### ACCESS EASEMENT

This Easement is executed by Vince W. Good, Trustee of the Virginia A. Good Revocable Trust U/A/D 2-25-1999 ("Grantor") and Northwest Logging Company LLC, a Washington limited liability company ("Grantee").

#### Recitals

Grantor owns fee title to the parcel of land in Skamania County, Washington, described on Exhibit A attached hereto (hereinafter the "Grantor Tract"). Grantee owns fee title to adjoining tracts of land described on Exhibit B attached hereto (hereinafter the "Grantee Tracts"). In connection with the logging operations to be conducted by Grantee on the Grantee Tracts, Grantee has requested Grantor to establish an easement for the benefit of the Grantee Tracts.

#### Grant

Therefore, in consideration of the premises and other valuable consideration, the receipt and sufficiency of which are acknowledged, Grantor and Grantee agree as follows:

1. **Grant of Easement.** Grantor grants to Grantee, for the benefit of the Grantee Tracts, a private, perpetual, nonexclusive easement (the "Easement") over and across the Grantor Tract, to be known as the "Easement Area", and consisting of the existing roadways across the Grantor Tract. The Easement will be used for the purposes of providing vehicular access to and from the Grantee Tracts (the "Roads"). The Easement may be used for such ingress and egress relating to activities commonly associated with forest practices on the Grantee Tracts and any other activity commonly associated with such an easement, by Grantee, its successors in ownership of the Grantee Tracts, and the tenants, invitees, agents, contractors, subcontractors and employees of Grantee and such successors (collectively, the "Users"), such use to be in common with use of the Easement Area by the owner of the Grantor Tract and its tenants, invitees, agents, contractors, subcontractors, employees, successors, and assigns. No above-ground structures, barriers, fences, buildings, or other improvements of any kind will be installed in the Easement Area. Grantor reserves the right to

V.W.G. 06

install surfaces, and other improvements in the Easement Area from time to time, together with the right to grant to third parties any of such reserved rights, as long as such use does not unreasonably interfere with Grantee's permitted uses of the Easement.

2. **Nature of Easement.** The Easement granted herein will be appurtenant to, and for the benefit of, the Grantee Tracts. Any conveyance of fee title to the Grantee Tracts [or any portion thereof] will include a conveyance of the Easement, regardless of whether the Easement is specifically identified in the instrument of conveyance.

3. **Maintenance.** The owner of the Grantee Tracts (the "Owner") will, at its sole cost and expense, repair any damage to the Easement Area caused by any Users. Should the Owner fail to correct any deficiency in its compliance with such repair obligation (an "Uncured Deficiency") prior to the expiration of 30 days after the effective date of notice of such Uncured Deficiency from Grantor, then Grantor, at its option (without any obligation to do so), may correct the Uncured Deficiency for the account of Owner, who will reimburse Grantor for all expenses incurred by Grantor in curing such default, together with interest thereon at the rate of 12 percent per annum from the date expended until the date reimbursed to Grantor. Grantor will have no obligation to maintain or repair the Easement Area, and Owner and any parties claiming by, through, or under Owner will be deemed to have elected to use the Easement at their sole risk. Owner, after reasonable notice to Grantor, may make repairs and surface improvements to the Easement Area from time to time at its sole risk and expense. Owner shall restore the roadways, at Owner's expense, to at least the condition existing on the date of execution of this Easement, if the roadways are damaged from usage associated with logging operations, such restoration to be completed within 30 days after logging operations cease unless not reasonably possible based on weather conditions.

4. **Indemnity; Attorney Fees.** Owner will indemnify and hold Grantor harmless from and against all claims, damages, losses, causes of action, costs, and expenses (including, without limitation, attorney fees), which may be asserted against or incurred by Grantor as a result of any act or omission of Owner or its agents, contractors, employees, tenants, or invitees related to the use of the Easement Area by any Users. In the event of any litigation or other proceedings brought to enforce or interpret this Easement, the prevailing party in such proceedings will be entitled to recover from the other party the reasonable attorney fees and other costs incurred by the prevailing party in the proceedings or any appeal therefrom.

5. **Successors.** This Easement will be binding on, and inure to the benefit of, the owners of the Grantor Tract and the Grantee Tracts and their respective heirs, successors, and assigns.

6. **Relocation.** The owner of the Grantor Tract will have the right, at its option, to relocate the Easement Area to another course over and across the Grantor Tract from time to time, provided that: (i) the party electing to relocate the Easement Area provides the owner of the Grantee Tracts with 30 days' advance notice of its intent to exercise its relocation option; (ii) the party electing to undertake the relocation pays all expenses associated with such relocation; (iii) the relocated Easement Area provides access to the Road consistent with the access previously provided, and connects to the Grantee Tracts at the same point of the initial Easement Area; and

V.W.G. D6

(iv) the party electing to undertake such relocation improves the relocated Easement Area to the condition of the Easement Area existing prior to the relocation.

7. **Amendment.** This Agreement may only be amended by written instrument executed by the then current owners of the Grantor and Grantee Tracts.

8. **Notices.** Any notice required or permitted by this Easement must be in writing and given by delivering the same in person to the recipient or by sending the same by registered or certified mail, return receipt requested, with postage prepaid, to the address of the owner of the Grantor or Grantee Tracts, as applicable, as shown on the current records of the tax assessor for Skamania County, Washington, with respect to the Tract in question.
