## CABIN SITE LEASE

WATER FRONT RECREATION, INC., a Washington corporation, hereinafter called "Lessor," in consideration of the rents to be paid and covenants to be performed by FRANK E. and REBECCA J. HURLBY/TT, 7955 S.W. 185th, Beaverton, Oregon 97005

hereinafter called "Lessee," leases to Lessee the following described cabin site on the terms and conditions stated herein:

Cabin site number 5 of the North Woods as shown in red on Exhibit "A" attached hereto, all distances being approximate, being part of Government Lots 1 and 8, Section 26, Township 7 North, Range 8 East, W.M. Skamania County, Washington.

SUBJECT: however to an easement for right of way for access road acquired by the United States of America, United States Forest Service.

## SECTION 1. OCCUPANCY

1.01 Term. This Lease is granted for the period beginning September 15, 1973, and terminating on June 1, 2005, unless sooner terminated as hereinafter provided.

1.02 Master Lease. Lessor holds the above described premises under a lease, hereinafter referred to as the "master lease," dated August 11, 1970, from the State of Washington, acting by and through the Department of Natural Resources.

1.03 Master Lease Incorporated. The master lease is on file with Lessor and is available for inspection. Lessee's rights hereunder are subject to all the terms, provisions, exceptions and reservations set forth in said master lease (as to which Lessee is a sub-lessee) and incorporated herein by reference, including without limiting the foregoing an easement for right of way for an access road acquired by the United States of America, United States Forest Service and the right of the State of Washington to inspect the premises at reasonable times.

## SECTION 2. RENTAL

2.01 Basic Rental. As rental for each lease year, the Lessee shall pay the sum of FOUR Hundred Seventy-Five Dollars (\$ 475.00). Rent shall be paid in advance, on the first day of September in each year, hereinafter referred to as the "anniversary date." All payments shall be made to Lessor at Beaverton, Oregon, or at such other place at which the Lessor may notify the Lessee in writing. Rent for the fraction of any lease year shall be prorated. The lease year shall be from September 1 through the succeeding August.

2.02 Rent Adjustments. Lessor may, as of any anniversary date, increase the annual rental as follows:

(a) Under the master lease, Lessor's rental to the State of Washington may be increased on June 1, 1980, and at intervals of not less than ten (10) years thereafter. Lessor may increase Lessee's rental hereunder at such times as Lessor's rental under the master lease is increased. The amount of such increase that the Lessee shall be responsible for and required to pay shall equal the total annual rental increase under the master lease to Lessor multiplied by the Lessee's annual rental to the Lessor divided by the total annual rental of the Lessees of the sites in the North Woods. Annual rental as used herein shall mean the total rent the Lessee is required to pay to Lessor for the year immediately preceding the year of the increase. The aforesaid formula is illustrated as follows:

Lessee's share of increase	=	Increase under master lease to Lessor	X	Lessee's annual rental	total annual rentals of sites
----------------------------	---	---------------------------------------	---	------------------------	-------------------------------

(b) In addition to the increase permitted under subparagraph (a) above, Lessor may as of any anniversary date, increase the annual rental hereunder on account of taxes and assessments against said real property in an amount, which together with prior increases on account of taxes and assessments, shall not exceed the total of the amount by which taxes and assessments on the land covered by the master lease exceeds such taxes for 1970 divided by the number of cabin sites on said anniversary date.

(c) Finally, every ten years beginning September 1, 1980, the annual rental shall, at the option of the Lessee, be adjusted to reflect the percent of increase from September 1, 1970, in the Consumer Price Index as published by the Bureau of Labor Statistics, U.S. Department of Labor; that is, the annual rental each year for the succeeding ten years shall be increased as compared with the annual rental set forth herein by the same percentage as the increase in said Consumer Price Index differs from said index for September 1, 1970.

3.02 Reversion. Termination. It is expressly understood that Lessee has leased the premises from the State of Washington for a period ending June 1, 2025. The master lease provides that in the event it is terminated for any reason whatsoever, prior to said termination date, such termination shall operate as an assignment to the State of Washington of all lease together with the unrestricted right of the State to receive payment of the rents herein provided from the date of said assignment.

