Affidavit of Status as American National and Domicile

County of San Joaquin, California, an American Republic

545276816 Number is for identification purposed only

This private flesh and blood woman and living soul, standing upon the land, terminates, from the beginning and for the future, a presumed status of U.S. Citizen under federal jurisdiction. Based upon non-disclosure of material facts and third party presumptions that falsely "require" a declaration of U.S. Citizenship, this affidavit will clarify that status for now and all time.

Let it be known to all people and persons of interest that:

1. I, known as Esther Lynne Robertson, being of sound mind and over 18 years of age, am a natural inhabitant of California, an American Republic protected by the political body of the original 1849 state Constitution of California, so declares under Title 28 Section 1746-1 of United States of America, to be known as an American National of the United States of America, non-domestic to District of Columbia domicile and private prima facie policies.
2. Your affiant's natural birth occurred in City of San Francisco, California Republic in the United States of America 1781 situs, on the 24th day of March, 1957.
3. I am the beneficiary of, but shall not be confused with, the legal fiction known as ESTHER LYNNE ROBERTSON and any derivation, thereof.
4. That due to Fraud, Coercion, Disinformation and belief, and legal presumptions all done without the relevant facts of disclosure by administrators of the state and federal national government and others, I

have been prodded and compelled to appear frequently in a private prima facie international municipal jurisdiction not of my choosing.

5. Your affiant clearly understands that the term "United States" has three different meanings per Hooven & Allison vs. Evatt, **324 US 652**; and must be defined with respect to issues of law and citizenship context.
 - a. "The term 'United States' may be used in any one of the following senses: (1) It may merely be the name of a sovereign occupying the position analogous to that of other sovereigns in the family of nations or, (2) it may designate the territory over which the United States is sovereign or, (3) it may be the collective names of the several states which are united by and under the Constitution." Hooven & Allison vs. Evatt, **324 US 652** (definitions hereinafter referred to as 1st Hooven, 2nd Hooven, etc.)
 - b. "A person is born subject to the jurisdiction of the United States, for purposes of acquiring citizenship at birth, if this birth occurs in a territory over which the United States is sovereign" [2nd Hooven]. **3 Am.Jur. 1420.**
 - c. "The United States government is a foreign corporation with respect to a state. NY in re Merriam. **41 Led 287.**
6. Any and all private contracts or agreements which would tend to indicate that your affiant is a "U.S./District of Columbia federal citizen/person or government entity; a citizen of the federal government by commercial status, are hereby declared to be null and void. Your affiant declares that any contract/agreement was not entered into willingly but was the result of coercion and/or fraud.
7. Your affiant declares that she is not a "resident of", an "inhabitant of", or "domiciled within" the United States [2nd Hooven].
8. Based on the above declarations, all obligations implied by the presumption that your affiant is a "U.S./District of Columbia federal citizen/person or government entity" are null and void.

Under the laws of the United States of America I declare that the foregoing is true, accurate and complete to the best of my knowledge and political will.
