THIS INDENTURE, dated as of the 1st day of March, 2022, between AVISTA CORPORATION (formerly known as The Washington Water Power Company), a corporation of the State of Washington, whose post office address is 1411 East Mission Avenue, Spokane, Washington 99202 (the “Company”), and CITIBANK, N.A., formerly First National City Bank (successor by merger to First National City Trust Company, formerly City Bank Farmers Trust Company), a national banking association incorporated and existing under the laws of the United States of America, whose post office address is 388 Greenwich Street, 14th Floor, New York, New York 10013, as trustee (the “Trustee”), under the Mortgage and Deed of Trust, dated as of June 1, 1939 (the “Original Mortgage”), executed and delivered by the Company to secure the payment of bonds issued or to be issued under and in accordance with the provisions thereof, this indenture (this “Sixty-sixth Supplemental Indenture”) being supplemental to the Original Mortgage, as heretofore supplemented and amended.

Pitt (then Individual Trustee under the Original Mortgage, as theretofore supplemented and amended) ceased to be a trustee thereunder on July 23, 1969, and all of his powers as Individual Trustee have devolved upon the Trustee and its successors alone; and

WHEREAS by the Original Mortgage the Company covenanted that it would execute and deliver such further instruments and do such further acts as might be necessary or proper to carry out more effectually the purposes of the Original Mortgage and to make subject to the lien of the Original Mortgage any property thereafter acquired intended to be subject to the lien thereof; and

WHEREAS the Company has heretofore executed and delivered, in addition to the Original Mortgage, the indentures supplemental thereto and amendatory thereof, and has issued the series of bonds, set forth in Exhibit A hereto (the Original Mortgage, as supplemented and amended by the First through Sixty-fifth Supplemental Indentures and, if the context shall so require, as to be supplemented by this Sixty-sixth Supplemental Indenture, being herein sometimes called the “Mortgage”); and

WHEREAS the Original Mortgage and the First Supplemental Indenture, dated as of October 1, 1952, through the Twenty-fifth Supplemental Indenture, dated as of October 1, 1989, were appropriately filed and recorded in the various official records in the States of Washington, Idaho and Montana, as set forth in such Supplemental Indentures and in the Twenty-sixth Supplemental Indenture, dated as of April 1, 1993; and

WHEREAS for the purpose of confirming or perfecting the lien of the Original Mortgage, as then supplemented and amended, on additional properties of the Company located in the State of Oregon and additional counties in the State of Montana, the Company executed and delivered a Short Form Mortgage and Security Agreement, in multiple counterparts dated as of various dates in 1992, in furtherance of and supplemental to the Original Mortgage, as then supplemented and amended, and such instrument was appropriately filed and recorded in the

various official records in Oregon and Montana, as set forth in the aforesaid Twenty-sixth Supplemental Indenture; and

WHEREAS the aforesaid Twenty-sixth Supplemental Indenture through the Twenty-ninth Supplemental Indenture, dated as of December 1, 2001, were appropriately filed and recorded in the various official records in the States of Washington, Idaho, Montana and Oregon, as set forth in the Twenty-seventh Supplemental Indenture, dated as of January 1, 1994, through the Thirtieth Supplemental Indenture, dated as of May 1, 2002; and

WHEREAS for the purpose of confirming or perfecting the lien of the Original Mortgage, as then supplemented and amended, on additional properties of the Company located in an additional county in the State of Oregon, the Company executed and delivered a Memorandum of Mortgage and Security Agreement, dated as of May 29, 2003, in furtherance of and supplemental to the Original Mortgage, as then supplemented and amended, and such instrument was appropriately filed and recorded in the various official records in the State of Oregon; and

WHEREAS the aforesaid Thirtieth Supplemental Indenture through the Sixty-third Supplemental Indenture, dated as of June 1, 2020, were appropriately filed and recorded in the various official records in the States of Washington, Idaho, Montana and Oregon, as set forth in the Thirty-first Supplemental Indenture, dated as of May 1, 2003, through the Sixty-fifth Supplemental Indenture, dated as of September 1, 2021; and

WHEREAS the aforesaid Sixty-fifth Supplemental Indenture has been appropriately filed or recorded in the various official records in the States of Washington, Idaho, Montana and Oregon, as set forth in Exhibit B hereto; and

WHEREAS in addition to the property described in the Mortgage the Company has acquired certain other property, rights and interests in property; and

WHEREAS Section 120 of the Original Mortgage, as heretofore amended, provides that, without the consent of any holders of bonds, the Company and the Trustee, at any time and from time to time, may enter into indentures supplemental to the Original Mortgage for various purposes set forth therein, including, without limitation, to cure ambiguities or correct defective or inconsistent provisions or to make other changes therein that shall not adversely affect the interests of the holders of bonds of any series in any material respect or to establish the form or terms of bonds of any series as contemplated by Article II; and

