**INSTRUCTIONS**

1. This is an optional form that may be used to satisfy the requirements for the Bureau of Land Management (BLM) under the provisions of 43 U.S.C. §1744 and 30 U.S.C. §28-28d and the regulations thereunder (43 CFR part 3835). Since local and State laws may vary, you should contact your local and State agencies where the claims are located to ensure all applicable laws and requirements are satisfied.
2. The claimant(s) must fill in the date in paragraph 1 for the applicable assessment year and the county and state where the claims are located.
3. All claim names and BLM serial numbers for which this assessment affidavit applies must be listed. Additionally, legal descriptions, and original county recording information may be listed for additional identification purposes.
4. The claimant(s) must complete paragraph 2 listing all labor or improvements which was performed on or did benefit the subject mining claims. The value and date of the labor or improvements must also be listed. The total amount of labor or improvements can be listed, but the total expenditure must equal at least \$100 for each claim.
5. The names and current mailing addresses of the person(s) performing the labor must be listed in paragraph 3.
6. The name and current mailing address of each owner (claimant) of the claims must be listed in paragraph 4. The mailing address shall be the owner's address and not the address of an agent or anyone representing the claimant. Be sure to note if there has been a change of address.
7. Paragraph 5 shall be completed to show the date it was verified that all monuments required by law were properly erected, all notices were posted, and that corners were appropriately designated for all claims listed.
8. An exact legible reproduction or duplicate (other than microfilm or other electronic media) of this affidavit or another type of affidavit of assessment work that you file or will file in the county where each claim is located, must be filed with the BLM on or before December 30 of the calendar year in which the assessment year ends. For mill or tunnel sites, a separate notice of intent to hold must be filed with the BLM on or before December 30. Requirements for filing a notice of intent to hold can be found at 43 CFR 3835.33.
9. A processing fee of \$15 for each claim listed must be remitted to the BLM along with this or any other affidavit of assessment work.
