WHEREAS, Section 2.03 of the Mortgage provides that the form or forms, terms and conditions of and other matters not inconsistent with the provisions of the Mortgage, in connection with each series of bonds (other than the First Series) issued thereunder, shall be established in or pursuant to one or more Resolutions and/or shall be established in one or more indentures supplemental to the Mortgage, prior to the initial issuance of bonds of such series; and

The Company further covenants and agrees to and with the Trustee and its successor or successors in such trust under the Mortgage, as follows:

#### **ARTICLE I**

##### **Thirty-First Series of Bonds**

**SECTION 1.01.** There shall be a series of bonds designated "6.10% Series due August 1, 2036" (herein sometimes referred to as the Thirty-First Series), each of which shall also bear the descriptive title "First Mortgage Bond," and the form of which shall be substantially in the form of Exhibit A hereto.

(I) Bonds of the Thirty-First Series shall mature on August 1, 2036 and shall be issued as fully registered bonds in the denomination of two thousand dollars and, at the option of the Company, any multiple or multiples of one thousand dollars in excess of thereof (the exercise of such option to be evidenced by the execution and delivery thereof).

The Company reserves the right to establish, at any time, by or pursuant to a Resolution filed with the Trustee, a form of coupon bond, and or appurtenant coupons, for the Thirty-First Series and to provide for exchangeability of such coupon bonds with the bonds of the Thirty-First Series issued hereunder in fully registered form and to make all appropriate provisions for such purpose.

Bonds of the Thirty-First Series need not be issued at the same time and such series may be reopened at any time, without notice to or the consent of any then-existing holder or holders of any bond of the Thirty-First Series, for issuances of additional bonds of the Thirty-First Series in an unlimited principal amount. Any such additional bonds will have the same interest rate, maturity and other terms as those initially issued, except for payment of interest accruing prior to the original issue date of such additional bonds and for the first interest payment date following such original issue date.

(II) Bonds of the Thirty-First Series shall bear interest at the rate of 6.10% per annum payable semi-annually in arrears on February 1 and August 1 of each year (each, an "Interest Payment Date"). Bonds of the Thirty-First Series shall be dated and shall accrue interest as provided in Section 2.06 of the Mortgage provided, that if a Registration Default (as defined in the Registration Rights Agreement) occurs with respect to bonds of the Thirty-First Series, interest will accrue on such bonds at a rate of 0.5% per annum from and including the date on which any such Registration Default shall occur, until but excluding the date on which all Registration Defaults have been cured, such additional interest to be paid to the same persons, in the same manner and at the same times as ordinary interest on the bonds of the Thirty-First Series. The Company shall give the Trustee prompt notice of the occurrence of a Registration Default and of any cure thereof.

The initial Interest Payment Date is February 1, 2007. The amount of interest payable will be computed on the basis of a 360-day year consisting of twelve 30-day months. If any date on which interest is payable on any bond of the Thirty-First Series is not a Business Day, then payment of the interest payable on that date will be made on the next succeeding day which is a Business Day (and without any additional interest or other payment in respect of any delay), with the same force and effect as if made on such date.

Interest payable on any bond of the Thirty-First Series and punctually paid or duly provided for on any Interest Payment Date for such bond will be paid to the person in whose name the bond is registered at the close of business on the Record Date (as hereinafter specified) for such bond next preceding such Interest Payment Date; provided, however, that interest payable at maturity or upon earlier redemption will be payable to the person to whom principal shall be payable. So long as the bonds of the Thirty-First Series remain in book-entry only form, the "Record Date" for each Interest Payment Date shall be the close of business on the Business Day before the applicable Interest Payment Date. If the bonds of the Thirty-First Series are not in book-entry only form, the Record Date for each Interest Payment Date shall be the close of business on the first calendar day of the month of the applicable Interest Payment Date (whether or not a Business Day).

Any interest on any bond of the Thirty-First Series which is payable but is not punctually paid or duly provided for, on any Interest Payment Date for such bond (herein called "Defaulted Interest"), shall forthwith cease to be payable to the registered owner on the relevant Record Date for the payment of such interest solely by virtue of such owner having been such owner; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in subsection (i) or (ii) below:

- (i) The Company may elect to make payment of any Defaulted Interest on the bonds of the Thirty-First Series to the persons in whose names such bonds are registered at the close of business on a Special Record Date (as hereinafter defined) for the payment of such Defaulted Interest, which shall be fixed in the following manner: The Company shall, at least 30 days prior to the proposed date of payment, notify the Trustee in writing (signed by an Authorized Financial Officer of the Company) of the amount of Defaulted Interest proposed to be paid on each bond of the Thirty-First Series and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence hereof), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this subsection provided and not to be deemed part of the Mortgaged and Pledged Property. Thereupon, the Trustee shall fix a record date (herein referred to as a "Special Record Date") for the payment of such Defaulted Interest which date shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the

Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner of a bond of the Thirty-First Series at his, her or its address as it appears in the bond register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the bonds of the Thirty-First Series are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following subsection (ii).

