## STATUTORY WARRANTY DEED

Pope Resources, a Delaware limited partnership ("Pope Resources"), recorded certain division maps exempt from subdivision regulation under RCW 58.17.040(2) and Skamania County Code 17.04.010.B.2, which may be described as the Division Map of Swift North recorded in the real property records of Skamania County on June 28, 2007, under Auditor's File No. 2007166683, Revised Division Map of Swift North recorded in the real property records of Skamania County on August 9, 2007, under Auditor's File No. 2007 2007167209, Division Map of Swift South recorded in the real property records of Skamania County on June 28, 2007, under Auditor's File No. 2007166684, and Revised Division Map of Swift South recorded in the real property records of Skamania County on August 9, 2007, under Auditor's File No. 2007 2007167210 (collectively, the "Division Maps"). Skamania County has requested that Pope Resources record a deed to confirm the division of the Property as described on the Division Maps. This deed is given by Pope Resources as a courtesy to Skamania County. Pope Resources contends that the recording of the Division Maps accomplishes a division of the Property into lots as depicted and described on the Division Maps and that Washington law does not require that such a division be made by deed. The making and recording of this deed confirms but does not amend, replace, or supersede the Division Maps and does not modify the legal effect of the Division Maps. Pope Resources does not waive any rights relating to the Division Maps.

Now, therefore, Pope Resources hereby conveys and warrants to Pope Resources the real estate situated in the County of Skamania, State of Washington, described on Exhibit A attached hereto (the "Property"), divided into lots as described on such exhibit and on the Division Maps, subject to all agreements, conditions, covenants, declarations, division maps, easements, encumbrances, restrictions, and other matters of record.

Dated this 7th day of August, 2007.
