FORM APPROVED
OMB NO. 1004-0114
Expires: October 31, 2016

1. This small miner waiver is filed for the assessment year beginning on September 1, 2021, and ending on September 1, 2022.
2. The undersigned and all related parties owned ten or fewer mining claims, mill, or tunnel sites located and maintained on Federal lands in the United States of America on September 1, 2020.
3. The undersigned have performed the assessment work required by law for each mining claim listed prior to filing this waiver and understand that by filing this form, the undersigned must file an affidavit of assessment work with the Bureau of Land Management (BLM) by the December 30th following the filing of this waiver.
4. The undersigned understand that if the assessment work obligation has not yet come due under 30 U.S.C. 28 (for those claims in their first assessment year only), a notice of intent to hold reciting this condition must be recorded by the December 30th following the filing of this waiver.
5. The undersigned understand that mill and tunnel sites may also be listed on this waiver and be waived from payment of the maintenance fee, and that a notice of intent to hold for these sites is required to be filed with the BLM by the December 30th following the filing of this waiver.
6. The undersigned understand and acknowledge that pursuant to 43 U.S.C. 1212 and 18 U.S.C. 1001, the filing or recording of a false, fictitious, or fraudulent document with the BLM may result in a fine of up to \$250,000, a prison term not to exceed five years, or both.
7. The mining claims, mill or tunnel sites for which this waiver from payment of the maintenance fee is requested are:

INSTRUCTIONS

1. This is an optional form that may be used to satisfy the requirements for the Bureau of Land Management (BLM) under the provisions of 43 U.S.C. §1744 and 30 U.S.C. §28-28d and the regulations thereunder (43 CFR part 3835). Since local and State laws may vary, you should contact your local and State agencies where the claims are located to ensure all applicable laws and requirements are satisfied.
2. The claimant(s) must fill in the date in paragraph 1 for the applicable assessment year and the county and state where the claims are located.
3. All claim names, BLM serial numbers, legal descriptions, and original county recording information must be listed for the claims pertaining to this assessment notice.
4. The claimant(s) must complete paragraph 2 listing all labor or improvements which was performed on or did benefit the subject mining claims. The value and date of the labor or improvements must also be listed. The total amount of labor or improvements can be listed, but the total expenditure must equal at least \$100 for each claim.
5. The names and current mailing addresses of the person(s) performing the labor shall be listed in paragraph 3.
6. The name and current mailing address of each owner (claimant) of the claims shall be listed in paragraph 4. The mailing address shall be the owner's address and not the address of an agent or anyone representing the claimant. Be sure to note if there has been a change of address.
7. Paragraph 5 shall be completed to show the date it was verified that all monuments required by law were properly erected, all notices were posted, and that corners were appropriately designated for all claims listed.
8. An exact legible reproduction or duplicate (other than microfilm or other electronic media) of this affidavit or another type of affidavit of assessment work that you file or will file in the county where each claim is located, must be filed with the BLM on or before December 30 of the calendar year in which the assessment year ends. For mill or tunnel sites, a separate notice of intent to hold must be filed with the BLM on or before December 30. Requirements for filing a notice of intent to hold can be found at 43 CFR 3835.33.
9. A processing fee of \$15 for each claim listed must be remitted to the BLM along with this or any other affidavit of assessment work.
