NOW THEREFORE, the Declarant hereby declares the following:

1. **Declaration of Easement Benefiting Parcels 1, 2, 3 and 4.** A perpetual non-exclusive easement shall hereby exist on that portion of the Easement Area lying within Parcel 1, Parcel 2, Parcel 3 and/or Parcel 4 for the benefit of Parcel 1, Parcel 2, Parcel 3 and/or Parcel 4 for ingress and egress to and from such parcels and for construction, maintenance and repair of utilities (including, without limitation, stormwater, and other utilities that may become available in the future, such as electrical power, phone, water, gas, cable, sanitary sewer, and any other utility) serving such parcels. This easement shall be appurtenant to Parcel 1, Parcel 2, Parcel 3 and/or Parcel 4 and shall run with the land.

This easement shall be appurtenant to the Other Property and shall run with the land.

### **3. Declarant's Rights.**

**3.1 Right to Divide Parcels.** Lots or Parcels benefited by the Easement Area may be further divided, provided that such land division must be in compliance with Chapter 58.17 of the Revised Code of Washington and any applicable county regulations. Nothing herein shall be construed to prevent in any way the further division or development of any property benefited by the Easement Area.

**3.2 Declarant's Right To Grant Additional Easements.** Declarant reserves the right to grant such additional easements over that portion of the Easement Area lying within Parcel 1, Parcel 2, Parcel 3 and/or Parcel 4 for the benefit of any or all of the following property: Sections 13, 14, 23, 24 and 26, Township 7 North, Range 5 East, Willamette Meridian, Skamania County, Washington and Sections 5, 6, 7, 8, 17, 18 and 19, Township 7 North, Range 6 East, Willamette Meridian, Skamania County, Washington. **4.2 Traveling Surface.** Each Owner of a lot or Parcel benefited by an easement over the Easement Area shall be responsible for a pro-rata share (based on the number of lots or Parcels owned as a proportion to the total number of lots or Parcels benefited by the Easement Area) of the cost of maintaining the traveling surface of the Easement Area in a good and safe condition. Maintenance and repair shall be performed whenever parties who in aggregate are responsible for paying more than 50% of the cost of such maintenance and repair agree on the following: (1) that maintenance or repair is necessary; (2) the nature and extent of the necessary maintenance or repair; and (3) the person or persons who shall be retained to undertake the necessary maintenance or repair. Parties who in aggregate are responsible for paying more than 50% of the cost of such maintenance and repair shall have absolute discretion to decide such matters; however, every party must be consulted prior to a decision being made.

Each party shall be given at least 45 days notice prior to the performance of any maintenance or repair, and each party shall pay its proportionate share of the costs of maintenance and repair on or before the date of completion of the maintenance or repair. Parties may pay their proportionate share at a later date only if the payment terms allowed by the person or persons retained to undertake the necessary repairs allow payment at such later date.

**5. Taxes and Insurance.** The Owners of each Parcel shall pay when due, all property taxes, assessments and other charges against its respective Parcel. There shall be no right of contribution from any other party for such items. The Owners of each Parcel shall maintain its own liability insurance in connection with its ownership of its burdened or benefited Parcel, which insurance shall cover its activities, conditions and usages on or about the Easement Area for which such party may be liable.

**6. Breach of Obligation.** In the event the Owner of either Parcel 1, Parcel 2, Parcel 3 or Parcel 4, or any owner of a lot or Parcel benefited by an easement over the Easement Area fails to perform its obligations under this instrument, the Declarant and any other Owner hereunder shall be entitled to require such performance by suit for specific performance or, where appropriate, through injunctive relief. Such remedies shall be in addition to any other remedies afforded under Washington law.

**7. Attorneys' Fees.** In the event of a suit, action, arbitration, or other proceeding of any nature whatsoever, including, without limitation, any proceeding under the U.S. Bankruptcy Code, is instituted to interpret or enforce any provision of this Declaration, or with respect to any dispute relating to this Declaration, including, without limitation, any action which a declaration of rights is sought or an action for rescission, the prevailing party shall be entitled to recover from the losing party its reasonable attorneys', paralegals', accountants', and other experts' fees and all other fees, costs, and expenses actually incurred and reasonably necessary in connection therewith, as determined by the judge or arbitrator at trial or arbitration, as the case may be, or on any appeal or review, in addition to all other amounts provided by law. This provision shall cover costs and attorneys fees related to or with respect to proceedings in Federal Bankruptcy Courts, including those related to issues unique to bankruptcy law.

**8. Binding Effect.** This Declaration and the easements declared herein are subject to all prior easements or other encumbrances of record. The rights, covenants and obligations contained in this instrument shall bind, burden and benefit the Owners of Parcel 1, Parcel 2, Parcel 3 and Parcel 4, and their respective successors, assigns, lessees, invitees, agents and mortgagees (or beneficiaries under a deed of trust).
