### **GRANT OF EASEMENTS**

GRANTOR for and in consideration of the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, hereby grants and conveys to GRANTEE, its successors and assigns, access and utility easements ("Easements") in, under, upon, about, over and through the BURDENED PARCELS as follows:

1. Nature and Location of Easements. The Easements granted herein by GRANTOR shall be permanent easements for the benefit of GRANTEE for the purposes of installing, laying, constructing, maintaining, inspecting, repairing, replacing, renewing, using and operating an access road and utility lines (including water lines, electrical lines and telecommunications lines), in, under, upon, about, over and through the BURDENED PARCEL as legally described above. Such Easements are legally described on *Exhibit "A"* and are graphically described and depicted on *Exhibit "B"*, both of which are attached hereto and incorporated herein by this reference.
2. Access Easement. GRANTOR also hereby dedicates, conveys and grants to GRANTEE a permanent non-exclusive right of access for ingress and egress over and through the Easements for all purposes set forth herein.
3. Right of Entry. GRANTEE shall have the right, without notice and without prior institution of any suit or proceeding at law or equity, at all times as may be necessary to enter upon the BURDENED PARCEL to install, lay, construct, maintain, inspect, repair, remove, replace, renew, use and operate the access road and utility lines. GRANTEE agrees to restore the BURDENED PARCEL as nearly as reasonably possible to its condition prior to any material disturbance from construction, operation, maintenance, repair, or replacement of the access road or utility lines.

4. Encroachment/Construction Activity. GRANTOR shall not undertake, authorize, permit or consent to any construction or excavation including, without limitation, digging, tunneling, or other forms of construction activity on or near the Easements which might in any fashion unearth, undermine, or damage the access road or utility lines or endanger the lateral or other support of the access road or utility lines without GRANTEE'S prior written approval. GRANTOR further agrees that no structure or obstruction including, without limitation, fences and rockeries shall be erected over, upon or within the Easements, and no trees, bushes or other shrubbery shall be planted or maintained within the Easements, provided GRANTOR shall have full use of the surface of the BURDENED PARCEL within the Easements, so long as such use does not interfere with the Easements, access road or the utility lines.

5. Binding Effect. The Easements and the covenants, terms, and conditions contained herein shall be binding upon the parties hereto, their heirs, successors and assigns and shall constitute a covenant running with the land. Nothing herein shall limit the right of the parties from entering into further agreements with respect to the easements, including the repair and maintenance thereof.

EXECUTED as of the date and year first above written.
