitional Advisory Committee at any time prior to Turnover Date.

8.4.3 Title to Common Areas. On or before the Turnover Date, Declarant shall convey to the Association fee simple title to any Common Areas

8.4.4 Turnover Meeting. On the Turnover Date, Declarant shall call a meeting for the purpose of turning over administrative control of the Association to the Owners in accordance with the Bylaws and the Revised Code of Washington.

8.5 Assessments. Assessments of the ASSOCIATION shall be of three types: (1) "General Assessments", which shall be for the operation of the ASSOCIATION, including required insurance, and the maintenance of the Common Areas and detention pond (2) "Reserve Assessments", which shall be for funding of the Reserve Account and (3) "Individual Assessments", which shall be against an individual Owner for damage or extraordinary wear and tear to private street or pedestrian ways or any Common Area or easement owned or maintained by the ASSOCIATION, or for any costs or expenses, including reasonable attorney fees, incurred by the ASSOCIATION due to the enforcement of any covenant, condition, or restriction herein against any one Lot or Owner. Assessments shall be established as follows:

a. The initial annual assessment for calendar year 2006 is \$360 per Lot. The initial annual assessment shall commence for each Lot on the first day of the month following the date of closing of the conveyance of the Lot from Declarant to an Owner other than Declarant, with the amount due prorated based on the number of months remaining in the 2006 calendar year.

b. Declarant shall not at any time be subject to assessment for common expenses on Lots owned by Declarant, except for the accrual of reserves for any reserve account. In the sole and unfettered discretion of Declarant, Declarant may defer payment of reserves for a Lot, if any Reserve Assessment has been imposed, until the date the Lot is conveyed to a third party other than a successor Declarant; however, Declarant may not defer payment of accrued reserves beyond the Turnover Date. If Declarant has not imposed the initial annual assessment of the General and Reserve Assessments prior to the Turnover Date, then the imposition of such assessments by the Board shall be established at a meeting of the Board following the Turnover Date.

c. The meeting to impose the annual assessment for 2007 and each annual meeting thereafter to impose each subsequent year's General and Reserve Assessments shall be held after not less than 60 days notice to all Owners of the date, time, and place of such meeting, the Board shall meet and establish the amount of the General and Reserve Assessments and shall apportion and collect the same as follows:

i. General and Reserve Assessments shall be equally apportioned and assessed against the Owners of each and every one of the Lots without regard to location, area, frontage, or improvements.

ii. General Assessments shall be in an amount sufficient to operate the Association for the following fiscal year and to pay for the maintenance of the Common Areas, as set forth herein, including the costs of required landscaping and irrigation in accordance with applicable laws and regulations and this Declaration.

iii. As to Reserve Assessments, the Board shall annually conduct a reserve study, or review and update an existing study, of the Common Area and Association maintained property, to determine the reserve account requirements. A reserve account shall be established for those such items all or part of which will normally require replacement in more than three (3) and less than thirty (30) years, and for the maintenance, repair, or replacement of other items as may be required under the Declaration or Bylaws or that the Board of Directors, in its discretion, may deem

appropriate. The reserve account need not include items that could reasonably be funded from the General Assessments. The reserve study shall include: (a) identification of all items for which reserves are required to be established; (b) the estimated remaining useful life of each item as of the date of the reserve study; (c) the estimated cost of maintenance, repair or replacement of each item at the end of its useful life; and (d) a 30 year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on reserves, to meet the maintenance, repair and replacement schedule.

iv. Within 30 days after establishment of the annual amounts of the assessments, and effective as of the first day of the following calendar year, the Board shall deliver to the individual Owners a statement of the assessment(s), showing the amount(s) of the General and Reserve Assessments. Such amount(s) shall be due and owing 60 days after the date of delivery of the statement to each Owner.

