This Limited Power of Attorney is being issued in connection with Servicer's responsibilities to service certain mortgage loans (the "Loans") held by the Trustee. These Loans are secured by collateral comprised of Mortgages, Deeds of Trust, Deeds to Secure Debt and other forms of Security instruments (collectively the "Security Instruments") encumbering any and all real and personal property delineated therein (the "Property") and the Notes secured thereby. Please refer to Schedule A attached hereto.

1. Demand, sue for, recover, collect and receive each and every sum of money, debt, account and interest (which now is, or hereafter shall become due and payable) belonging to or claimed by the Trustee, and to use or take any lawful means for recovery by legal process or otherwise, including but not limited to the substitution of trustee serving under a Deed of Trust, the preparation and issuance of statements of breach, notices of default, and/or notices of sale, accepting deeds in lieu of foreclosure, evicting (to the extent allowed by federal, state or local laws) foreclosing on the properties under the Security Instruments by judicial or non-judicial foreclosure, actions for temporary restraining orders, injunctions, appointments of receiver, suits for waste, fraud and any and all other tort, contractual or verifications in support thereof, as may be necessary or advisable in any bankruptcy action, state or federal suit or any other action.

2. Execute and/or file such documents and take such other action as is proper and necessary to defend the Trustee in litigation and to resolve any litigation where the Servicer has an obligation to defend the Trustee, including but not limited to dismissal, termination, cancellation, rescission and settlement.
3. Transact business of any kind regarding the Loans, as the Trustee's act and deed, to contract for, purchase, receive and take possession and evidence of title in and to the Property and/or to secure payment of a promissory note or performance of any obligation or agreement relating thereto.
4. Execute, complete, indorse or file bonds, notes, mortgages, deeds of trust and other contracts, agreements and instruments regarding the Borrowers and/or the Property, including but not limited to the execution of estoppel certificates, financing statements, continuation statements, releases, satisfactions, assignments, loan modification agreements, payment plans, waivers, consents, amendments, forbearance agreements, loan assumption agreements, subordination agreements, property adjustment agreements, management agreements, listing agreements, purchase and sale agreements and other instruments pertaining to mortgages or deeds of trust, and execution of deeds and associated instruments, if any, conveying the Property, in the interest of the Trustee.
5. Endorse on behalf of the undersigned all checks, drafts and/or other negotiable instruments made payable to the undersigned.
6. Execute any document or perform any act in connection with the administration of any PMI policy or LPMI policy, hazard or other insurance claim relative to the Loans or related Property.
7. Execute any document or perform any act described in items (3), (4), and (5) in connection with the termination of any Trust as necessary to transfer ownership of the affected Loans to the entity (or its designee or assignee) possessing the right to obtain ownership of the Loans.
8. Subordinate the lien of a mortgage, deed of trust, or deed to secure debt (i) for the purpose of refinancing Loans, where applicable, or (ii) to an easement in favor of a public utility company or a government agency or unit with powers of eminent domain, including but not limited to the execution of partial satisfactions and releases and partial reconveyances reasonably required for such purpose, and the execution or requests to the trustees to accomplish the same.
9. Convey the Property to the mortgage insurer, or close the title to the Property to be acquired as real estate owned, or convey title to real estate owned property ("REO Property").
10. Execute and deliver the following documentation with respect to the sale of REO Property acquired through a foreclosure or deed-in-lieu of foreclosure, including, without limitation: listing agreements; purchase and sale agreements; grant / limited or special warranty / quit claim deeds or any other deed, but not general warranty deeds, causing the transfer of title of the property to a party contracted to purchase same; escrow instructions; and any and all documents necessary to effect the transfer of REO Property.

Servicer hereby agrees to indemnify and hold the Trustee, and its directors, officers, employees and agents harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever incurred by reason or result of the exercise by the Servicer of the powers specifically granted to it under the related servicing agreements. The foregoing indemnity shall survive the termination of this Limited Power of Attorney and the related servicing agreements or the earlier resignation or removal of the Trustee under the related servicing agreements listed on Schedule A, attached.
