When drawing your claim(s), use an ordinary ruler. 1/8 of an inch equals 100 feet. Therefore a full sized lode claim (600' x 1500') would be 3/4" by 1-7/8". A full size, 20-acre placer claim (660' x 1320' - not an association placer mining claim) would be 1-5/8" by 13/16".
