If any Grantor is a corporation or partnership or limited liability company, transfer also includes any change in ownership of more than twenty-five percent (25%) of the voting stock or partnership interests or membership interests, as the case may be, of Grantor. However, this option shall not be exercised by Beneficiary if such exercise is prohibited by federal law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are a part of this Deed of Trust.

Payment. Grantor shall pay when due (and in all events prior to delinquency) all taxes, special taxes, assessments, charges (including water and sewer), fines and impositions levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of all liens having priority over or equal to the interest of Beneficiary under this Deed of Trust, except for the lien of taxes and assessments not due, and except as otherwise provided in this Deed of Trust.

Right To Contest. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Beneficiary's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantor has notice of the filing, secure the discharge of the lien, or if requested by Beneficiary, deposit with Beneficiary cash or a sufficient corporate surety bond or other security satisfactory to Beneficiary in an amount sufficient to discharge the lien plus any costs and attorneys' fees or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantor shall defend itself and Beneficiary and shall satisfy any adverse judgment before enforcement against the Property. Grantor shall name Beneficiary as an additional obligee under any surety bond furnished in the contest proceedings.

Evidence of Payment. Grantor shall upon demand furnish to Beneficiary satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Beneficiary at any time a written statement of the taxes and assessments against the Property.

Notice of Construction. Grantor shall notify Beneficiary at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien, material men's lien, or other lien could be asserted on account of the work, services, or materials and the cost exceeds \$5,000.00. Grantor will upon request of Beneficiary furnish to Beneficiary advance assurances satisfactory to Beneficiary that Grantor can and will pay the cost of such improvements.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Deed of Trust.

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all Improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Beneficiary. Grantor shall also procure and maintain comprehensive general liability insurance in such coverage amounts as Beneficiary may request with trustee and Beneficiary being named as additional insured's in such liability insurance policies. Additionally, Grantor shall maintain such other insurance, including but not limited to hazard, liability, business interruption, and boiler insurance, as Beneficiary may reasonably require. Policies shall be written in form, amounts, coverage's and basis reasonably acceptable to Beneficiary and issued by a company or companies reasonably acceptable to Beneficiary. Grantor, upon request of Beneficiary, will deliver to Beneficiary from time to time the policies or certificates of insurance in form satisfactory to Beneficiary, including stipulations that coverage's will not be cancelled or diminished without at least thirty (30) days prior written notice to Beneficiary. Each insurance policy also shall include an endorsement providing that coverage in favor of Beneficiary will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property at any time become located in an area designated by the Director of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance to the extent such insurance is required and is or becomes available, for the term of the loan and for the full unpaid principal balance of the loan, or the maximum limit of coverage that is available, whichever is less.

Application of Proceeds. Grantor shall promptly notify Beneficiary of any loss or damage to the Property if the estimated cost of repair or replacement exceeds \$5,000.00. Beneficiary may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Beneficiary may, at its election, receive and retain the proceeds and apply the same to the reduction of the Indebtedness and/or the payment of any lien affecting the Property, or may apply the proceeds to the repair, restoration and replacement of the Property. In the event Beneficiary elects to apply the insurance proceeds to the repair, restoration and replacement of the Property, Grantor shall repair or replace the damaged or destroyed Improvements in a manner satisfactory to Beneficiary. Beneficiary shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Deed of Trust. Any proceeds which have not been disbursed within 180 days after their receipt and which Beneficiary has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Beneficiary under this Deed of Trust, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Beneficiary holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor as Grantor's interests may appear.

Unexpired Insurance at Sale. Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Deed of Trust at any trustee's sale or other sale held under the provisions of this Deed of Trust, or at any foreclosure sale of such Property.

