DISASTER

14. In the event the leased premises are destroyed or injured by fire, earthquake or other casualty so as to render the premises unfit for occupancy, and the Lessor(s) neglects and/or refuses to restore said premises to their former condition, then the Lessee may terminate this Lease and shall be reimbursed for any unearned rent that has been paid. In the event said premises are partially destroyed by any of the aforesaid means, the rent herein agreed to be paid shall be abated from the time of occurrence of such destruction or injury until the premises are again restored to their former condition, and any rent paid by the Lessee during the period of abatement shall be credited upon the next installment(s) of rent to be paid. It is understood that the terms "abated" and "abatement" mean a pro rata reduction of area unsuitable for occupancy due to casualty loss in relation to the total rented area.

NO GUARANTEES

15. It is understood that no guarantees, express or implied, representations, promises or statements have been made by the Lessee unless endorsed herein in writing. And it is further understood that this Lease shall not be valid and binding upon the State of Washington, unless same has been approved by the Director of the Department of Enterprise Services of the State of Washington or his or her designee and approved as to form by the Office of the Attorney General. Any amendment or modification of this Lease must be in writing and signed by both parties.

ENERGY CONSERVATION

16. Lessor has conducted an energy walk-through survey of the leased premises using the DES walk-through survey form. The survey is for the purpose of identifying improvements to maintenance and operating conditions and procedures that would conserve energy. The Lessor shall provide DES with a copy of the completed walk-through form and as soon as practicable thereafter, implement identified improvements to energy conservation maintenance and operating procedures. Any measures required to be implemented will fall within the 2005 Leased Space Requirements.

REIMBURSEMENT FOR DAMAGE TO PREMISES

17. The Lessee hereby agrees to reimburse the Lessor for damages caused by the negligence of its employees, clients and agents, but in no event shall this paragraph be construed as diminishing the Lessor's duty to make repairs as set forth in preceding paragraphs of this Lease, or as making Lessee responsible for the repair of normal wear and tear.

HAZARDOUS SUBSTANCES

18. Lessor warrants to his/her knowledge that no hazardous substance, toxic waste, or other toxic substance has been produced, disposed of, or is or has been kept on the premises hereby leased which if found on the property would subject the owner or user to any damages, penalty, or liability under any applicable local, state or federal law or regulation.

Lessor shall indemnify and hold harmless the Lessee with respect to any and all damages, costs, attorneys' fees, and penalties arising from the presence of any hazardous or toxic substances on the premises, except for such substances as may be placed on the premises by the Lessee.

CANCELLATION/SUPERSESSION

21. This Lease cancels, supersedes, or replaces SRL 12-0066 dated May 14, 2012, and all modifications thereto effective July 1, 2017.

DUTY TO CURE

22. Upon receiving notice of a condition requiring a cure, the party obligated to effect the cure shall initiate and complete cure or repair of such condition within a reasonable time. A condition requiring cure includes, without limitation: (1) a condition for which the Lease requires either party to undertake repair/ replacement and/or other maintenance of the Premises, (2) a condition where either has failed to maintain a service or utility account in good standing as required by the Lease, and (3) any other condition resulting from a party's failure to carry out any obligation under the Lease, including without limitation obligations for rent, charges, improvements, alterations, and/or deferred maintenance, and remediation of damages for which a party is responsible under the Lease. Premises include all fixtures and equipment provided within the Premises by the Lessor.

The term "reasonable time" as used within this paragraph of the Lease shall mean as soon as reasonably possible but no longer than thirty (30) days, unless either (1) an emergency condition exists requiring an immediate cure to promptly begin without delay, usually within hours and to be complete within 24 hours to the extent reasonably possible in light of the nature of the condition and circumstances, or (2) a non-emergency condition exists that is not reasonably possible to cure within 30 days with due diligence and the breaching party provides the level of cure or preparation for cure that is reasonably possible to do with due diligence within 30 days.

If an emergency or non-emergency condition exists that is not reasonably possible to completely cure within 24 hours or 30 days, respectively, the party obligated to cure shall so notify the other party within 24 hours or 30 days, respectively. Such notice shall explain why the cure is not reasonably possible with due diligence to complete within 24 hours (if an emergency) or 30 days (if a non-emergency) and provide the earliest date that the work can be completed as soon as reasonably possible. It is not a justifiable ground for delay that the party obligated to effect the cure does not have available funding to accomplish to cure or that a preferred contractor has limited availability if other contractors can satisfactorily perform the work sooner at reasonable cost.

The term "emergency condition" shall mean a condition requiring a cure that (i) prevents or substantially disrupts the Lessee from using all or a substantial part of the premises, or (ii) causes or substantially threatens to cause injury to persons or damage to property or raises a substantial danger to the health or safety of any persons on or using the premises. Notice under this paragraph may be by the means allowed in the Notice paragraph, but in addition includes actual notice/awareness that Lessor or Lessee has of a condition independent of any such notice.

