GRANT OF EASEMENTS

GRANTORS for and in consideration of the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, hereby grant and convey to GRANTEE, its successors and assigns, access and utility easements ("Easements") in, under, upon, about, over and through the BURDENED PARCELS as follows:

1. Nature and Location of Easements. The Easements granted herein by
EASEMENT FOR ACCESS AND UTILITIES - 3

GRANTORS shall be permanent easements for the benefit of GRANTEE for the purposes of installing, laying, constructing, maintaining, inspecting, repairing, replacing, renewing, using and operating an access road and utility lines (including water lines, electrical lines and telecommunications lines), in, under, upon, about, over and through the BURDENED PARCELS as legally described above. Such Easements are legally described on *Exhibit "A"* and are graphically described and depicted on *Exhibit "B"*, both of which are attached hereto and incorporated herein by this reference.

2. Access Easement. GRANTORS also hereby dedicate, convey and grant to GRANTEE a permanent non-exclusive right of access for ingress and egress over and through the Easements for all purposes set forth herein.

3. Right of Entry. GRANTEE shall have the right, without notice and without prior institution of any suit or proceeding at law or equity, at all times as may be necessary to enter upon the BURDENED PARCELS to install, lay, construct, maintain, inspect, repair, remove, replace, renew, use and operate the access road and utility lines. GRANTEE agrees to restore the BURDENED PARCELS as nearly as reasonably possible to their condition prior to any material disturbance from construction, operation, maintenance, repair, or replacement of the access road or utility lines.

4. Encroachment/Construction Activity. GRANTORS shall not undertake, authorize, permit or consent to any construction or excavation including, without limitation, digging, tunneling, or other forms of construction activity on or near the Easements which might in any fashion unearth, undermine, or damage the access road or utility lines or endanger the lateral or other support of the access road or utility lines without GRANTEE'S prior written approval. GRANTORS further agree that no structure or obstruction including, without limitation, fences and rockeries shall be erected over, upon or within the Easements, and no trees, bushes or other shrubbery shall be planted or maintained within the Easements, provided GRANTORS shall have full use of the surface of the BURDENED PARCELS within the Easements, so long as such use does not interfere with the Easements, access road or the utility lines.

5. Binding Effect. The Easements and the covenants, terms, and conditions contained herein shall be binding upon the parties hereto, their heirs, successors and assigns and shall constitute a covenant running with the land. Nothing herein shall

limit the right of the parties from entering into further agreements with respect to the easements, including the repair and maintenance thereof.

EXECUTED as of the date and year first above written.