3.03 Failure to Provide Property Report. Lessee shall have the option to void this lease if he does not receive a property report prepared pursuant to the rules and regulations of the U.S. Department of Housing and Urban Development, in advance of, or at the time of, his signing the lease; and Lessee shall have the right to revoke this lease within 48 hours after signing the lease if he did not receive the property report at least 48 hours before signing the lease. However, this option to void the lease shall not apply where Lessee has received the property report and executed the lot or lots to be leased in advance of signing this lease and acknowledges by his signature that he has made such inspection and has read and understands such report.

Lessee shall have the option to void this lease if he does not receive a property report prepared and pursuant to rules and regulations of the Oregon Subdivision Control Law ORS 92.210 - 92.990 in advance of his signing this lease.

Each and every provision of this lease shall bind and shall inure to the benefit of the respective heirs, executors, administrators, successors and assigns of the parties. In the event Lessee is more than one person, the liability of such persons hereunder shall be joint and several.

Five foot easements are reserved to the Lessor and its assigns on the southerly lot line of Lot 10, and the northerly lot line of Lot 11 for access to the water front. **3.02 Reappraisal.** On June 1, 1980, and at intervals of not less than ten years thereafter for the period of June 1, 1980 to June 1, 2024, a new annual rental will be established. The new rental will be the Fair Market Rental Value of the leased land, exclusive of the Lessee's improvements, as determined by the State's appraiser. In determining Fair Market Rental Value the appraiser will consider any tax benefits afforded the land and improvements accruing to the Lessee by reason of leasing State land in comparison to leasing privately owned land, and adjust the rental to eliminate any tax advantage. The land shall be appraised within six months of a rental adjustment period, provided that in the event such reappraisals should be cause for an increase in the annual rental, such increase shall not be greater than 40% of the annual rental as established for the preceding ten year rental period. However, in no event will the adjusted annual rental be less than \$11,200.00.

The annual rental payable in advance September 15, 2025 and each succeeding year thereafter to the end of the lease term under Section 3.01 shall be based upon the full Fair Market Rental Value of the leased land, exclusive of any improvement of the Lessee or Sub-lessees. Such full Fair Market Rental Value shall be determined by the State's appraiser and shall be binding unless disputed by the Lessee. The annual rental shall be adjusted as of June 1, 2025 and at five year intervals thereafter. There shall be no limitation (40% or otherwise) upon any increase or decrease in rent needed to achieve full Fair Market Rental Value of the leased lands as compared to any prior annual rental.

In the event that agreement cannot be reached between the State and the Lessee on the Fair Market Rental Value of the land, such valuation shall be submitted to arbitration. The arbitration shall be as follows: One arbitrator to be selected by the Lessee and his expenses shall be borne by the Lessee; one arbitrator selected by the State and his expenses shall be borne by the State; these arbitrators so selected shall mutually select a third arbitrator and his expenses shall be shared equally by the Lessee and the State. The majority decision of these arbitrators shall be binding on both parties. Provided that in the event of arbitration, the Lessee shall pay, in advance, the amount established for the preceding year's rental; and, if additional rental is required as a result of arbitration, such money shall be due and payable within ten days after arbitration. If a refund should be due, it shall be returned by the State within ten days after arbitration.

**3.03 Percentage Rental From Subleases.** In addition to the annual rental, the Lessee will pay to the State as additional rental an amount equal to 10% of the gross receipts from subleases and 5% of the gross receipts from concessions. Any increase in a sublease rental which results from the reappraisal provided herein, as noted in Section 3.02, will not be considered in determining the additional rental based on the 10% of gross receipts from the sublease.

**3.04 Definition of Gross Receipts From Concession.** "Gross receipts" shall mean the amount paid or payable for all goods, wares, merchandise, personal property, and services by the Lessee or others, including credit transactions. Where goods, wares, merchandise, personal property, and services are exchanged or bartered, gross receipts shall mean the reasonable value thereof. Sales or services rendered by the Lessee or others directly or indirectly from any other premises because of orders originating in or arising out of business transacted on the leased premises are included. Amounts not collected on credit sales are included. State business and occupation taxes on any activity or business operated on the premises and State sales taxes are excluded. Notwithstanding the foregoing, gross receipts exclude, among other things, profits, commissions and rents on the building, sale or leasing of cabins.

**3.05 Yearly Payments.** Payments of percentage rent shall commence on September 15, 1978 and be made annually thereafter (except for percentage rents for prior periods calculated pursuant to Section 5.3 of the North Woods Settlement Agreement dated May 24, 1984). Delinquent percentage rental shall draw interest at the rate of 12 per month. Payment shall be made to the State at the Department of Natural Resources, Olympia, Washington 98504.

