SURVEY FOR

**JOAN GIFT**

SKAMANIA CO., WASHINGTON

#2684 Copyright 2009 KW

**NARRATIVE:**  
We were requested by our client's attorney to set a field date to locate the easement driveway and an adjacent small creek. Work was scheduled for March 2, 2009 so that our work could be videotaped and witnessed by the attorney. Some additional ties to the driveway ditch line were made on March 5 as the previous ties were not adequate to define that line to write an easement on the Warfield property to the West.
