DEED IN LIEU OF FORECLOSURE

Dennis Foster, a single man, ("Grantor"), conveys to David Taylor and Teena Taylor ("Grantee"), the following real property (the "Property"):

Lot 12, Block A, The Town of Carson, according to the recorded Plat thereof, recorded in Book "A" of Plats, Page 23, in the County of Skamania, State of Washington, EXCEPT the West 15 feet thereof.

SUBJECT TO: General Exceptions to title. Skamania County Assessor Date 6-27-12 Parcel 3-8-29-1-1-1100-00 *LM*

Together with all Grantor's right, title, and interest in any land sale contract or lease option agreement involving the Property and together with all personal property on or in the Property. Grantor is the owner of the Property free and clear of all encumbrances except for the Trust Deed described below.

Grantor executed and delivered to Grantee a Trust Deed, recorded on April 28, 2006, as Number 2006161347, Records of Skamania County, Washington, to secure payment of a Promissory Note in the sum of \$70,000. The Note and Trust Deed are in default and the Trust Deed is subject to foreclosure. In consideration of Grantee's acceptance of this deed in lieu of foreclosure (this "Deed") and waiver of the right to collect against Grantor on Note, Grantee may retain all payments previously made on the Note, with no duty to account therefore.

This Deed is intended as a conveyance absolute in legal effect, as well as in form, of the title to the Property to Grantee and this Deed is not intended as security of any kind. Grantor waives, surrenders, and relinquishes any equity of redemption and statutory rights of redemption that Grantor may have in connection with the Property and the Trust Deed.

Grantor warrants that during the time period that the Property was owned by Grantor, the Property was never used for the generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous substance, as those terms are defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), as amended, 42 USC §9601 et seq., the Superfund Amendments and Reauthorization Act (SARA), other applicable state or federal laws, or regulations adopted pursuant to any of the foregoing. Grantor agrees to indemnify and hold Grantee harmless against any and all claims and losses resulting from a breach of this warranty.

This Deed does not effect a merger of the fee ownership and the lien of the Trust Deed described above. The fee and the lien shall hereafter remain separate and distinct.

Grantee reserves its right to foreclose its Trust Deed at any time as to any party with any claim, interest, or lien on the Property.

Grantor has read and fully understands the above terms and is not acting under misapprehensions regarding the effect of this Deed, nor is Grantor under any duress, undue influence, or misrepresentations of Grantee, Grantee's agents, lawyers, or any other person.

Grantee does not expressly or impliedly agree to assume or pay any contract balances, debts, liens, charges, or obligations that relate or attach to the Property.

DATED this 25 day of January, 2011.