Grantor's Report on Insurance. Upon request of Beneficiary, however not more than once a year, Grantor shall furnish to Beneficiary a report on each existing policy of insurance showing: (a) the name of the insurer; (b) the risks insured; (c) the amount of the policy; (d) the property insured, the then current replacement value of such property, and the manner of determining that value; and (e) the expiration date of the policy. Grantor shall, upon request of Beneficiary, have an independent appraiser satisfactory to Beneficiary determine the cash value replacement cost of the Property.

WARNING

Unless Grantor provides Beneficiary with evidence of the insurance coverage as required herein, Beneficiary may purchase insurance at Grantor's expense to protect Beneficiary's interest. This insurance may, but need not, also protect Grantor's interest. If the Property becomes damaged, the coverage Beneficiary purchases may not pay any claim Grantor makes or any claim made against Grantor. Grantor may later cancel this coverage by providing evidence that Grantor has obtained property coverage elsewhere.

Grantor is responsible for the cost of any insurance purchased by Beneficiary. The cost of this insurance may be added to the Indemnity Agreement balance. If the cost is added to the Indemnity Agreement balance, the interest rate on the Indemnity Agreement will apply to this added amount. The effective date of coverage may be the date Grantor's prior coverage lapsed or the date Grantor failed to provide proof of coverage.

The coverage Beneficiary purchases may be considerably more expensive than insurance Grantor can obtain on Grantor's own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

TAX AND INSURANCE RESERVES. Subject to any limitations set by applicable law and if Grantor fails to pay any taxes, assessments or insurance when due, Beneficiary may require Grantor to maintain with Beneficiary reserves for payment of annual taxes, assessments, and insurance premiums, which reserves shall be created by advance payment or monthly payments of a sum estimated by Beneficiary to be sufficient to produce, at least fifteen (15) days before due, amounts at least equal to the taxes, assessments, and insurance premiums to be paid. If fifteen (15) days before payment is due the reserve funds are insufficient, Grantor shall upon demand pay any deficiency to Beneficiary. The reserve funds shall be held by Beneficiary as a general deposit from Grantor, which Beneficiary may satisfy by payment of the taxes, assessments, and insurance premiums required to be paid by Grantor as they become due. Beneficiary shall have the right to draw upon the reserve funds to pay such items, and Beneficiary shall not be required to determine the validity or accuracy of any item before paying it. Nothing in the Deed of Trust shall be construed as requiring Beneficiary to advance other monies for such purposes, and Beneficiary shall not incur any liability for anything it may do or omit to do with respect to the reserve account. Subject to any limitations set by applicable law, if the reserve funds disclose a shortage or deficiency, Grantor shall pay such shortage or deficiency as required by Beneficiary. All amounts in the reserve account are hereby pledged to further secure the Indebtedness, and Beneficiary is hereby authorized to withdraw and apply such amounts on the Indebtedness upon the occurrence of an Event of Default. Beneficiary shall not be required to pay any interest or earnings on the reserve funds unless required by law or agreed to by Beneficiary in writing. Beneficiary does not hold the reserve funds in trust for Grantor, and Beneficiary is not the agent of Grantor for payment of the taxes and assessments required to be paid by Grantor.

BENEFICIARY'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Beneficiary's interest in the Property or if Grantor fails to comply with any provision of this Deed of Trust or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Deed of Trust or any Related Documents, Beneficiary on Grantor's behalf may (but shall not be obligated to) take any action that Beneficiary deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenditures incurred or paid by Beneficiary for such purposes will then bear interest at the rate charged under the Indemnity Agreement from the date incurred or paid by Beneficiary to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and will be payable on demand. The Property also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Beneficiary may be entitled upon Default.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Deed of Trust.

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Beneficiary in connection with this Deed of Trust, and (b) Grantor has the full right, power, and authority to execute and deliver this Deed of Trust to Beneficiary.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Trustee or Beneficiary under this Deed of Trust, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Beneficiary shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Beneficiary's own choice, and Grantor will deliver, or cause to be delivered, to Beneficiary such instruments as Beneficiary may request from time to time to permit such participation.