**3.06 Records.** The Lessee shall install and maintain at a location reasonably accessible to the State an accounting system wherein appear clear, complete, and detailed records of all business of every kind and character affecting gross receipts, whether by the Lessee or others. The State shall at all reasonable times have access to any and all of the Lessee's books, records, files and State and Federal tax and contribution returns of all kinds for the purpose of examining and copying them. Examination and copying shall only be utilized for the purpose of determining whether or not the Lessee has performed this lease in all respects. In order to assure accurate percentage payments that are based on concession receipts, Lessee shall provide:

1. Quarterly, a copy of the Stores, State Department of Revenue Combined Excise Tax Return - Form REV. 40-2406 (6-76).
2. Available for immediate audit:
  - A. Daily Cash Register and/or receipt book records to confirm gross revenue
  - B. Federal Income Tax returns
  - C. Sales Tax Statements
  - D. S & O Tax Statements

**3.07 Reports.** The Lessee shall render yearly reports of gross receipts at the time yearly payments of percentage rent are due. The reports shall show in reasonable detail as the State shall specify, the amount of gross receipts during the preceding year.

**3.08 Audits.** The Lessee shall provide once each year, without expense to the State, an audit report certified by an accountant satisfactory to the State showing sales and other income credits affecting gross receipts and components thereof.

#### SECTION 4 RESERVATIONS

**4.01 Compliance.** The State shall have access to the site at all reasonable times for the purpose of securing compliance with the terms and conditions of this lease.

**4.02 Access.** The State reserves the right to grant easements and other land uses on the site to itself and others when the easement or other land uses applied for will not unduly interfere with the use to which the Lessee is putting the site or interfere unduly with the plan of development for the site. No easement or other land uses shall be granted until damages to the leasehold shall first have been ascertained by the State and paid to the Lessee by the applicant for the easement or other land use.

**4.03 Restrictions on Use.** In connection with use of the site the Lessee shall:

- (1) Conform to all public authority concerning planning, zoning and other requirements which may affect the leased site in the same manner as if the land was leased from a private owner;
- (2) Cut no State timber or remove State-owned valuable material without prior written consent of the State. The Lessee must pay to the State the Fair Market Value of the timber or valuable material, as determined by the State, before cutting timber or removal authorization is granted;
- (3) Take all reasonable precautions to protect the land and improvements on the leased site from fire, make every reasonable effort to report and suppress such fires as may affect the leased site, and shall be subject to applicable fire laws affecting the leased site;
- (4) Not allow debris or refuse to accumulate on the leased site.

SECTION 5 REQUIREMENTS

**5.01 Assignment and Sublease.** This lease or any portion thereof may not be assigned nor may the lands held hereunder be sublet without the written consent of the State, except as specified in the original or amended plan of development.

**5.02 Duty.** The Lessee, at his sole cost and expense, shall at all times keep or cause all improvements, including landscaping, installed pursuant to this lease (regardless of ownership) to be kept in as good condition and repair as originally constructed or as hereafter put, except for reasonable wear and tear. The State, or any authorized agency shall have the legal right to inspect the premises and improvements thereon. The Lessee shall carry, or he shall require his Sub-lessees to carry by a responsible company or companies satisfactory to the State, a sufficient amount of fire and casualty insurance to cover the replacement cost of any or all improvements that may be damaged by fire or other casualty. Such insurance policy or policies, excepting those for single-family residential subleases, are to be endorsed and delivered to the State with provisions for thirty (30) days notice of cancellation to the State. Such insurance policies for single-family residential subleases shall be carried by responsible companies satisfactory to the State. The policies shall be endorsed and delivered to Lessee with provisions for thirty (30) days notice of cancellation.

The Lessee shall supply evidence satisfactory to the State of insurance on single-family residential subleases. Once the initial evidence has been delivered to the State, the Lessee is not required to supply evidence of insurance on an annual basis, provided, however, the State reserves the right to call for proof of satisfactory insurance at any time. In the event of fire or casualty damage to any or all of the improvements, the paid insurance benefits shall be used to immediately replace said improvements in a manner subject to reasonable approval by the State, or at the option of the Lessee, the proceeds from such insurance may be paid to the State in lieu of replacing said improvements.