- (ii) The Company may make payment of any Defaulted Interest on the bonds of the Thirty-First Series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such bonds may be listed and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this subsection, such payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each bond of the Thirty-First Series delivered under the Mortgage upon transfer of or in exchange for or in lieu of any other bond shall carry all rights to interest accrued and unpaid, and to accrue, which were carried by such other bond and each such bond shall bear interest from such date, that neither gain nor loss in interest shall result from such transfer, exchange or substitution.

(III) The principal of and interest and premium, if any, on each bond of the Thirty-First Series shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts or in such other currency or currency unit as shall be determined by or in accordance with the Resolution filed with the Trustee.

(IV) Bonds of the Thirty-First Series shall not be redeemable prior to maturity at the option of any holder or holders of such bonds. Bonds of the Thirty-First Series shall be redeemable in whole or in part and at any time prior to maturity at the option of the Company. The redemption price shall include accrued and unpaid interest to the redemption date on the bonds to be redeemed, plus the greater of (a) one hundred per centum (100%) of the principal amount of bonds then Outstanding to be redeemed, or (b) the sum of the present values of the remaining scheduled payments of principal and interest thereon (not including any portion of such payments of interest accrued as of the redemption date) discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 20 basis points, as calculated by an Independent Investment Banker. The Company shall give the Trustee notice of such redemption price immediately after the calculation thereof, and the Trustee shall have no responsibility for such calculation. If the Company elects to partially redeem the bonds of the Thirty-First Series, the Trustee shall select in a fair and appropriate manner the bonds of the Thirty-First Series to be redeemed.

(V) Each bond of the Thirty-First Series may have such other terms as are not inconsistent with Section 2.03 of the Mortgage, and as may be determined by or in accordance with a Resolution filed with the Trustee.

(VI) At the option of the registered owner, any bonds of the Thirty-First Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of bonds of the same series, same restrictions and same terms of other authorized denominations.

(VII) Bonds of the Thirty-First Series shall be transferable, subject to any restrictions thereon set forth in any such bond of the Thirty-First Series, upon the surrender thereof for cancellation, together with

a written instrument of transfer, if required by the Company, duly executed by the registered owner or by his, her or its duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York. Upon any transfer or exchange of bonds of the Thirty-First Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other government charge, as provided in Section 2.08 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any exchange or transfer of bonds of the Thirty-First Series.

(VIII) After the execution and delivery of this Nineteenth Supplemental Indenture and upon compliance with the applicable provisions of the Mortgage and this Nineteenth Supplemental Indenture, it is contemplated that there shall be issued bonds of the Thirty-First Series in an initial aggregate principal amount of U.S. \$350,000,000.

Section 1.02. *Definition of Terms.* Unless the context otherwise requires, for purposes of this Nineteenth Supplemental Indenture, the following terms have the meanings given to them in this Section 1.02

"ADJUSTED TREASURY RATE" means, with respect to any redemption date, the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated "H.15(519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption "Treasury Constant Maturities," for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the Remaining Life, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue will be determined and the Adjusted Treasury Rate will be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month); or if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date. The Adjusted Treasury Rate will be calculated on the third Business Day preceding the redemption date.

"APPLICABLE PROCEDURES" means, with respect to any transfer or exchange of or for beneficial interests in any Global Bond, the rules and procedures of the Depository, Euroclear or Clearstream, as the case may be, that apply to such transfer or exchange.

"BUSINESS DAY" means a day other than (i) a Saturday or a Sunday, or (ii) a day on which banking institutions in The City of New York are authorized or obligated by law or executive order to remain closed.

