The Grantors hereby warrant that said Grantors are the owner in fee simple absolute of the above-described property and every part thereof and the same is free from all liens and encumbrances. TO PROTECT THE SECURITY OF THIS DEED OF TRUST, GRANTORS AGREE:

1. **Preservation and Maintenance of Property:** To keep said property in good condition and repair; not to permit or suffer any extraordinary repairs or removal or demolition of, or a structural change in any building, fixture, equipment, or other improvement on said property except with the written consent of Beneficiary, which consent shall not be unreasonably withheld so long as the improvement will not decrease the value of said property; to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property or requiring any alteration or improvements to be made thereon; not to commit or permit waste thereon; not to commit, suffer or permit any act upon said property in violation of law.

2. **Use of Property:** Unless required by applicable law or unless Beneficiary has otherwise consented in writing, which consent shall not be unreasonably withheld, Grantors shall not allow changes in the nature of the occupancy for which the property was intended at the time this Deed of Trust was executed. Grantors shall not initiate or acquiesce in any change in the zoning classification of the property without Beneficiary's written consent. Grantors further

represent that the property is not used principally for agricultural or farming purposes.

3. **Hazard Insurance:** To keep the buildings and improvements now and/or hereafter placed upon the said premises unceasingly insured against loss by fire and other hazards in an amount not less than the balance owing on the obligations secured hereby, the insurance to be payable in case of loss to the Beneficiary as their interest may appear and proof of all renewal policies to be delivered to the Beneficiary at least ten (10) days prior to the expiration of the policy or policies renewed. All insurance policies covering any structure upon said premises, regardless of amount, shall be payable as aforesaid, shall be carried in companies approved by Beneficiary, and delivered to the Beneficiary. Beneficiary, in case of loss, may make proof of claim. The amount collected under any fire or other insurance policy may be applied by the Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, without regard to whether or not their security is impaired, or at the sole and absolute option of Beneficiary the entire amount so collected or any part thereof may be released to Grantors, but in any event Beneficiary may deduct and retain from the proceeds of such insurance the amount of all expenses including attorney's fees incurred by them in connection with any such settlement. Such application or release shall not cure or waive any default or notice of default hereunder or validate any act done pursuant to such notice.

4. **Litigation:** To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding, or appeal therefrom, in which Beneficiary or Trustee may appear.

5. **Taxes:** To pay, before delinquent, all lawful taxes and assessments upon the property; to keep the property free and clear of all other charges, liens, or encumbrances impairing the security of this Deed of Trust or the debt secured thereby and to deliver to Beneficiary upon request the official receipt or receipts showing payment thereof, all costs, fees and expenses of this trust.

6. **Protection of Security:** Should Grantors fail to make any payment or to do any act as provided for in this Deed of Trust, the Beneficiary or Trustee, without obligation so to do and without notice to or demand upon Grantors and without releasing Grantors from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary being authorized to enter upon said property for such purpose. The Beneficiary may at any time, prior to full payment of all sums secured by this Deed of Trust, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary; pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any power conferred by this Deed of Trust, pay necessary expenses, employ counsel and pay reasonable fees. Grantors agree to repay immediately and without demand all sums so expended by Beneficiary or Trustee including attorney's fees with interest

from the date of expenditure at the rate provided in the Promissory Note.

IT IS MUTUALLY AGREED THAT:

7. **Condemnation:** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of or damage or injury to said property, or any part thereof, or for conveyance in lieu of condemnation thereof are hereby assigned to and shall be paid to Beneficiary. In addition, all causes of action, whether accrued before or after the date of this Deed of Trust, of all claims for damages or injury to said property or any part thereof, including without limitation causes of action arising in tort or contract and causes of action for fraud or concealment or a material fact, are hereby assigned to Beneficiary and the proceeds shall be paid to Beneficiary. Beneficiary may elect, in his sole and absolute discretion, without regard to whether or not his security is impaired, to apply any and all such sums on any portion of the indebtedness selected by them, whether then matured or subsequently to mature, or to release the entire amount so received by them or any part thereof. To the extent such proceeds exceed the unpaid indebtedness, such proceeds shall be released to Grantors.

8. **Forbearance:** By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare defaults for failure so to pay.

9. **Grantors and Lien Not Released:** At any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and said Promissory Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may reconvey all or any part of said property.