WHEREAS the Company now desires to create a new series of bonds; and

WHEREAS Section 8 of the Original Mortgage, as heretofore amended, provides that the form of each series of bonds (other than the First Series) issued thereunder and of the coupons to be attached to coupon bonds of such series shall be established by Resolution of the Board of Directors of the Company or by Treasurer's Certificate, or shall be set forth in an indenture supplemental to the Original Mortgage; that the form of such series, as so established, shall specify the descriptive title of the bonds and various other terms thereof; and that such series may also contain such provisions not inconsistent with the provisions of the Mortgage as the Company may, in its discretion, cause to be inserted therein expressing or referring to the terms and conditions upon which such bonds are to be issued and/or secured under the Mortgage; and

WHEREAS the execution and delivery by the Company of this Sixty-sixth Supplemental Indenture and the terms of the Bonds of the Sixty-seventh Series, hereinafter referred to, have been duly authorized by the Board of Directors of the Company by appropriate Resolutions of said Board of Directors, and all things necessary to make this Sixty-sixth Supplemental Indenture a valid, binding and legal instrument have been performed;

NOW, THEREFORE, THIS INDENTURE WITNESSETH: That the Company, in consideration of the premises and of other good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, hereby confirms the estate, title and rights of the Trustee (including, without limitation, the lien of the Mortgage on the property of the Company subjected thereto, whether now owned or hereafter acquired) held as security for the payment of both the principal of and interest and premium, if any, on the bonds from time to time issued under the Mortgage according to their tenor and effect and the performance of all the provisions of the Mortgage and of such bonds, and, without limiting the generality of the foregoing, hereby confirms the grant, bargain, sale, release, conveyance, assignment, transfer, mortgage, pledge, setting over and confirmation unto the Trustee, contained in the Mortgage, of all the following described properties of the Company, whether now owned or hereafter acquired, namely:

The Company hereby acknowledges that, as of the date of this Sixty-sixth Supplemental Indenture, the real property located in the State of Washington, taken as a whole, that is so conveyed or intended to be so conveyed under the Mortgage is not used principally for agricultural purposes.

The property so conveyed or intended to be so conveyed under the Mortgage shall include, but shall not be limited to, the property set forth in Exhibit C hereto, the particular description of which is intended only to aid in the identification thereof and shall not be construed as limiting the force, effect and scope of the foregoing.

THE COMPANY HEREBY CONFIRMS that, subject to the provisions of Section 87 of the Original Mortgage, all the property, rights, and franchises acquired by the Company after the date of the Original Mortgage (except any in the Mortgage expressly excepted) are and shall be as fully embraced within the lien of the Mortgage as if such property, rights and franchises had been owned by the Company at the date of the Original Mortgage and had been specifically described therein.

TO HAVE AND TO HOLD all such properties, real, personal and mixed, granted, bargained, sold, released, conveyed, assigned, transferred, mortgaged, pledged, set over or confirmed by the Company in the Mortgage as aforesaid, or intended so to be, unto the Trustee, and its successors, heirs and assigns forever.

AND IT IS HEREBY FURTHER CONFIRMED by the Company that all the terms, conditions, provisos, covenants and provisions contained in the Mortgage shall affect and apply to the property in the Mortgage described and conveyed, and to the estates, rights, obligations and duties of the Company and the Trustee and the beneficiaries of the trust with respect to said property, and to the Trustee and its successors in the trust, in the same manner and with the same effect as if the said property had been owned by the Company at the time of the execution of the Original Mortgage, and had been specifically and at length described in and conveyed to said Trustee by the Original Mortgage as a part of the property therein stated to be conveyed.

The Company further covenants and agrees to and with the Trustee and its successor or successors in such trust under the Mortgage, as follows:

ARTICLE I

Sixty-seventh Series of Bonds

SECTION 1. (I) There shall be a series of bonds designated "First Mortgage Bonds, 4.00% Series due 2052" (herein sometimes referred to as the "Bonds of the Sixty-seventh Series" or the "Bonds"), each of which shall also bear the descriptive title First Mortgage Bond and the form thereof is set forth on Exhibit D hereto. The Bonds of the Sixty-seventh Series shall be issued as fully registered bonds in denominations of One Thousand Dollars and, at the option of the Company, any amount in excess thereof (the exercise of such option to be evidenced by the execution and delivery thereof) and shall be dated as in Section 10 of the Original Mortgage provided.

(II) The Bonds of the Sixty-seventh Series shall have the following terms and characteristics:

(a) the Bonds of the Sixty-seventh Series shall be initially authenticated and delivered under the Mortgage in the aggregate principal amount of \$400,000,000; it being understood that, subject to the satisfaction of the conditions set forth in the Mortgage, there shall be no limit upon the aggregate principal amount of Bonds of the Sixty-seventh Series that may be authenticated and delivered thereunder.