v. If additional Lots are annexed to or withdrawn from the Property, then commencing on the effective date of such annexation or withdrawal ("Change Date") and continuing thereafter, all General and Reserve Assessments shall be allocated based on the number of Lots, including the annexed Lots but excluding any withdrawn Lots then existing and subject to the terms of this Declaration, and all Lots shall be assessed a pro rata share of all common expenses represented by the General and Reserve Assessments commencing with any Change Date. If prior to any Change Date, General or Reserve Assessments have been paid for such common expenses which are, in Declarant's reasonable judgment, properly chargeable to the period prior to a Change Date but for which benefits will accrue to Owners after that Change Date, then each Owner of any annexed Lot shall pay its pro rata share to the Association for such amounts within 30 days after receipt of written demand therefor, which demand shall be accompanied by reasonable supporting documentation. Adjustments to General and Reserve Assessments paid by all other Owners of Lots prior to that Change Date shall be adjusted for the next calendar year for which billings of common expenses are rendered by the Association. In no event shall any refund be made to any Owner of a withdrawn Lot.

d. As to Individual Assessments, the Association may impose an Individual Assessment against any Owner and such Owner's Lot:

i. To remedy any damage caused by an Owner, or the Owner's family members or invitees, to mailboxes, streets, curbs, or Common Property as further described in this Declaration, which Individual Assessments may be imposed without notice and opportunity for a hearing;

ii. To reimburse the Association for any costs incurred in bringing an Owner or an Owner's Lot into compliance with the provision of this Declaration, the Bylaws, or any rules or regulations of the Association (other than compliance overseen by the ARC, which is described in Article 7), and to collect any fine issued by the Board of the Association for such violation of this Declaration, the Bylaws or any rules and regulations of the Association; or

iii. To pay any costs of achieving compliance with the requirements of the ARC and as a fine for an Owner's failure to comply with the requirements of the ARC, as described in Article 7.

Other than those Individual Assessments issued by the ARC for noncompliance (for which the notice and hearing requirements are described in Article 7) or by the Board for damage to mailboxes, streets, curbs or Common Property (for which no notice or hearing is required), the Board shall give the Owner(s) not less than 30 days notice of the Board meeting at which the actions which might necessitate such an assessment are to be reviewed. The potentially affected Owner(s) shall have the right to address the Board as to such actions and the amount of the proposed assessment. The Board may determine whether an assessment should be imposed and the amount of the proposed assessment whether the potentially affected Owner(s) attend the hearing or not. If the Board determines, by majority vote of the members of the Board present at the meeting, that an Individual Assessment should be imposed, it may impose the Individual Assessment in an amount that the Board determines in its reasonable discretion; provided, however, that any fine imposed as part of the Individual Assessment shall be based on the schedule for such fines that has

been adopted by the Board as described in the Bylaws.

Individual Assessments shall be due and owing upon the Board or Committee, as appropriate, delivering notice to the affected Owner stating the amount of the Individual Assessment imposed against the Owner and the Owner's Lot.

e. Any assessment not paid when due as set forth above shall (i) bear interest from the due date at the rate of 12% per annum; (ii) be subject to reasonable late charges imposed by the Association against all like unpaid assessments by a resolution of the Board to compensate for the administrative and processing costs of late payments, and (iii) be collectible as a lien under the provisions of the Revised Code of Washington and any subsequent amendments thereof, and foreclosable by judicial or nonjudicial procedures. The lien includes interest, late charges, attorney fees, costs and other amounts imposed under this Declaration or the Bylaws. Such lien shall accumulate all future assessments, interest, late fees, fines, attorney fees and administrative costs properly chargeable to the Owner by the Association, until such amounts are fully paid.

f. No Owner may waive or otherwise escape liability for any assessment by non-use of the Common Area or abandonment of the Owner's Lot. All assessments imposed against an Owner's Lot shall be joint and several personal obligations against all Owners of the Lot assessed.