**5.03 Condition of Site and Liability.** The site has been inspected by the Lessee and is accepted in its present condition. The Lessee agrees to defend and hold the State harmless from any and all claims suffered or alleged to be suffered on the site or arising out of operations on the site. Prior to starting developmental work on the site, the Lessee shall procure and thereafter, during the term of the lease, shall continue to carry public liability and property damage insurance, with a financially responsible company, in the amount of not less than \$500,000.00 for injury to one person; \$1,000,000.00 for injury to two or more persons, and \$100,000.00 for damage to property. The amount of insurance required may hereafter be increased or decreased, at the option of the State, at the time the rental is reappraised pursuant to Section 3.02. Certificates evidencing such insurance and bearing endorsements requiring thirty (30) days' written notice to the State prior to any change or cancellation shall be furnished to the State before the Lessee commences any developmental work on the site.

**5.04 Liquidated Damages.** The Lessee hereby agrees that liquidated damages equal to the annual rental then in effect shall be paid to the State should the Lessee fail to complete the plan of development or should Lessee default on the rental payment or elect to forfeit his rights under this lease. A surety bond equal to the amount of required liquidated damages must be supplied to the State within thirty days after the lease is executed and remain in force until the expiration of the lease or such time as the State shall release, in writing, the Lessee from this obligation. Said bond to be supplemented according to any rental adjustment within 30 days of such adjustment.

**5.05 Improvement Bond.** Before commencement of construction by Lessee of any improvement costing in excess of \$2,500.00 on the leased site, Lessee agrees to provide security which will guarantee completion of the improvement, and payment in full of claims of all persons for work performed in or materials furnished for construction. Lessee may provide said security by either:

A. Posting a surety bond in an amount equal to the cost of each improvement, said bond to be deposited with the State and to remain in effect until the improvement is satisfactorily completed. Said bond shall be conditioned upon the faithful performance of Lessee, and give all claimants the right of action to recover upon said bond in any suit brought to foreclose mechanic's or materialmen's liens against the site;

B. Any other method first approved in writing by the State.

**5.06 Assessments.** The Lessee shall pay the annual payments on all assessments and taxes that are legally charged now or may be charged in the future to the State land or the improvements thereon.

**5.07 Default.** If any rent shall be and remain unpaid when the same shall become due, or if Lessee shall violate or default in any of the covenants and agreements herein contained, then the State may cancel this lease, provided the Lessee has been notified of the rental due, the violation or the default, 60 days prior to said cancellation and said violation, default or nonpayment has not been cured by Lessee within 60 days.

**5.08 Insolvency of Lessee.** If the Lessee becomes insolvent, the State may cancel, at its option, the lease unless the lease has been used as collateral with the State's consent. If the Lessee should default in payment to the lending agency, the State upon request by the lender shall assign the lease to the lending agency who may, thereafter, either operate the leased site or, with the approval of the State, assign the lease.

**5.09 Status of Subleases.** Termination of this lease, by cancellation or otherwise, prior to the lease termination date, shall not serve to cancel approved subleases, nor derogate from the rights of the lienholders of record, but shall operate as an assignment to the State of any and all such subleases, together with the unrestricted right of the State to receive all sublease payments therein provided for from the date of said assignment. Upon termination of this lease, by cancellation or otherwise, prior to the termination date of said lease, the Lessee shall have no claim to sublease payments and/or sublease improvement values herein contained.

#### SECTION 6 MISCELLANEOUS

**6.01 No Partnership.** The State is not a partner nor a joint venturer with the Lessee in connection with business carried on under this lease and shall have no obligation with respect to the Lessee's debts or other liabilities.

**6.02 Warranty.** The State warrants that it is the owner of the leased site and has the right to lease it free of all encumbrances except those set out under the description of the leased premises.

**6.03 Non-Waiver.** Waiver by either party of strict performance of any provisions of this lease shall not be a waiver of nor prejudice the party's right to require strict performance of the same provision in the future or of any other provision.

**6.04 Attorney Fees.** If suit or action is instituted in connection with any controversy arising out of this lease, the prevailing party shall be entitled to recover costs including such sum as the court may adjudge reasonable as attorney fees.

**6.05 Succession.** Subject to the limitations as stated in Sections 5 - 5.01 and 5 - 5.08, on transfer of the Lessee's interest, this lease shall be binding upon and inure to the parties, their respective successors and assigns.