(b) the principal of the Bonds of the Sixty-seventh Series shall (unless theretofore paid) be payable on the Stated Maturity Date (as hereinafter defined);

(c) the Bonds of the Sixty-seventh Series shall bear interest at the rate of four per centum (4.00%) per annum; interest on the Bonds shall accrue from and including March 17, 2022, except as otherwise provided in the form of bond attached hereto as Exhibit D; interest on the Bonds shall be payable on each Interest Payment Date and at Maturity (as hereinafter defined); and interest on the Bonds during any period less than one year for which payment is made shall be computed on the basis of a 360-day year consisting of twelve 30-days months;

(d) the principal of and premium, if any, and interest on each Bond of the Sixty-seventh Series payable at Maturity shall be payable to the registered owner thereof upon presentation thereof at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts. The interest on each Bond of the Sixty-seventh Series (other than interest payable at Maturity) shall be payable by check, in similar coin or currency, mailed to the registered owner thereof as of the close of business on the Record Date (as hereinafter defined) next preceding each Interest Payment Date; provided, however, that if such registered owner shall be a securities depository, such payment may be made by such other means in lieu of check as shall be agreed upon by the Company, the Trustee and such registered owner. Interest payable at Maturity shall be paid to the person to whom principal shall be paid.

(e) Prior to October 1, 2051 (the "Par Call Date"), the Company may redeem the Bonds of the Sixty-seventh Series at its option, in whole or in part, at any time and from time to time, at a redemption price equal to the greater of:

(i) (A) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the Bonds matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points less (B) interest accrued to the redemption date, and

(ii) 100% of the principal amount of the Bonds to be redeemed,

plus, in either case, accrued and unpaid interest thereon to the redemption date.

On or after the Par Call Date, the Company may redeem the Bonds of the Sixty-seventh Series, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Bonds being redeemed plus accrued and unpaid interest thereon to the redemption date.

“*Treasury Rate*” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading). In determining the Treasury Rate, the Company shall select, as applicable:

- (i) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or
- (ii) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or
- (iii) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life.

For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 is no longer published or, if published, no longer contains the yields for nominal Treasury constant maturities, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a

maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

(f) Notice of redemption of Bonds of the Sixty-seventh Series shall be given by mail, facsimile transmission or other direct written electronic means not less than ten (10) nor more than sixty (60) days prior to the date fixed for redemption.

(g) If less than all of the Outstanding Bonds of the Sixty-seventh Series are to be redeemed, the particular Bonds to be redeemed shall be selected by the Trustee by such method of random selection as the Trustee shall deem fair and appropriate; provided, however, that if, as indicated in an officer's certificate, the Company shall have offered to purchase all the bonds of the Sixty-seventh series then Outstanding and less than all of such Bonds shall have been tendered to the Company for such purchase, the Trustee, if so directed by the Company, shall select for redemption all such Bonds that have not been so tendered. The portion of any Bond to be redeemed shall be in the principal amount of \$1,000 or an integral multiple thereof and such rounding allocations as may be requisite for this purpose shall be made by the Trustee in its uncontrolled discretion. The Trustee shall promptly notify the Company in writing of the distinctive numbers of the Bonds and the portions thereof so selected for redemption.

(h) Except as provided in this subsection (II) of Section 1,

(i) the Bonds of the Sixty-seventh Series shall not be redeemable prior to the Stated Maturity Date; and

(ii) no amount other than the principal of and interest on the Bonds of the Sixty-seventh Series shall be payable in respect of the Bonds at Maturity (as hereinafter defined) or otherwise.

(III) (a) At the option of the registered owner, any Bonds of the Sixty-seventh Series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of Bonds of the same series of other authorized denominations.

The Bonds of the Sixty-seventh Series shall be transferable, upon the surrender thereof for cancellation, together with a written instrument of transfer in form approved by the registrar duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York.

Upon any exchange or transfer of Bonds of the Sixty-seventh Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge, as provided in Section 12 of the Original Mortgage, but the Company hereby waives any right to make a charge in addition thereto or any exchange or transfer of Bonds of the Sixty-seventh Series; provided, however, that the Company shall not be required to make any transfer or exchange of any Bonds of the Sixty-seventh Series for a period of 10 days next preceding any Interest Payment Date or any selection of such Bonds for redemption, nor shall it be required to make any transfer or exchange of any Bonds of the Sixty-sixth Series which shall have been selected for redemption in whole or in part.

(b) The Bonds of the Sixty-seventh Series are initially to be issued in global form, registered in the name of a securities depository (a "Depository") or a nominee thereof. Notwithstanding the provisions of subdivision (a) above, the Bonds shall not be transferable, nor shall any purported transfer be registered, except as follows:

(i) the Bonds of the Sixty-seventh Series may be transferred in whole, and appropriate registration of transfer effected, to the Depository, or by the Depository to a nominee thereof, or by any nominee of the Depository to any other nominee thereof, or by the Depository or any nominee thereof to any successor Depository or any nominee thereof;

(ii) the Bonds of the Sixty-seventh Series may be transferred in whole, and appropriate registration of transfer effected, to the beneficial holders thereof, and thereafter shall be transferable, if:

(A) the Depository, shall have notified the Company and the Trustee that (I) it is unwilling or unable to continue to act as securities depository with respect to such Bonds or (II) it is no longer a clearing agency registered under the Securities Exchange Act of 1934, as amended, and, in either case, the Trustee shall not have been notified by the Company within one hundred twenty (120) days of the identity of a successor Depository with respect to the Bonds; or

(B) the Company shall have delivered to the Trustee a written order to the effect that the Bonds shall be so transferred to the beneficial owners thereof on and after a date specified therein.