No. \_\_\_\_\_ \$[ \_\_\_\_\_ ]  
Dated: \_\_\_\_\_ Cusip: [ \_\_\_\_\_ ]

PACIFICORP, an Oregon corporation (the "**Company**"), for value received, hereby promises to pay to \_\_\_\_\_, or registered assigns, on August 1, 2036, at the office or agency of the Company in the Borough of Manhattan, The City of New York, the sum of \_\_\_\_\_ [or such other principal amount as shall be set forth in the Schedule of Exchanges of Interests in the Global Bond attached hereto]\*, in such coin or currency of the United States of America as at the time payment is legal tender for public and private debts, and to pay interest thereon from the August 1 or February 1 next preceding the date hereof, or if no interest has been paid on the bonds of this series, from \_\_\_\_\_, at the rate of six and ten hundredths per centum (6.10%) per annum, and shall pay Additional Interest, if any, payable pursuant to the Registration Rights Agreement referred to below, in like coin or currency at such office or agency on August 1 and February 1 in each year (each, an "**Interest Payment Date**"), commencing February 1, 2007, until the principal of this bond shall have been paid or duly provided for; provided that the interest so payable on any Interest Payment Date will, subject to certain exceptions set out in the Nineteenth Supplemental Indenture (hereinafter mentioned), be paid to the person in whose name this bond (or any bond previously Outstanding in transfer or exchange for which this bond was issued) is registered on the Record Date next preceding such Interest Payment Date; provided, however, that interest payable (including any Additional Interest) upon maturity or earlier redemption will be payable to the person to whom principal is payable. So long as this bond remains in book-entry only form, the Record Date for each Interest Payment Date will be the close of business on the Business Day before the applicable Interest Payment Date, and, if this bond is not in book-entry only form, the Record Date for each Interest Payment Date will be the close of business on the first calendar day of the month of the applicable Interest Payment Date (whether or not a Business Day).

"**Business Day**" means a day other than (i) a Saturday or a Sunday, or (ii) a day on which banking institutions in The City of New York are authorized or obligated by law or executive order to remain closed.

The amount of interest payable will be computed on the basis of a 360-day year consisting of twelve 30-day months. If any Interest Payment Date is not a Business Day, then payment of the interest payable on the date will be made on the next succeeding day which is a Business Day (and without any additional interest or other payment in respect of any delay), with the same force and effect as if made on the date.

1. This bond is one of an issue of bonds of the Company issuable in series and is one of a series known as its First Mortgage Bonds, 6.10% Series Due 2036 to be issued under and equally secured by a Mortgage and Deed of Trust (herein, together with any indenture supplemental thereto, including the Nineteenth Supplemental Indenture dated as of August 1, 2006, the "**Mortgage**"), dated as of June 9, 1989 executed by the Company to Morgan Guaranty Trust Company of New York, as Trustee (JPMorgan Chase Bank, N.A., formerly known as The Chase Manhattan Bank, successor). Reference is made to the

\* Insert in Global Bonds.

Mortgage for a description of the property mortgaged and pledged, the nature and extent of the security, the rights of the holders of the bonds and of the Trustee in respect thereof, the duties and immunities of the Trustee and the terms and conditions upon which the bonds are, and are to be, secured, the circumstances under which additional bonds may be issued and the definitions of certain terms hereinafter used.

With the consent of the Company and to the extent permitted by and in the manner provided in the Mortgage, the rights and obligations of the Company and/or the rights of the holders of the bonds and/or coupons and/or the terms and provisions of the Mortgage may be modified or altered by affirmative vote of the holders of at least sixty per centum (60%) in principal amount of bonds then Outstanding under the Mortgage, all voting as a single class or, if the rights of the holders of one or more, but less than all, series of bonds then Outstanding are to be adversely affected, then by affirmative vote of the holders of at least sixty per centum (60%) in principal amount of those bonds then Outstanding so to be adversely affected, all voting as a single class (excluding in any case bonds disqualified from voting by reason of the Company's interest therein as provided in the Mortgage); provided that no such modification or alteration shall, without the consent of the holder hereof, impair or affect the right of the holder to receive payment of the principal of (and premium, if any) and interest on this bond, on or after the respective due dates expressed herein, or to institute suit for the enforcement of any such payment on or after such respective date, or permit the creation of any lien ranking equal or prior to the Lien of the Mortgage or deprive the holder of the benefit of a lien on the Mortgaged and Pledged Property or reduce the percentage vote required to effect such modifications or alterations.

The Company has reserved the right, without any consent or other action by holders of bonds of the Eighth Series known as First Mortgage and Collateral Trust Bonds, 6¾% Series due April 1, 2005, or any other series of bonds subsequently created under the Mortgage (including the bonds of this series), to amend the Mortgage in order to except from the Lien of the Mortgage allowances allocated to steam-electric generating plants owned by the Company, or in which the Company has interests, pursuant to Title IV of the Clean Air Act Amendments of 1990 as now in effect or as hereafter supplemented or amended.