8.6. Reserve Accounts: Assessments paid into the Reserve Account are the property of the Association and are not refundable to sellers of Lots or Owners. Sellers of Lots or Owners may treat their outstanding share of the Reserve Account's balance as a separate item in the sales contract providing for the conveyance of their Lot. Investment of and loans from the Reserve Account shall be governed by the Board, the Bylaws and any Rules and Regulations established therefor.

8.7 Attorney-in-fact. Each Owner, by acceptance of a deed or other conveyance to a Lot, shall irrevocably appoint the Association as his or her attorney-in-fact, with full power of substitution, to take such action as reasonably necessary to promptly perform the duties of the Association and Board hereunder, including but not limited to the duties to maintain, repair and improve the Property, to deal with the Property upon damage or destruction, and to secure insurance proceeds.

ARTICLE 9 GENERAL PROVISIONS

9.1 Records. The Board shall preserve and maintain minutes of the meetings of the Association, the Board and any Board committees. The Board also shall keep detailed and accurate financial records, including individual assessment accounts of Owners, the balance sheet, and income and expense statements. Individual assessment accounts shall designate the name and address of the Owner or Owners of the Lot, the amount of each assessment as it becomes due, the amount paid upon the account, and the balance due on the assessments. The minutes of the Association, the Board and Board committees and the Association's financial records shall be reasonably available for review and copying by the Owners. A reasonable charge may be imposed by the Association for providing copies.

9.2 Indemnification of Directors, Officers, Employees and Agents. The Association shall indemnify any director, officer, employee or agent who was or who is a party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by the Association), by reason of the fact that he is or was a director, officer, employee or agent of the Association or is or was serving at the request of the Association as a director, officer, employee or agent of another

corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by said person in connection with such suit, action or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or with a plea of nolo contendere or its equivalent shall not of itself create a presumption that a person did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, that a person did not have reasonable cause to believe that his conduct was unlawful. Payment under this clause may be made during the pendency of such claim, action, suit or proceeding as and when incurred, subject only to the right of the Association to recover such payments should it be proven at a later time that said person had no right to such payments. All persons who are ultimately held liable for their actions on behalf of the Association as a director, officer, employee or agent shall have a right of contribution over and against all other directors, officers, employees or agents and members of the Association who participated in or benefitted from the acts which created said liability.

9.3 Enforcement; Attorneys' Fees. The Association, the Owners, and any mortgagee on any Lot shall have the right to enforce all of the covenants, conditions, restrictions, reservations, easements, liens and charges now or hereinafter imposed by any of the provisions of this Declaration as may pertain specifically to such parties or Owners by any proceeding at law or in equity. Failure by the Association, any Owner, or a mortgagee to enforce any covenant, condition or restriction herein contained shall in no event be deemed to be a waiver of its right to do so thereafter. All assessments made by the Association against Owners, including, without limitation, assessments to pay operating expenses, reserves, special assessments, fines, interest and late fees, shall be imposed and collected in the manner provided herein. The suit for collection of the assessments or foreclosure of the Association's lien to secure the assessments may be filed by the Association in the appropriate court. In such suit or action, the prevailing party shall be entitled to its reasonable attorneys' fees and costs as shall be awarded by the court in such suit or action and in any appeal therefrom.

9.4 Enforcement By Arbitration: The Declarant (but only so long as the Declarant holds any interest in the Property and for a period of three years thereafter), any Owner, or any Secured Party shall have the right, but not the duty, to enforce the provisions of this Declaration, and all covenants, conditions, and restrictions now or hereafter imposed by the provisions of this Declaration, or any amendment hereto, but enforcement of the same, or resolution of any dispute regarding the same, shall be adjudicated only through an arbitration proceeding as is provided for as follows:

In the event of any dispute arising under any provision of this Declaration or any amendment hereto, including any dispute as to the necessity of any maintenance or repair of any improvement in or upon any Lot, but excluding any dispute as to the interpretation of a provision of this Declaration or foreclosure of a lien under the Declaration or Bylaws, such dispute shall be arbitrated by an arbitrator to be mutually agreed upon by the parties or, if the parties are unable to agree, then as appointed by the Circuit Court of the County wherein the Property is located. The decision of the arbitrator shall be final and shall be binding upon all parties to the dispute and may be enforced by a court of law as allowed by Washington law. The arbitrator shall be entitled to reasonable compensation for the arbitrator's services, which cost shall be shared equally between and shall be an obligation of all parties to the arbitration. Further, each party to any such arbitration

shall be responsible for each such party's own attorney fees and other costs, if any, and whether or not such party or any other party shall prevail in any such arbitration.