The Bonds of the Sixty-seventh Series shall initially be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC").

The Bonds of the Sixty-seventh Series, when in global form, shall bear a legend as to such global form and the foregoing restrictions on transfer substantially as set forth below:

This is a global bond held by a securities depository or a nominee thereof for the benefit of the beneficial owners hereof. This bond may not be transferred, nor may any purported transfer be registered, except as provided in the Mortgage referred to below.

So long as the Bonds of the Sixty-seventh Series are Outstanding in global form and are registered in the name of Cede & Co, as nominee for DTC, the Bonds shall also bear a legend substantially as set forth below (or as otherwise required or permitted by DTC from time to time):

Unless this bond certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the issuer or its agent for registration of transfer, exchange or payment, and any new bond certificate issued is registered in the name of Cede & Co. or in such other name as requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

(IV) For all purposes of this Sixty-sixth Supplemental Indenture, except as otherwise expressly provided or unless the context otherwise requires, the terms listed below, when used with respect to the Bonds of the Sixty-seventh Series, shall have the meanings specified below:

"Business Day" means any day, other than a Saturday or Sunday, which is not a day on which banking institutions or trust companies in The City of New York, New York are generally authorized or required by law, regulation or executive order to remain closed.

"Interest Payment Date" means April 1 and October 1 in each year, commencing October 1, 2022.

"Maturity" means the date on which the principal of the Bonds of the Sixty-seventh Series becomes due and payable, whether at the Stated Maturity Date, upon redemption or acceleration, or otherwise.

"Record Date", with respect to any Interest Payment Date, means the March 15 or September 15, as the case may be, next preceding such Interest Payment Date.

"Stated Maturity Date" means April 1, 2052.

(V) Notwithstanding the provisions of Section 106 of the Original Mortgage, as amended, the Company shall not cause any Bonds of the Sixty-sixth Series, or any portion of

the principal amount thereof, to be deemed to have been paid as provided in such Section and its obligations in respect thereof to be deemed to be satisfied and discharged prior to the Maturity thereof unless the Company shall deliver to the Trustee either:

(a) an instrument wherein the Company, notwithstanding the effect of Section 106 of the Original Mortgage, as amended, in respect of such Bonds, shall assume the obligation (which shall be absolute and unconditional) to irrevocably deposit with the Trustee such additional sums of money, if any, or additional government obligations (meeting the requirements of Section 106), if any, or any combination thereof, at such time or times, as shall be necessary, together with the money and/or government obligations theretofore so deposited, to pay when due the principal of and premium, if any, and interest due and to become due on such Bonds or portions thereof, all in accordance with and subject to the provisions of Section 106; provided, however, that such instrument may state that the obligation of the Company to make additional deposits as aforesaid shall be subject to the delivery to the Company by the Trustee of a notice asserting the deficiency accompanied by an opinion of an independent accountant showing the calculation thereof (which opinion shall be obtained at the expense of the Company); or

(b) an Opinion of Counsel to the effect that the holders of such Bonds, or portions of the principal amount thereof, will not recognize income, gain or loss for United States federal income tax purposes as a result of the satisfaction and discharge of the Company's indebtedness in respect thereof and will be subject to United States federal income tax on the same amounts, at the same times and in the same manner as if such satisfaction and discharge had not been effected.

(VI) Anything in this Sixty-sixth Supplemental Indenture or the Bonds of the Sixty-seventh Series to the contrary notwithstanding, any payment of principal of or premium, if any, or interest on any Bond of the Sixty-seventh Series that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day.

(VII) The Bonds of the Sixty-seventh Series shall have such further terms as are set forth in Exhibit D hereto. If there shall be a conflict between the terms of the form of bond and the provisions of the Mortgage, the provisions of the Mortgage shall control to the extent permitted by law.

ARTICLE II

The principal of and premium, if any, and interest on this bond payable at Maturity shall be payable to the registered owner hereof upon presentation hereof at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts. The interest on this bond (other than interest payable at Maturity) shall be paid by check, in the similar coin or currency, mailed to the registered owner hereof as of the close of business on the seventh Business Day (as defined in the Sixty-sixth Supplemental Indenture referred to below) preceding each Interest Payment Date (each such date being herein called a "Record Date"); provided, however, that if such registered owner shall be a securities depository, such payment shall be made by such other means in lieu of check as shall be agreed upon by the Company, the Trustee and such registered owner. Interest payable at Maturity shall be paid to the person to whom principal shall be paid. As used herein, the term "Maturity" shall mean the date on which the principal of this bond becomes due and payable, whether at stated maturity, upon redemption or acceleration, or otherwise.

