Re: Clarification Letter

Hello Mark,

Based on a follow up site visit and review of the location of the small Southern addition and existing deck the need to plant additional landscaping is not necessary for this project. The additional landscaping will not be necessary for visual subordination. I apologize for the confusion, as I did not realize the location of the addition in relation to the existing deck. The proposed project appears to be breaking up the existing glass surface and will be less reflective than the existing structure. This change will not require a Letter Amendment since it is merely a clarifying point to the Administrative decision.

If you have any additional questions please contact me at (509) 427-9458 or [pjohnson@co.skamania.wa.us](mailto:pjohnson@co.skamania.wa.us).

Thank you,

  
Patrick Johnson