10. **Reconveyance:** Upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed of Trust and Promissory Note to Trustee for cancellation and retention and upon payment of his fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matter or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto".

11. **Successor Trustee:** The Beneficiary may from time to time appoint another Trustee or Trustees to execute the trusts hereby created, such appointment to be written and acknowledged and filed in the office of the County Auditor where this Deed of Trust is filed or recorded. Any Trustee or Trustees so appointed shall be vested with all the title and powers and subject to all the trusts conferred hereby.

12. **Events of Default:** Time is material and of the essence hereof. If Grantors do not pay the secured indebtedness as provided, or if Grantors do not comply with the terms and conditions of this Deed of Trust, or if a proceeding under any bankruptcy, receivership or insolvency laws be instituted by or against Grantors, or if the Grantors make an assignment for the benefit of creditors, this Deed of Trust shall be in default. Any default under this Deed of Trust shall constitute a default under the Promissory Note which it secures.

13. **Remedies:** Upon the happening of any of the foregoing events of default, Beneficiary shall have, in addition to all other rights and remedies at law or in equity, the following rights and remedies: (a) to declare any and all indebtedness secured by this Deed of Trust to be immediately due and payable provided, a 30-day demand has been given in writing by Beneficiary to Grantors and the default remains incurred after such notice; (b) to apply for, with or without notice to Grantors, upon filing a suit or enforce or preserve its rights under this Deed of Trust, the appointment of a receiver, without bond, to take possession of the property and the rents, issues, profits and proceeds affecting the property; (c) to cause foreclosure of this Deed of Trust non-judicially or judicially under the State of Washington statutes, and (d) all other rights and remedies provided for in this Deed of Trust. All rights and remedies of Beneficiary provided for in this Deed of Trust are intended to be cumulative and not in substitution for any right or remedy otherwise available to Beneficiary. Grantors hereby waive any right to require Beneficiary to marshal, or to foreclose in the inverse order of alienation, any of the above-described property or any other collateral securing Grantors' indebtedness to Beneficiary.

14. **Binding Effect:** This deed applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgee, of the Promissory Note secured hereby, whether or not named as Beneficiary herein. In this Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

15. **Transfer of Property:** This loan is personal to Grantors and not assignable. In making it, the Beneficiary has relied on Grantors' credit, Grantors' interest in the trust property, and financial and market conditions at the time this loan is made. During the term of this Deed of Trust, if the Grantors sell, transfer, attempt to assign part or any interest in the Promissory Note which evidences the indebtedness owed by Grantors to Beneficiary or the real property which is the security for the Promissory Note, or contracts to transfer title to all or a part of the real property which is the security for the Promissory Note by deed, contract of sale, assignment, mortgage, or similar agreement, whether voluntarily or by operation of law or otherwise, without the prior written consent of Beneficiary, the entire principal balance plus accrued interest shall, at the option of Beneficiary, become immediately due and payable without notice.

16. **Late Charge:** If any payment is not paid within fifteen (15) days of the due date thereof, Grantors shall pay a "late charge" equal to five (5%) percent of any installment to cover

the extra expense involved in handling delinquent payments.

17. **Proceeds:** Grantors, for themselves, and for all persons hereafter claiming through or under them or who may at any time hereafter become holders of liens junior to the lien of this Deed of Trust, hereby expressly waives and releases all rights to direct the order in which any of the property shall be sold in the event of any sale or sales pursuant hereto and to have any of said property and/or other property now or hereafter constituting security for and of the indebtedness secured hereby marshalled upon any foreclosure of this Deed of Trust or of any other security for any of said indebtedness.

18. **Severability:** In the event any one or more of the provisions contained in this Deed of Trust shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Deed of Trust, but this Deed of Trust shall be construed as if such invalid, illegal or unenforceable provision has never been contained herein.

19. **Washington Law:** This Deed of Trust is to be construed and enforced according to and governed by the laws of the State of Washington.

20. **Security Agreement:** Grantors hereby agree that this Deed of Trust shall be construed as a security agreement under Article 9 of the Washington Uniform Commercial Code. At Beneficiary's request, Grantors agree to execute and deliver such financing and continuation statements as Beneficiary may require to perfect their security interest under the Uniform Commercial Code.