**6.06 Notices.** Any notice required or permitted under this lease shall be given when actually deposited in the United States mail as certified mail addressed as follows: To the State: Department of Natural Resources, Olympia, Washington, 98504. To the Lessee: At the address given by the Lessee in the signature block or as specified in writing by the Lessee.

**6.07 State's Right to Cure Defaults.** If the Lessee is in default by failure to perform any covenant(s) of this lease, the State shall have the option to correct the default or cancel the lease after sixty (60) days' written notice to the Lessee. All of the State's expenditure to correct the default shall be reimbursed by the Lessee on demand with interest at the rate of 8% per annum from the date of expenditure by the State. The written notice shall have no effect if the Lessee cures the default specified in the notice during the 60 day period. Provided that, if the default is injurious to the public health or safety, the State may, in the absence of an indicated attempt by the Lessee to cure the default, immediately enter upon the site and cure said default. Any expense so incurred by the State shall be charged against the Lessee and be payable by the Lessee within 30 days after the receipt of the billings for said expense.

6.08 Lease Recording. Within 30 days after receipt of this lease, a notification of leasing is to be recorded by the Lessee with the Skamania County Auditor's office located in Stevenson, Washington.

6.09 Reservoir Level. The Lessee or Sublessees, if any, acknowledge by signing this lease that Pacific Power and Light Company has the right to fluctuate the waters of Swift Reservoir at any time within the provisions of Federal Power Commission License No. 2111. The Lessee or Sublessees, if any, shall waive all claims of damage and shall indemnify Pacific Power and Light Company, the State or their successors, if any, against any claim of damage arising from recreational use of the reservoir or shoreline or floating facilities.

#### SECTION 7 OPERATION OF SITE

7.01 Operational Uses and Responsibilities. In conjunction with the operation of the site, the following uses shall be allowed:

(1) Subleasing of buildings and/or facilities located on the site as indicated in original or amended plan of development;

(2) Construction, improvements, operation, repair, etc., made or performed under the lease shall be at the sole cost of the Lessee or Sublessees. The Lessee or his Sublessee shall furnish all utilities and shall obtain all Federal, State and local permits and licenses necessary to perform the terms, conditions and covenants of this lease.

#### SECTION 8 IMPROVEMENTS

8.01 Unauthorized Improvements. All improvements not included in the original or amended plan of development made on or to the site without the written consent of the State shall immediately become the property of the State.

8.02 Severance of Improvements not on State Land. If any of the Lessee's improvements utilize, in addition to State land, lands adjoining State land but not owned by the State, the State shall have at the expiration, termination, or the surrender of the leasehold to enter upon the adjoining land to physically sever at the boundary, without liability for damage as result thereof, the improvements; thereafter, to use the severed improvements remaining on State land for any purpose.

8.03 Ownership of Improvements. All buildings and improvements, excluding removable personal property and trade fixtures on the lease site will remain on said site after termination or expiration of this lease or any renewal thereof and shall thereupon become the property of the State; except as provided in 8.04, provided, however, that as a condition of any re-leasing of the subject property to any other party made during the three year period following the expiration of this lease or any renewal thereof, the State shall require the subsequent Lessee to purchase the Lessee's interest in the improvements as allowed by law; and provided further that the written consent of the State is required for those Lessee owned improvements having an individual value in excess of \$10,000.00 and placed on or to the site after January 1, 1990. Such consent may provide that the improvements shall become the property of the State on a specific date following the expiration of this lease. At the expiration of this lease or any renewal thereof the State shall make a reasonable effort to re-lease the site.

8.04 Ownership of Sublessee Improvements. All buildings and improvements, excluding removable personal property and trade fixtures on the leased site erected by Sublessees will remain on said site after expiration of this lease or termination prior to the term of this lease of any sublease held by the State under the provisions of Section 5.09; provided, however, upon the expiration of the lease, if the State is unsuccessful in re-leasing the leased site as a unit, then each Sublessee shall have a preferential right as allowed by law to re-lease from the State its subleased area; provided, further, upon the termination or expiration of this lease or a sublease assigned under Section 5.09 that as a condition of any re-lease of the leased site or subleased site to any other party made during the three year period following the State shall require the subsequent Lessee to purchase the Sublessee's interest in the improvements as allowed by law. Expiration, as used in this paragraph, shall mean the expiration of the lease as of May 31, 2069.

The Lessee expressly agrees to all covenants herein and binds himself for the payment of the rental hereinbefore specified.