SELF HELP

23. If the party obligated to effect the cure does not cure within the time required by this Lease, the other party may cure all or part of the default after providing notice to the party obligated to effect the cure of its intent to perform such cure, and, if applicable, recover the costs incurred in curing the default. If the nonbreaching party is the Lessee, the Lessee may deduct all reasonable costs incurred from rent or other charges owed to Lessor. If the nonbreaching party is the Lessor, Lessor will submit properly executed vouchers and proof of payment to Lessee and Lessee shall remit payment to Lessor within thirty (30) days or as soon as is practicable. A party's costs incurred to cure include, but are not limited to, all reasonable out-of-pocket expenses, payment of unpaid utility or services charges for which the other party is responsible, and all administrative costs the non-breaching party reasonably incurs and documents in performing or arranging for performance of the cure.

Lease No. SRL 16-0115

October 20, 2016

Page 7 of 10

The nonbreaching party is under no obligation to cure some or all of the default of the breaching party. To the extent that the nonbreaching party does not cure the default, the nonbreaching party may pursue its legal and contractual remedies against the breaching party. The nonbreaching party's failure to cure the breaching party's default does not waive the nonbreaching party's rights to relief. Nothing herein removes or lessens either party's obligation to mitigate damages.

If the Lessee elects to cure using self-help in part or whole, the Lessor shall defend, save, and hold harmless the Lessee, its authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever arising out of or in connection with such cure, except where RCW 4.24.115 is applicable and injuries and/or damages are caused by the sole negligence of the Lessee, its agents, or employees. If RCW 4.24.115 is applicable and liability for damages arises out of bodily injury to persons or damages to property and is caused by or results from the concurrent negligence of the Lessee, its agents, or employees, Lessor's liability, including the duty and cost to defend, hereunder shall apply only to the extent of the negligence of Lessor, its agents, or employees.

DEFAULT LEADING TO TERMINATION

24. If either party fails to initiate and complete cure of a condition requiring cure within a reasonable time after receiving notice of such condition, the nonbreaching party may initiate a default leading to termination of the Lease by providing written notice to the breaching party of the continuing breach. If the breaching party does not complete the cure of the breach within 60 days after receiving such written notice initiating default leading termination, the nonbreaching party may at such time, or at a later date if the cure has still not been completed, declare a termination by default by so notifying the breaching party. Cure of a condition after a valid notice of termination by default is provided shall void a valid notice of termination of the Lease.

If a termination by default is declared or a court so orders, the date of termination shall be determined based on the earliest reasonable date that the Lessee may move and relocate from premises or as agreed by the parties. The determination shall be made in light of available funding for the move, the date at which suitable replacement premises can be fully available, and the time reasonably needed to plan and complete the move.

WITHHOLDING OF RENT PAYMENTS

25. If the Lessor fails to maintain, repair and/or improve the premises as set forth herein, the Lessee may, if authorized by the Department of Enterprise Services, withhold ten percent (10%) of rent payments until such time as Lessor completes deficient maintenance, repair and/or improvements. Upon receipt of documentation of Lessor's noncompliance with maintenance, repair and/or improvement provisions and a written request to withhold rent payments from the Lessee, the Department of Enterprise Services shall provide Lessor with a list of deficient maintenance, repair and/or improvement items and notify Lessor that Lessee has been authorized to withhold rent payment until deficient maintenance, repair and/or improvements have been completed. Lessee shall place all withheld rent payments in an interest bearing account. Withheld rent payments plus accrued interest will be remitted to Lessor after the Department of Enterprise Services verifies that Lessor has satisfactorily completed all maintenance, repair and/or improvements and authorizes Lessee to remit the withheld rent. Nothing in this provision shall limit other remedies which may be available to Lessee under this Lease.

CONDEMNATION

26. If any of the premises or the Building, as may be required for the reasonable use of the premises, are taken by eminent domain, this Lease shall automatically terminate as of the date Lessee is required to vacate the premises and all rentals shall be paid to that date. In case of a taking of a part of the premises, or a portion of the Building not required for the reasonable use of the premises, at Lessee's determination, then the Lease shall continue in full force and effect and the rental shall be equitably reduced based on the proportion by which the floor area of the premises is reduced, such rent reduction to be effective as of the date possession of such portion is delivered to the condemning authority. Lessor reserves all rights to damages and awards in connection therewith, except Lessee shall have the right to claim from the condemning authority the value of its leasehold interest and any relocation benefits.

MONTH TO MONTH TENANCY

27. If Lessee remains in possession of the premises after the expiration or termination of the Lease term, or any extension thereof, such possession by Lessee shall be deemed to be a month-to-month tenancy, terminable as provided by law. During such month-to-month tenancy, Lessee shall pay all rent provided in this Lease or such other rent as the parties mutually agree in writing and all provisions of this Lease shall apply to the month-to-month tenancy, except those pertaining to term and option to extend.

SUBORDINATION

28. So long as Lessor has fully performed under the terms of this Lease, Lessee agrees to execute, within ten (10) days of written request by Lessor, the state's standard Tenant Estoppel and Subordination Agreements which have been approved as to form by the Office of the Attorney General. A \$400.00 processing fee will be assessed for processing these documents.

CAPTIONS

29. The captions and paragraph headings hereof are inserted for convenience purposes only and shall not be deemed to limit or expand the meaning of any paragraph.

INTEGRATED DOCUMENT

30. This Lease and the exhibits hereto constitute the entire agreement between the parties with respect to the lease of Premises and supersedes all prior and contemporaneous agreements and understandings between the parties hereto relating to the subject matter hereof.
