**FIRST AMENDMENT TO DECLARATION OF
COVENANTS CONDITIONS AND RESTRICTIONS
FOR THREE RIVERS RECREATIONAL AREA OWNERS ASSOCIATION**

WHEREAS, the Declaration of Covenants, Conditions and Restrictions for Three Rivers Recreational Owners Association (the "Declaration") was recorded on October 17, 2005 at Doc # 2005-159105 of the official records of Skamania County, Washington; and

WHEREAS, pursuant to Section 1.3.2 of the Declaration, the Declarant reserved the right upon Declarant's sole signature and without the assent of any other person to amend the Declaration so long as Declarant owns at least ten lots subject to the Declaration and the Association has not been turned over to the Owners. The Declarant currently owns in excess of ten lots and the Association has not been turned over to the Owners, so the Declarant's unilateral right to amend the Declaration is still a valid and subsisting right; and

WHEREAS, certain provisions of the Declaration need to be amended in order to satisfy prospective lenders of Lot purchasers;

NOW, THEREFORE, the Declaration is hereby amended as follows:

1. Section 1 of the "IMPORTANT NOTICE TO PERSONS BUYING PROPERTY IN THREE RIVERS RECREATIONAL AREA" of the Declaration is hereby deleted and replaced with the following:

"1. Before you purchase a lot make sure you have written confirmation from the Association whether there are any outstanding liens or violations respecting the lot you wish to purchase. You may be liable for any liens, fines, assessments and claims against the lot you purchase even if they were caused by the seller. Liability runs with the lot. See Section 1.2 of this Declaration for the procedure to follow. You must obtain written confirmation from the Association."

2. Section 4.3 of the Declaration is hereby deleted and replaced with the following:

"4.3 Special Assessments. In addition to annual assessments pursuant to Section 4.1, the Association shall have the authority to levy special assessments (i) to pay the Cost of repair or replacement of any Improvements that have been constructed in the Common Areas, if in excess of Reserves available for that purpose; or (ii) for any extraordinary expense of the Association. Special assessments shall be billed to the Owners at such time as the Board may determine. Special assessments shall be allocated among the Multi-Family, Single-Family and Commercial Lots in the manner provided with respect to annual assessments in Sections 4.2."

3. Section 4.7 of the Declaration is hereby deleted and replaced with the following:

"4.7 Associations Lien, Subordination. Any assessment or other sum due from an Owner to the Association pursuant to this Declaration shall automatically be a continuing lien against the Owner's Lot without any action by the Association being required other than the normal procedures set forth in this Declaration for the underlying debt upon which the lien is based. The lien shall secure payment of the assessment or other sum due plus costs and legal fees incurred by the Association in foreclosing upon the lien. The lien shall attach on the date when the assessment or other sum becomes due to the Association. The Associations lien foreclosure remedy shall be in addition to all other rights and remedies available by law or provided herein. The Association may record a lien claim against the applicable Lot for the purpose of giving notice to third parties, but the failure to record such a lien claim shall not affect the validity of the lien which shall run with and bind the Lot the same as the underlying obligations upon which it is based. Concurrently with the recording of any lien claim, the Association shall give notice of the recording of the lien claim to the Owner in the manner provided below in Section 9. The Association may initiate an action to foreclose any such lien in any manner allowed by law, including, without limitation, the provisions for foreclosing construction liens in RCW Chapter 60.04. Notwithstanding any other provision of this Declaration, the Associations lien shall be inferior, junior, and subordinate to the lien of any first mortgage or first trust deed encumbering such Lot and tax and governmental assessment liens except as provided below in this Section 4.7. Without limiting the generality of the foregoing, the sale or transfer of any Lot under a decree of foreclosure pursuant to any such first mortgage or first trust deed, or acceptance of a deed in lieu of foreclosure, shall extinguish any