This bond is one of an issue of bonds of the Company issuable in series and is one of a series known as its First Mortgage Bonds, 4.00% Series due 2052, all bonds of all such series being issued and issuable under and equally secured (except insofar as any sinking or other fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the bonds of any particular series) by a Mortgage and Deed of Trust, dated as of June 1, 1939 (the "Original Mortgage"), executed by the Company (formerly known as The Washington Water Power Company) to City Bank Farmers Trust Company and Ralph E. Morton, as Trustees (Citibank, N.A., successor Trustee to both said Trustees). The Original Mortgage has been amended and supplemented by various supplemental indentures, including the Sixty-sixth Supplemental Indenture, dated as of March 1, 2022 (the "Sixty-sixth Supplemental Indenture"), and, as so amended and supplemented, is herein called the "Mortgage". Reference is made to the Mortgage for a description of the property mortgaged and pledged, the nature and extent of the security, the rights of the holders of the bonds and of the Trustee in respect thereof, the duties and immunities of the Trustee, the terms and conditions upon which the bonds are and are to be secured and the circumstances under which additional bonds may be issued. If there shall be a conflict between the terms of this bond and the provisions of the Mortgage, the provisions of the Mortgage shall control to the extent permitted by law. The holder of this bond, by its acceptance hereof, shall be deemed to have consented and agreed to all of the terms and provisions of the Mortgage and, further, in the event that such holder shall not be the sole beneficial owner of this bond, shall be deemed to have agreed to use all commercially reasonable efforts to cause all direct and indirect beneficial owners of this bond to have knowledge of the terms and provisions of the Mortgage and of this bond and to comply therewith, including particularly, but without limitation, any provisions or restrictions in the Mortgage regarding the transfer or exchange of such beneficial interests and any legend set forth on this bond.

The Mortgage may be modified or altered by affirmative vote of the holders of at least 60% in principal amount of the bonds outstanding under the Mortgage, considered as one class, or, if the rights of one or more, but less than all, series of bonds then outstanding are to be affected, then such modification or alteration may be effected with the affirmative vote only of 60% in principal amount of the bonds outstanding of the series so to be affected, considered as one class, and, furthermore, for limited purposes, the Mortgage may be modified or altered

without any consent or other action of holders of any series of bonds. No modification or alteration shall, however, permit an extension of the Maturity of the principal of, or interest on, this bond or a reduction in such principal or the rate of interest hereon or any other modification in the terms of payment of such principal or interest or the creation of any lien equal or prior to the lien of the Mortgage or deprive the holder of a lien on the mortgaged and pledged property without the consent of the holder hereof. Each initial and subsequent holder of bonds of this series, by virtue of its acquisition of an interest therein, shall be deemed, without further act, to have consented to the prospective amendments to the Original Mortgage set forth or referred to in the Sixty-sixth Supplemental Indenture.

The principal hereof, together with all accrued and unpaid interest hereon (but without premium), may be declared or may become due prior to the Stated Maturity Date on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a Completed Default as in the Mortgage provided.

As provided in the Mortgage and subject to certain limitations therein set forth, this bond or any portion of the principal amount hereof will be deemed to have been paid if there has been irrevocably deposited with the Trustee moneys or direct obligations of or obligations guaranteed by the United States of America, the principal of and interest on which when due, and without regard to any reinvestment thereof, will provide moneys which, together with moneys so deposited, will be sufficient to pay when due the principal of and premium, if any, and interest on this bond when due.

The Mortgage contains terms, provisions and conditions relating to the consolidation or merger of the Company with or into, and the conveyance or other transfer, or lease, of assets to, another corporation and to the assumption by such other corporation, in certain circumstances, of all of the obligations of the Company under the Mortgage and on the bonds secured thereby.

In the manner prescribed in the Mortgage, this bond is transferable by the registered owner hereof in person, or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York, upon surrender and cancellation of this bond, together with a written instrument of transfer whenever required by the Company duly executed by the registered owner or by its duly authorized attorney, and, thereupon, a new fully registered bond of the same series for a like principal amount will be issued to the transferee in exchange herefor as provided in the Mortgage. The Company and the Trustee may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes.

In the manner prescribed in the Mortgage, any bonds of this series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, are exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations.

Any bond of this series authenticated and delivered upon the transfer or exchange of a bond prior to the first Interest Payment Date to which interest on all outstanding bonds of this series has been paid shall have the same Initial Interest Accrual Date as the bond surrendered in such transfer or exchange.

Prior to October 1, 2051 (the “Par Call Date”), the Company may redeem the bonds of this series at its option, in whole or in part, at any time and from time to time, at a redemption price equal to the greater of:

(1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the bonds matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points less (b) interest accrued to the redemption date, and

(2) 100% of the principal amount of the bonds to be redeemed,

plus, in either case, accrued and unpaid interest thereon to the redemption date.