Compliance With Laws. Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

CONDEMNATION. The following provisions relating to condemnation proceedings are a part of this Deed of Trust.

Application of Net Proceeds. If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Beneficiary may at its election require that all or any portion of the net proceeds of the award be applied to the Indebtedness or the repair or restoration of the Property. However, Indemnitor shall be entitled to use the proceeds of any condemnation award to repair or restore the Property in a manner satisfactory to Beneficiary if (a) Indemnitor is not otherwise in default under this Deed of Trust and (b) upon completion of such repair or restoration, the value of the Property (as determined by Beneficiary in its reasonable discretion) is no less than the value of the Property on the date of this Deed of Trust. If the proceeds are applied to repair or restoration, Beneficiary shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Deed of Trust. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees, of both the Trustee and Beneficiary in connection with the condemnation.

Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Beneficiary in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Beneficiary shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Beneficiary such instruments as may be requested by it from time to time to permit such participation.

IMPOSITION OF TAXES, FEES AND CHARGES BY GOVERNMENTAL AUTHORITIES. The following provisions relating to governmental taxes, fees and charges are a part of this Deed of Trust:

Current Taxes, Fees and Charges. Upon request by Beneficiary, Grantor shall execute such documents in addition to this Deed of Trust and take whatever other action is requested by Beneficiary to perfect and continue Beneficiary's lien on the Real Property. Subsequent Taxes. If any tax to which this section applies is enacted subsequent to the date of this Deed of Trust, this event shall have the same effect as an Event of Default (as defined below), and Beneficiary may exercise any or all of its available remedies for an Event of Default as provided below unless Grantor either (a) pays the tax before it becomes delinquent, or (b) contests the tax as provided above in the Taxes and Liens section and deposits with Beneficiary cash or a sufficient corporate surety bond or other security satisfactory to Beneficiary.

SECURITY AGREEMENT; FINANCING STATEMENTS. The following provisions relating to this Deed of Trust as a security agreement are a part of this Deed of Trust.

Security Agreement. This instrument shall constitute a security agreement to the extent any of the Property constitutes fixtures or other personal property, and Beneficiary shall have all of the rights of a secured party under the Uniform Commercial Code as amended from time to time.

Security Interest. Grantor authorizes Beneficiary to file any number of financing statements and take whatever other action is required by Beneficiary to perfect and continue Beneficiary's security interest in the Rents and Personal Property. In addition to recording this Deed of Trust in the real property records, Beneficiary may, at any time and without further authorization from Grantor, file executed counterparts, copies or reproductions of this Deed of Trust as a financing statement. Grantor shall reimburse Beneficiary for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantor shall assemble the Personal Property in a manner and at a place reasonably convenient to Grantor and Beneficiary and make it available to Beneficiary within three (3) days after receipt of written demand from Beneficiary.

FURTHER ASSURANCES; ATTORNEY-IN-FACT. The following provisions relating to further assurances and attorney-in-fact are a part of this Deed of Trust.

Further Assurances. At any time, and from time to time, upon request of Beneficiary, Grantor will make, execute and deliver, or will cause to be made, executed or delivered, to Beneficiary or to Beneficiary's designee, and when requested by Beneficiary, cause to be filed, recorded, refiled, or rerecorded, as the case may be, at such times and in such offices and places as Beneficiary may deem appropriate, any and all such mortgages, deeds of trust, security deeds, security agreements, financing statements, continuation statements, instruments of further assurance, certificates, and other documents as may, in the sole opinion of Beneficiary, be necessary or desirable in order to effectuate, complete, perfect, continue, or preserve (a) the obligations of Grantor and Indemnitor under the Indemnity Agreement, this Deed of Trust, and the Related Documents, and (b) the liens and security interests created by this Deed of Trust on the Property, whether now owned or hereafter acquired by Grantor. Unless prohibited by law or

agreed to the contrary by Beneficiary in writing, Grantor shall reimburse Beneficiary for all costs and expenses incurred in connection with the matters referred to in this paragraph.

