Oregon law (ORS 517.210) requires that proof of the performance of labor or making of improvements or making federal fee payments must be made by affidavit filed in the mining records of the county in which the mining claim is situated, within 30 days after the performance of labor or making of improvements or making federal fee payments.

IMPORTANT NOTICE: You should obtain Bureau of Land Management (BLM) regulations from your local BLM office to determine any applicable requirements for a mining claim, including payment of annual maintenance fees, maintenance fee waiver qualifications, payment of service charges, and recordation of evidence of annual assessment work and notices of intention to hold a mining claim. Additional regulations of the BLM, the Forest Service and the State of Oregon may apply to the conducting of mining operations in Oregon.