On or after the Par Call Date, the Company may redeem the bonds of this series in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the bonds being redeemed plus accrued and unpaid interest thereon to the redemption date.

“*Treasury Rate*” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities–Treasury constant maturities–Nominal” (or any successor caption or heading). In determining the Treasury Rate, the Company shall select, as applicable:

(1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or

(2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or

(3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life.

For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 is no longer published or, if published, no longer contains the yields for nominal Treasury constant maturities, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company's actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

Except as provided above, (a) the bonds of this series are not redeemable prior to the Stated Maturity Date and (b) no amount other than the principal of and interest on the bonds of this series shall be payable in respect of such bonds at Maturity or otherwise.

No recourse shall be had for the payment of the principal of or premium, if any, or interest on this bond against any incorporator or any past, present or future subscriber to the capital stock, stockholder, officer or director of the Company or of any predecessor or successor corporation, as such, either directly or through the Company or any predecessor or successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, stockholders, officers and directors being released by the holder or owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

This bond shall not become obligatory until Citibank, N.A., the Trustee under the Mortgage, or its successor thereunder, shall have signed the form of certificate endorsed hereon.

Original Mortgage, as heretofore amended**

SECTION 5. The term "Funded Property" shall mean:

- (1) all Mortgaged and Pledged Property described in the most recent Funded Property Certificate delivered to the Trustee;
- (2) all Property Additions to the extent that the same shall have been made the basis of the authentication and delivery of bonds under this Indenture after the date of the most recent Funded Property Certificate delivered to the Trustee;
- (3) all Property Additions to the extent that the same shall have been made the basis of the release of property from the Lien of this Indenture after the date of the most recent Funded Property Certificate delivered to the Trustee, subject, however, to the provisions of Section 59 hereof;
- (4) all Property Additions to the extent that the same shall have been substituted for Funded Property retired, otherwise than under the release or cash withdrawal provisions hereof, after the date of the most recent Funded Property Certificate delivered to the Trustee;
- (5) all Property Additions to the extent that the same shall have been made the basis of the withdrawal of any Funded Cash, as hereinafter defined, after the date of the most recent Funded Property Certificate delivered to the Trustee, subject, however, to the provisions of Section 61 hereof; except, in any case, to the extent that any such property shall no longer be deemed to be Funded Property under other provisions of this Indenture.

The term "Funded Property Certificate" shall mean an Engineer's Certificate delivered to the Trustee that:

- (1) shall
 - (a) state the aggregate principal amount of bonds Outstanding under this Indenture,
 - (b) state the aggregate principal amount of bonds to the authentication and delivery of which the Company shall then be entitled under Section 29 of this Indenture;
 - (c) state the amount equal to one hundred fifty per centum (150%) of the sum of the amounts stated in clauses (1) and (2) above,

of such certificate (such Property being hereinafter called the "Designated Funded Property");

(2) shall make, *mutatis mutandis*, all the other statements required in an Engineer's Certificate under clause (3) of Section 28 of this Indenture with respect to the Designated Funded Property (without regard to amounts otherwise required to be added or deducted under the provisions of Section 4), and shall state that the Designated Funded Property is not subject to any Prior Lien; and

(3) shall be accompanied by

(a) a Treasurer's Certificate, as described in clause (2) in the first paragraph of Section 28 of this Indenture;

(c) an Opinion of Counsel, as described in clause (7) of the first paragraph of Section 28 of this Indenture with respect to the Designated Funded Property.

On and after the date of delivery to the Trustee of a Funded Property Certificate, no part of the Mortgaged and Pledged Property other than the Designated Funded Property shall be deemed to be Funded Property, including, for the avoidance of doubt, any property that had been deemed to be Funded Property prior to such date, until such part of the Mortgaged and Pledged Property shall thereafter become Funded Property by virtue of the operation of any clause in the first paragraph of this Section.

**Prospective Amendment to Original Mortgage
as heretofore amended to Add New Section 59A**

SECTION 59A. Anything in this Indenture to the contrary notwithstanding, unless the Company is in default in the payment of the interest on any bonds then Outstanding hereunder or one or more of the Completed Defaults specified in Section 65 hereof shall have occurred and be continuing, the Company may, at its election (and in lieu of satisfying the requirements of Section 59), obtain the release of any part of the Mortgaged and Pledged Property that does not constitute Funded Property, except cash then held by the Trustee (provided, however, that Prior Lien Bonds deposited with the Trustee shall not be released except as provided in Article IX hereof and obligations secured by purchase money mortgage deposited with the Corporate Trustee shall not be released except as provided in Section 61 hereof), and the Trustee shall release the same from the Lien hereof upon the application of the Company and receipt by the Trustee of

(1) a Treasurer's Certificate stating that the Company is not in default in the payment of the interest on any bonds then Outstanding hereunder and that none of the Completed Defaults specified in Section 65 hereof has occurred and is continuing;