Attorney-in-Fact. If Grantor fails to do any of the things referred to in the preceding paragraph, Beneficiary may do so for and in the name of Grantor and at Grantor's expense. For such purposes, Grantor hereby irrevocably appoints Beneficiary as Grantor's attorney-in-fact for the purpose of making, executing, delivering, filing, recording, and doing all other things as may be necessary or desirable, in Beneficiary's sole opinion, to accomplish the matters referred to in the preceding paragraph.

FULL PERFORMANCE. If Indemnitor pays all the Indebtedness when due and terminates the loan, and Grantor otherwise performs all the obligations imposed upon Grantor under this Deed of Trust, Beneficiary shall execute and deliver to Trustee a request for full reconveyance and shall execute and deliver to Grantor suitable statements of termination of any financing statement on file evidencing Beneficiary's security interest in the Rents and the Personal Property. Grantor shall pay Beneficiary a reasonable reconveyance fee for said reconveyance. The grantee in any such reconveyance may be described as the "person or persons legally entitled thereto."

DEFAULT. Each of the following, at the option of Beneficiary, shall constitute an event of default ("Event of Default") under this Deed of Trust:

Default on Indebtedness. Failure of Indemnitor to make any payment when due on the Indebtedness.

Compliance Default. Failure of Grantor or Indemnitor to comply with any other term, obligation, covenant or condition contained in this Deed of Trust, the Indemnity Agreement or in any of the Related Documents or the failure of Indemnitor or Grantor to comply with or to perform any term, obligation, covenant or condition contained in any other agreement between Beneficiary and Indemnitor or Grantor. If such a non-payment default is curable and if Indemnitor or Grantor has not been given a notice of a breach of the same provision of this Deed of Trust within the preceding twelve (12) months, it may be cured (and no Event of Default will have occurred) if Grantor, after Beneficiary sends written notice demanding cure of such failure: (a) cures the failure within thirty (30) days; or (b) if the cure requires more than thirty (30) days, immediately initiates steps sufficient to cure the failure and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance within ninety (90) days after notice is sent.

Breaches. Any warranty, representation or statement made or furnished to Beneficiary by or on behalf of Grantor or Indemnitor under this Deed of Trust, the Indemnity Agreement or the Related Documents is, or at the time made or furnished was, false in any material respect.

Insolvency. The insolvency of Indemnitor or Grantor; appointment of a receiver for any part of Indemnitor's or Grantor's property; any assignment for the benefit of creditors; the commencement of any proceeding under any bankruptcy or insolvency laws by or against Indemnitor or Grantor; provided, however, that Indemnitor or Grantor shall have thirty (30) days in which to obtain a dismissal of any such proceedings; or the dissolution or termination of Indemnitor's or Grantor's existence as a going business (if Indemnitor or Grantor is a business). Except to the extent prohibited by federal law or state law, the death of Indemnitor or Grantor (or a member or partner of Indemnitor or Grantor) also shall constitute an Event of Default under this Deed of Trust; provided, however, that if Beneficiary determines in its reasonable discretion that its interests are not materially impaired, Beneficiary shall permit the deceased's estate to assume unconditionally the obligations arising hereunder in a manner reasonably acceptable to Beneficiary and, in so doing, cure the Event of Default.

Foreclosure, etc. Commencement of foreclosure, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor against any of the Property. However, this subsection shall not apply in the event of a good faith dispute by Grantor as to the validity or reasonableness of the

claim, which is the basis of the foreclosure, provided that Grantor gives Beneficiary written notice of such claim and furnishes reserves or a surety bond for the claim satisfactory to Beneficiary.

Defective Collateralization. This Deed of Trust or any of the Related Documents ceases to be in full force and effect (including the failure of this Deed of Trust or any Related Document to create a valid and perfected security interest or lien) at any time and for any reason.