9.5 Construction; Severability. This Declaration and all declarations annexing property to the Association shall be liberally construed as one document to accomplish the purposes stated in the introductory paragraphs hereof. Nevertheless, each provision of this Declaration and all declarations annexing property to the Association shall be deemed to be independent and severable, and the invalidity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provision. As used herein, the singular shall include the plural and the plural the singular, and the masculine and neuter shall each include masculine, feminine and neuter, as the context requires. All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Declaration.

9.6 Duration. The covenant, conditions and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date on which this Declaration is recorded, after which time they shall be automatically extended for successive periods of (10) years.

9.7 Amendment by Declarant. Prior to the Turnover Date, Declarant may amend this Declaration by an instrument in writing recorded in the real property records of Skamania County, Washington, without the approval of any Owner or mortgagee, provided, however, that (i) in the event that such amendment materially alters or changes any Owner's right to the use or enjoyment of such Owner's Lot or of the Common Areas or if such amendment adversely affects the title to any Lot, such amendment shall be valid upon action by the Board on that date which is 90 days from the date of such action unless two thirds of the then-existing Owners affected thereby thereafter disapprove such action, or (ii) in the event that such amendment would materially and adversely affect the security of any mortgagee, such amendment shall be valid only upon the written consent thereto of two-thirds of the mortgages so affected in the event that the Board takes any action that falls under clause (i) above, the Board shall provide written notice to all then-existing Owners affected by such amendment, including the text of the amendment to this Declaration. The affected Owners may, within 60 days after the date of such notice, object to the amendment by written notice to the Board and if, by such date, at least two-thirds of the Owners have objected to the amendment, then the amendment shall be null and void. If not, the amendment shall become effective as stated above. Any amendment made pursuant to this section shall be certified by Declarant as having been duly approved by Declarant and such affected Owners and mortgages, if required, and shall be effective only upon recordation or at such later date as shall be specified in the amendment itself. Each Owner, by acceptance of a deed or other conveyance to a Lot, agrees to be bound by any amendment permitted by this section and further agrees that, if requested to do so by Declarant, such Owner shall consent in writing to any amendment.

9.8 Amendment. Except as otherwise provided in Section 9.7 hereof and the restrictions set forth elsewhere herein, this Declaration may be amended at any time by an instrument approved by not less than two-thirds of the total votes of each class of Members that are eligible to vote. Any amendment must be executed, recorded and certified as provided by law; provided, however, that no amendment of this Declaration shall affect an amendment of the Bylaws or Articles without compliance with the provisions of such documents and those of the Washington Nonprofit Corporation Act; and provided further that, so long as Declarant owns any lot, no amendment

affecting the general plan of development or any other right of Declarant herein contained may be effected without the express written consent of Declarant or its successors and assigns. In addition, Declarant may amend this Declaration as provided for below.

9.9 Unilateral Amendment by Declarant. Declarant may amend this Declaration to comply with the requirements of the Federal Housing Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Washington, or any other state in which the Lots are marketed and sold, or any corporation wholly owned, directly or indirectly, by the United States or the State of Washington, or such other state, the approval of which entity is required in order for it to insure, guarantee or provide financing in connection with development of the Property and sale of Lots. Before the Turnover Meeting, no such amendment shall require notice to or approval by any Owner other than Declarant.

IN WITNESS WHEREOF, the undersigned being the Declarant herein, has executed this instrument this 20 day of September, 2005.