(2) an Engineer's Certificate, made and dated not more than ninety (90) days prior to the date of such application,

(a) describing the property to be released;

(b) stating the Fair Value, in the opinion of the signers, of the property to be released;

(c) stating the Cost of the property to be released;

(d) stating that the property to be released does not constitute Funded Property;

(e) if true, stating that the aggregate amount of the Cost or Fair Value to the Company (whichever is less) of all Property Additions which do not constitute Funded Property (excluding the property to be released), after making deductions therefrom and additions thereto of the character contemplated by Section 4, is not less than zero (0);

(f) if the statement contemplated in subclause (e) above cannot be made, stating the amount by which zero (0) exceeds the amount referred to in subclause (e) above (showing in reasonable detail the calculation thereof);

(g) stating that, in the opinion of the signers, such release will not impair the security under this Indenture in contravention of the provisions hereof; and

(3) if the Engineer's Certificate required by clause (b) above does not contain the statement contemplated in clause (2)(e) above, an amount in cash, to be held by the Trustee as part of the Mortgaged and Pledged Property, equal to the amount, if any, by which sixty-six and two-thirds percentum ($66\frac{2}{3}\%$) of the lower of (a) the Cost or Fair Value (whichever shall be less) of the property to be released and (b) the amount shown in clause (2)(f) above exceeds the aggregate of items of the character described in subclauses (a), (c) and (d) of clause (4) in the first paragraph of Section 59 then to be used as a credit under this Section 59A (subject, however, to the same limitations and conditions with respect to such items as are set forth in Section 59).

**Prospective Amendment of Section 37 of
Original Mortgage, as heretofore amended**

SECTION 37. (a) That it will

(i) keep or cause to be kept all the Mortgaged and Pledged Property insured against loss by fire, to the extent that property of similar character is usually so insured by companies similarly situated and operating like properties, to a reasonable amount, by reputable insurance companies, the proceeds of such insurance (except as to any loss of Excepted Property and except as to any particular loss less than the greater of (A) Twenty Million Dollars (\$20,000,000) and (B) three percentum (3%) of the aggregate principal amount of bonds Outstanding hereunder on the date of such particular loss) to be made payable, subject to applicable law, to the Trustee as the interest of the Trustee may appear or to the trustee or other holder of any Prior Lien or other lien prior hereto, if the terms thereof require such payment, or to the agent or representative of the co-owners of jointly-owned property, if the terms of such joint ownership require such payment, or

(ii) in lieu of or supplementing such insurance in whole or in part, adopt some other method or plan of protection against loss by fire at least equal in protection to the method or plan of protection against loss by fire of companies similarly situated and operating properties subject to similar fire hazards or properties on which an equal primary fire insurance rate has been set by reputable insurance companies; and if the Company shall adopt such other method or plan of protection, it shall, subject to applicable law (and except as to any loss of Excepted Property and except as to any particular loss less than the greater of (X) Twenty Million Dollars (\$20,000,000) and (Y) three percentum (3%) of the aggregate principal amount of bonds Outstanding on the date of such particular loss) pay to the Trustee on account of any loss covered by such method or plan an amount in cash equal to the amount of such loss less any amounts otherwise paid to the Trustee in respect of such loss or paid to the trustee or other holder of a Prior Lien or any other lien prior hereto in respect of such loss if the terms thereof require such payment or paid to the agent or representative of the co-owners of jointly owned property in respect of such loss if the terms of such joint ownership require such payment. Any cash so required to be paid by the Company pursuant to any such method or plan shall for purposes of this Indenture be deemed to be proceeds of insurance.

Whenever requested by the Trustee (but not more frequently than annually), the Company shall deliver to the Trustee a Treasurer's Certificate (a) listing the insurance policies then in effect covering the Mortgaged and Pledged Property, or any part thereof, including (or referring to a previous such Treasurer's Certificate that includes) the names of the insurance companies and the amounts and expiration dates of the policies and/or (b) describing each such other method or plan of protection and (c) stating that, in the judgement of the signers, such insurance policies and/or such other methods or plans of protection, collectively, provide adequate protection to the Company against loss by fire.

Anything herein to the contrary notwithstanding, the Company may have fire insurance policies with (i) a deductible provision in a dollar amount per occurrence not exceeding the greater of (A) Twenty Million Dollars (\$20,000,000) and (B) three percentum (3%) of the aggregate

principal amount of the bonds Outstanding hereunder on the date such policy goes into effect and/or (ii) co-insurance or self insurance provisions with a dollar amount per occurrence not exceeding thirty percentum (30%) of the loss proceeds otherwise payable; provided, however, that the dollar amount per occurrence described in clause (i) above may be exceeded to the extent such dollar amount is below the deductible amount in effect as to fire insurance (X) on property of similar character insured by companies similarly situated and operating like property or (Y) on property as to which an equal primary fire insurance rate has been set by reputable insurance companies.