Breach of Other Agreement. Any breach by Grantor under the terms of any other agreement between Grantor and Beneficiary that is not remedied within any grace period provided therein, including without limitation any agreement concerning any indebtedness or other obligation of Grantor to Beneficiary, whether existing now or later.

Events Affecting Guarantor. Any Guarantor seeks, claims, or otherwise attempts to limit, modify, or revoke such Guarantor's guaranty with Beneficiary or any of the preceding events occurs with respect to any Guarantor or any of the Indebtedness or such Guarantor dies or becomes incompetent; provided, however, that if Beneficiary determines in its reasonable discretion that its interests are not materially impaired, Beneficiary shall permit the Guarantor's estate to assume unconditionally the obligations arising under the guaranty in a manner satisfactory to Beneficiary, and, in doing so, cure the Event of Default.

Adverse Change. A material adverse change occurs in Indemnitor's financial condition, or Beneficiary believes the prospect of payment or performance of the Indebtedness is impaired.

Insecurity. Beneficiary in good faith deems itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default and at any time thereafter, Trustee or Beneficiary, at its option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Beneficiary shall have the right at its option to declare the entire Indebtedness immediately due and payable, including any prepayment penalty, which Indemnitor would be required to pay.

Foreclosure. With respect to all or any part of the Real Property, the Trustee shall have the right to foreclose by notice and sale, and Beneficiary shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law. If this Deed of Trust is foreclosed by judicial foreclosure, Beneficiary will be entitled to a judgment, which will provide that if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for the amount of the unpaid balance of the judgment.

UCC Remedies. With respect to all or any part of the Personal Property, Beneficiary shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Beneficiary shall have the right, without notice to Grantor, to take possession of and manage the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Beneficiary's costs, against the Indebtedness. In furtherance of this right, Beneficiary may require any tenant or other user of the Property to make payments of rent or use fees directly to Beneficiary. If the Rents are collected by Beneficiary, then Grantor irrevocably designates Beneficiary as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Beneficiary in response to Beneficiary's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Beneficiary may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Appoint Receiver. Beneficiary shall have the right to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Beneficiary's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Beneficiary shall not disqualify a person from serving as a receiver.

Tenancy at Sufferance. If Grantor remains in possession of the Property after the Property is sold as provided above or Beneficiary otherwise becomes entitled to possession of the Property upon default of Grantor, Grantor shall become a tenant at sufferance of Beneficiary or the purchaser of the Property and shall, at Beneficiary's option, either (a) pay a reasonable rental for the use of the Property, or (b) vacate the Property immediately upon the demand of Beneficiary.

Other Remedies. Trustee or Beneficiary shall have any other right or remedy provided in this Deed of Trust or the Indemnity Agreement or by law.

Notice of Sale. Beneficiary shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of Personal Property may be made in conjunction with any sale of the Real Property.

Sale of the Property. To the extent permitted by applicable law, Grantor hereby waives any and all rights to have the Property marshaled. In exercising its rights and remedies, the Trustee or Beneficiary shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Beneficiary shall be entitled to bid at any public sale on all or any portion of the Property.

Waiver; Election of Remedies. A waiver by any party of a breach of a provision of this Deed of Trust shall not constitute a waiver of or prejudice the party's rights otherwise to demand strict compliance with that provision or any other provision. Election by Beneficiary to pursue any remedy provided in this Deed of Trust, the Indemnity Agreement, in any Related Document, or provided by law shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor under this Deed of Trust after failure of Grantor to perform shall not affect Beneficiary's right to declare a default and to exercise any of its remedies.

Attorneys' Fees; Expenses. If Beneficiary institutes any suit or action to enforce any of the terms of this Deed of Trust, Beneficiary shall be entitled to recover such sum, as the court may adjudge reasonable as attorneys' fees at trial and on any appeal. Whether or not any court action is involved, all reasonable expenses incurred by Beneficiary which in Beneficiary's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Indemnity Agreement rate from the date of expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Beneficiary's attorneys' fees whether or not there is a lawsuit, including attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.

