1. **Conveyance.** Grantor irrevocably grants and conveys to Trustee in trust, with power of sale, all of Grantor's right, title and interest in the real property legally described in Ex. "A" attached (the "Real Property"), to be held as security for the payment and performance of the obligations as defined below.

2. **Obligations Secured.** This Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (the "Trust Deed"), is given to secure: the payment and performance of all obligations of Grantor under this Trust Deed; the Loan Agreement between the parties entered into on March 22, 2007; all sums advanced by Beneficiary to protect the Real Property or to pay or perform any obligations of Grantor hereunder; all sums due under Grantors' Promissory Note to Beneficiary dated March 22, 2007, in the principal sum of \$448,500.00, as modified, supplemented, extended, renewed or replaced from time to time (the "Note"), the final payment of which, if not sooner paid, extended or renewed, is due and payable April, 1, 2008; any other obligations of Grantor to Beneficiary evidenced by promissory note(s) or agreements which reference being secured by this Trust Deed; and all obligations, debts, claims and liabilities of Grantor to Beneficiary (individually or collectively), regardless of whether recovery is barred by any statute of limitations or are otherwise unenforceable, plus interest thereon, now existing or hereafter arising, voluntary or involuntary, due or not due, direct or indirect, absolute or contingent, liquidated or non-liquidated (including those in which Grantor is obligated as guarantor, surety, accommodation party or otherwise) (collectively referred to herein as the "Obligations").

3. **Assignment of Rents and Security Interest.** As additional security for the Obligations, Grantors assigns to Beneficiary, all of Grantor's right, title and interest in all present and future leases of the Real Property and grants Beneficiary a Uniform Commercial Code Security Interest in the rents or other income relating to or arising from any lease of the Real Property and all fixtures, timber and other articles of personal property now or hereafter owned by Grantor, and now or hereafter located on or attached or affixed to the Real Property, together with all accessions, parts and additions to, all replacements of and all substitutions for any such property, together with all proceeds (including without limitation all insurance proceeds and refunded premiums) from any sale or other disposition of such property. As used hereafter, the term "Collateral" shall mean collectively the Real Property and/or personal property subject to this security interest.

4. **Taxes, Liens and Assessments.** Grantor shall pay before delinquent all taxes, liens, encumbrances, charges and assessments affecting the Collateral.

5. **Trust Expenses.** Grantor shall pay all costs, fees and expenses of this trust and all lawful charges, costs and expenses of any reinstatement of this Deed of Trust following a default.

6. **Fire Insurance.** Grantor shall, at Grantor's expense, maintain in force fire and extended coverage insurance on the Collateral in an amount reasonably required by Beneficiary, with loss payable to Beneficiary, with such insurance coverage to contain a waiver of the insurer's right of subrogation against Beneficiary.

7. **Liability Insurance.** Grantor shall, at Grantor's expense, maintain in force policies of liability insurance in amounts reasonably required by Beneficiary, with Beneficiary as an additional insured thereunder, insuring against any claims related to or arising from the use, occupancy or condition of the Collateral.

The amount of such sums paid by Beneficiary or Trustee and the cost of any such action, together with interest thereon at the lesser rate of 2.0% per month or the maximum legal rate permitted under Washington law, from the date of payment until satisfaction, shall be added to the Obligations. The payment by Beneficiary or Trustee of any such sums or the performance of any such action shall be prima facie evidence of the necessity therefore.

10. **Condemnation.** Any award of damages in connection with any condemnation or injury to any of the Collateral by reason of public use or for damages for private trespass or injury thereto are assigned and shall be paid to Beneficiary, to be applied to the payment of the Obligations in such manner as Beneficiary may elect. Any remaining balance shall be paid to Grantor. Beneficiary may, at Beneficiary's option, appeal from any such award in the name of Grantor. Unless Grantor and Beneficiary otherwise agree in writing, any application of such proceeds shall not extend or postpone the due dates of any installment payments of the Obligations or change the amount of such payments.