(b) All moneys paid to the Trustee by the Company in accordance with this Section or received by the Trustee as proceeds of any insurance, in either case on account of a loss on or with respect to Funded Property, shall, subject to the requirements of any Prior Lien or other lien prior hereto, be held by the Trustee and, subject as aforesaid, shall be paid by it to the Company to reimburse the Company for an equal amount expended or committed for expenditure in the rebuilding, renewal and/or replacement of or substitution for the property destroyed or damaged, upon written request and receipt by the Trustee of:

(i) An Engineer's Certificate:

(A) describing the property so damaged or destroyed;

(B) stating the Cost of such property (or, if the Fair Value to the Company of such property at the time the same became Funded Property was certified to be an amount less than the Cost thereof, then such Fair Value, as so certified, in lieu of Cost) or, if such damage or destruction shall have affected only a portion of such property, stating the allocable portion of such Cost or Fair Value to the Company;

(C) stating the amounts so expended or committed for expenditure in the rebuilding, renewal, replacement of and/or substitution for such property; and

(D) stating the Fair Value to the Company of such property as rebuilt or renewed or as to be rebuilt or renewed and/or of the replacement or substituted property, and if

(I) within six months prior to the date of acquisition thereof by the Company, such property has been used or operated, by a person or persons other than the Company, in a business similar to that in which it has been or is to be used or operated by the Company, and

(II) the Fair Value to the Company of such property as set forth in such Expert's Certificate is not less than Twenty-five Thousand Dollars (\$25,000) and not less than one percentum (1%) of the aggregate principal amount of the Securities at the time Outstanding,

the Engineer making the statement required by this clause (D) shall be an Independent Engineer; and

(ii) an Opinion of Counsel stating that, in the opinion of the signer, the property so rebuilt or renewed or to be rebuilt or renewed, and/or the replacement property, is or will be subject to the lien hereof to the same extent as was the property so destroyed or damaged.

Any such moneys not so applied within thirty-six (36) months after its receipt by the Trustee, or in respect of which notice in writing of intention to apply the same to the work of rebuilding, renewal, replacement or substitution then in progress and uncompleted shall not have been given to the Trustee by the Company within such thirty-six (36) months, or which the Company shall at any time notify the Trustee is not to be so applied, shall thereafter be withdrawn, used or applied in the manner, to the extent and for the purposes, and subject to the conditions, provided in Section 61; provided, however, that if the amount of such moneys shall exceed sixty-six and two-thirds percentum (66-2/3%) of the amount stated pursuant to clause (B) in the Engineer's Certificate referred to above, the amount of such excess shall not be deemed to be Funded Cash, shall not be subject to Section 61 and shall be remitted to or upon the written request of the Company upon the withdrawal, use or application of the balance of such moneys pursuant to Section 61.

Anything in this Indenture to the contrary notwithstanding, if property on or with respect to which a loss occurs constitutes Funded Property in part only, the Company may, at its election, obtain the reimbursement of insurance proceeds attributable to the part of such property which constitutes Funded Property under this subsection (b) and obtain the reimbursement of insurance proceeds attributable to the part of such property which does not constitute Funded Property under subsection (c) of this Section 37.

(c) All moneys paid to the Trustee by the Company in accordance with this Section or received by the Trustee as proceeds of any insurance, in either case on account of a loss on or with respect to property which does not constitute Funded Property, shall, subject to the requirements of any Prior Lien or other lien prior hereto or to the requirements of any joint ownership agreement, be held by the Trustee and, subject as aforesaid, shall be paid by it to the Company upon written request and receipt by the Trustee of:

(i) an Engineer's Certificate stating:

(A) that such moneys were paid to or received by the Trustee on account of a loss on or with respect to property which does not constitute Funded Property; and

(B) if true, that the aggregate amount of the Cost or Fair Value to the Company (whichever is less) of all Property Additions which do not constitute Funded Property (excluding, to the extent of such loss, the property on or with respect to which such loss was incurred), after making deductions therefrom and additions thereto of the character contemplated by Section 4, is not less than zero (0); or

(C) if the statement contemplated in subclause (B) above cannot be made, the amount by which zero (0) exceeds the amount referred to in subclause (B) above (showing in reasonable detail the calculation thereof); and

(ii) if the Engineer's Certificate required by clause (ii) above does not contain the statement contemplated in clause (i)(B) above, an amount in cash, to be held by the Trustee as part of the Mortgaged Property, equal to sixty-six and two-thirds percentum ($66\frac{2}{3}\%$) of the amount shown in clause (i)(C) above.

To the extent that the Company shall be entitled to withdraw proceeds of insurance pursuant to this subsection (c), such proceeds shall be deemed not to constitute Funded Cash.

(d) Whenever under the provisions of this Section the Company is required to deliver moneys to the Trustee and at the same time shall have satisfied the conditions set forth herein for payment of moneys by the Trustee to the Company, there shall be paid to or retained by the Trustee or paid to the Company, as the case may be, only the net amount.