Rights of Trustee. Trustee shall have all of the rights and duties of Beneficiary as set forth in this section.

POWERS AND OBLIGATIONS OF TRUSTEE. The following provisions relating to the powers and obligations of Trustee are part of this Deed of Trust.

Powers of Trustee. In addition to all powers of Trustee arising as a matter of law, Trustee shall have the power to take the following actions with respect to the Property upon the written request of Beneficiary and Grantor: (a) join in preparing and filing a map or plat of the Real Property, including the dedication of streets or other rights to the public; (b) join in granting any easement or creating any restriction on the Real Property; and (c) join in any subordination or other agreement affecting this Deed of Trust or the interest of Beneficiary under this Deed of Trust.

Obligations to Notify. Trustee shall not be obligated to notify any other party of a pending sale under any other trust deed or lien, or of any action or proceeding in which Grantor, Beneficiary, or Trustee shall be a party, unless the action or proceeding is brought by Trustee.

Trustee. Trustee shall meet all qualifications required for Trustee under applicable law. In addition to the rights and remedies set forth above, with respect to all or any part of the Property, the Trustee shall have the right to foreclose by notice and sale, and Beneficiary shall have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law.

Successor Trustee. Beneficiary, at Beneficiary's option, may from time to time appoint a successor Trustee to any Trustee appointed hereunder by an instrument executed and acknowledged by Beneficiary and recorded in the office of the recorder of the county in which the Real Property is situated. The instrument shall contain, in addition to all other matters required by state law, the names of the original Beneficiary, Trustee, and Grantor, the book and page or the Auditor's file number where this Deed of Trust is recorded, and the name and address of the successor trustee, and the instrument shall be executed and acknowledged by Beneficiary or its successors in interest. The successor trustee, without conveyance of the Property, shall succeed to all the title, power, and duties conferred upon the Trustee in this Deed of Trust and by applicable law. This procedure for substitution of trustee shall govern to the exclusion of all other provisions for substitution.

NOTICES TO GRANTOR AND OTHER PARTIES. Any notice under this Deed of Trust shall be in writing and shall be effective when actually delivered or, if mailed, shall be deemed effective when deposited in the United States mail first class, registered mail, postage prepaid, directed to the addresses shown near the beginning of this Deed of Trust. Any party may change its address for notices under this Deed of Trust by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. All copies of notices of foreclosure from the holder of any lien which has priority over this Deed of Trust shall be sent to Beneficiary's address, as shown near the beginning of this Deed of Trust. For notice purposes, Grantor agrees to keep Beneficiary and Trustee informed at all times of Grantor's current address.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Deed of Trust:

Amendments. This Deed of Trust, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Deed of Trust. No alteration of or amendment to this Deed of Trust shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Accounts and Records. Grantor will maintain a standard modern system of accounting administered in accordance with generally accepted accounting principles. Beneficiary shall have the right to examine the books of account of Grantor to the extent that they pertain to this Deed of Trust and the Property, and to discuss the affairs, finances, and accounts of Grantor to such extent, all at such reasonable times and intervals as Beneficiary may desire. Grantor will furnish to Beneficiary, (i) within sixty (60) days after and as of the close of each fiscal year, the year-end financial statements of Grantor, including a balance sheet and a statement of earnings (income and loss) from Grantor's business and from the Property, as requested by Beneficiary, in detail satisfactory to Beneficiary; (ii) from time to time and within twenty (20) days following Beneficiary's request therefor, all such financial information as may be necessary or appropriate for Beneficiary's determination of Grantor's net operating income and debt service with all such financial information being prepared and certified as accurate by Grantor; and (iii) from time to time, upon Beneficiary's request, tenant rent rolls, leasing summary reports and cash flow projections (or updates thereof), setting forth the status of all existing and anticipated leases or subleases affecting the Property and Grantor's best estimate of the revenues to be obtained and the expenses to be incurred in connection with the operation of the Property for the following one-year period. In addition to the above, Grantor shall furnish Beneficiary with, as soon as available, but in no event later than ninety (90) days after the end of each fiscal year, copies of Grantor's tax returns.