2. The principal hereof may be declared or may become due prior to the maturity date hereinbefore named on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a Default as in the Mortgage provided.

3. The bonds of this series are redeemable, in whole or in part, at any time and at the Company's option, at a redemption price equal to (A) the greater of (i) one hundred per centum (100%) of the principal amount of bonds of this series then Outstanding to be redeemed, or (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon (not including any portion of such payments of interest accrued as of the Redemption Date) discounted to the Redemption Date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Treasury Rate, plus 20 basis points, as calculated by an Independent Investment Banker; plus (B) accrued and unpaid interest thereon to the date on which such bonds are to be redeemed (the "Redemption Date"). Unless the Company defaults in payment of the redemption price, on and after the Redemption Date interest will cease to accrue on the bonds of this series or portions thereof called for redemption.

For purposes of this Section 3:

"Adjusted Treasury Rate" means, with respect to any Redemption Date, the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated "H.15(519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption "Treasury Constant Maturities," for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within

three months before or after the Remaining Life, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue will be determined and the Adjusted Treasury Rate will be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month); or if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Adjusted Treasury Rate will be calculated on the third Business Day preceding the Redemption Date.

**"Comparable Treasury Issue"** means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the bonds of this series to be redeemed that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such bonds (the **"Remaining Life"**).

**"Comparable Treasury Price"** means with respect to any Redemption Date (1) the average of four Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

**"Independent Investment Banker"** means one of the Reference Treasury Dealers appointed by the Company and its successors, or if that firm is unwilling or unable to serve as such, an independent investment and banking institution of national standing appointed by the Company.

**"Reference Treasury Dealer"** means: (A) each of Lehman Brothers Inc. and Greenwich Capital Markets, Inc. and their respective successors; provided that, if either such entity ceases to be a primary U.S. Government securities dealer in New York City (Primary Treasury Dealer), the Company will substitute another Primary Treasury Dealer; and (B) up to two other Primary Treasury Dealers selected by the Company.

**"Reference Treasury Dealer Quotations"** means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m., New York City time, on the third Business Day preceding such Redemption Date.

The Company shall give the Trustee notice of such redemption price immediately after the calculation thereof, and the Trustee shall have no responsibility for such calculation.

4. In addition to the rights provided to the holders of bonds under the Mortgage, holders of Restricted Global Bonds and Restricted Definitive Bonds will have all the rights set forth in the Registration Rights Agreement dated as of August 10, 2006, among the Company and the other parties named on the signature pages thereof (the **"Registration Rights Agreement"**).

5. This Bond is transferable as prescribed in the Mortgage by the registered owner hereof in person, or by his, her or its duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York, upon surrender and cancellation of this Bond, together with a written instrument of transfer, if required by the Company, duly executed by the registered owner or by his, her or its duly authorized attorney, and, thereupon, a new fully registered Bond of the same series for a like principal amount will be issued to the transferee in exchange herefor as provided in the Mortgage. Subject to the foregoing provisions as to the person entitled to receive payment of interest hereon, the Company and the Trustee may deem and treat the person in whose name this Bond is registered as the holder and the absolute owner hereof for the purpose of receiving payment and for all other purposes, and neither the Company nor the Trustee shall be affected by any notice to the contrary.

6. In the manner prescribed in the Mortgage, any Bonds of this series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, are exchangeable for a like aggregate principal amount of fully registered Bonds of the same series of other authorized denominations.

7. As provided in the Mortgage, the Company shall not be required to make transfers or exchanges of Bonds of any series for a period of fifteen (15) days next preceding any designations of Bonds of such series to be redeemed, and the Company shall not be required to make transfers or exchanges of any Bonds designated in whole or in part for redemption.

8. No recourse shall be had for the payment of the principal of, premium, if any, or interest on this bond against any incorporator or any past, present or future subscriber to the capital stock, shareholder, officer or director of the Company or of any predecessor or successor corporation, as such, either directly or through the Company or any predecessor or successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, shareholders, officers and directors being released by the holder or owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

This bond shall not become obligatory until JPMorgan Chase Bank, N.A. (formerly known as The Chase Manhattan Bank), a national banking association, the Trustee under the Mortgage, or its successor thereunder, shall have signed the form of authentication certificate endorsed hereon.