Applicable Law. This Deed of Trust shall be governed by, construed and enforced in accordance with the laws of the State of Washington. The transaction, which is evidenced, by the Indemnity Agreement and this Deed of Trust (which secures the Indemnity Agreement) has been applied for, considered, approved, and made in the State of Washington. **IF THERE IS A LAWSUIT, GRANTOR AND INDEMNITOR, AT BENEFICIARY'S OPTION, AGREE TO SUBMIT TO THE JURISDICTION OF MULTNOMAH COUNTY, OREGON. BENEFICIARY, INDEMNITOR, AND GRANTOR HEREBY WAIVE THE RIGHT TO ANY JURY TRIAL IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY EITHER BENEFICIARY OR GRANTOR OR INDEMNITOR AGAINST THE OTHER.**

Caption Headings. Caption headings in this Deed of Trust are for convenience purposes only and are not to be used to interpret or define the provisions of this Deed of Trust.

Merger. There shall be no merger of the interest or estate created by this Deed of Trust with any other interest or estate in the Property at any time held by or for the benefit of Beneficiary in any capacity, without the written consent of Beneficiary.

Multiple Parties. If Grantor or Indemnitor consist of more than one person or entity, all obligations of Grantor and Indemnitor under this Deed of Trust shall be joint and several, and all references to Indemnitor shall mean each and every Indemnitor, and all references to Grantor shall mean each and every Grantor. This means that each of the persons signing below is responsible for all obligations in this Deed of Trust. Where any one or more of the parties are corporations or partnerships or limited liability companies, it is not necessary for Beneficiary to inquire into the powers of any of the parties or of the officers, directors, partners, agents, managers or members acting or purporting to act on their behalf.

Severability. If a court of competent jurisdiction finds any provision of this Deed of Trust to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Deed of Trust in all other respects shall remain valid and enforceable.

Successors and Assigns. Subject to the limitations stated in this Deed of Trust on transfer of Grantor's interest, this Deed of Trust shall be binding upon and inure to the benefit of the parties, their successors

and assigns. If ownership of the Property becomes vested in a person other than Grantor, Beneficiary, without notice to Grantor, may deal with Grantor's successors with reference to this Deed of Trust and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Deed of Trust or liability under the Indebtedness.

Time Is of the Essence. Time is of the essence in the performance of this Deed of Trust.

Waivers and Consents. Beneficiary shall not be deemed to have waived any rights under this Deed of Trust (or under the Related Documents) unless such waiver is in writing and signed by Beneficiary. No delay or omission on the part of Beneficiary in exercising any right shall operate as a waiver of such right or any other right. A waiver by any party of a provision of this Deed of Trust shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. No prior waiver by Beneficiary, nor any course of dealing between Beneficiary and Grantor or Indemnitor, shall constitute a waiver of any of Beneficiary's rights or any of Grantor or Indemnitor's obligations as to any future transactions. Whenever consent by Beneficiary is required in this Deed of Trust, the granting of such consent by Beneficiary in any instance shall not constitute continuing consent to subsequent instances where such consent is required.

Waiver of Homestead Exemption. Grantor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Washington as to all Indebtedness secured hereby.

COMMERCIAL DEED OF TRUST. Grantor agrees with Beneficiary that this Deed of Trust is a commercial deed of trust and that Grantor will not change the use of the Property without Beneficiary's prior written consent.

GRANTOR ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS DEED OF TRUST, AND GRANTOR AGREES TO ITS TERMS.
