4. **Washington Real Property Law Provisions:** Notwithstanding the licenses to collect rents and otherwise granted to it hereunder, the Trustor agrees that it shall not have the right or power, as against the Beneficiary, without its consent, to cancel, abridge or otherwise modify, or to accept prepayments of installments of rent to become due under, any of the Assigned Leases other than the acceptance of one month's rent in advance. The agreement contained in the preceding sentence is made with reference to and shall be enforceable in accordance with the provisions of the Real Property Law of the State of Washington. The Trustor shall, upon request, enter into an agreement with the Beneficiary pursuant to Washington Real Property Law with respect to any Assigned Leases hereafter entered into, and the Trustor hereby irrevocably appoints the Beneficiary its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest), with full power of substitution, to execute, deliver and record on its behalf any such agreement which the Trustor has failed or refused to execute and deliver within ten (10) days after notice and request therefor is given by the Beneficiary. This Agreement is and shall be construed as an instrument relating to the Deed of Trust.

5. **Default by Trustor Under Any Assigned Lease:** In the event of any default by the Trustor in the performance or observance of any of its covenants or obligations under any Assigned Lease, the Beneficiary shall have the right, but not the obligation, to enter the Property or any part thereof at any time and from time to time for the purpose of curing such default, in which event, the cost thereof, together with interest thereon at a rate then in effect on the Debt, but in no event in excess of the maximum rate permitted by law, shall be paid by the Trustor to the Beneficiary on demand. Until so paid, such costs, together with interest thereon, shall be secured by the Deed of Trust, and, if not paid, may be added to the judgment in any action, suit or proceeding brought by the Beneficiary against the Trustor thereon.

7. **Maintenance of Property/Insurance:** The Trustor will maintain the Property in reasonably good and tenantable condition and, in default of so doing within a reasonable period not exceeding thirty (30) days after demand, the Beneficiary may put the Property in such condition and all sums paid by the Beneficiary for such purpose shall, together with interest thereon at the rate then borne by the Debt but never exceeding the maximum rate allowed by law, constitute an advance of monies hereunder and be secured hereby. Trustor will at all times carry hazard and liability insurance covering the Property satisfactory to the Beneficiary, with such policies endorsed to the Beneficiary as its interests may appear, and will promptly upon request deliver such policies to the Beneficiary together with evidence of payment of all premiums thereon.

8. **Trustor's License to Collect Rents:** So long as no event of default has occurred with respect to the Debt or under the Deed of Trust, the Trustor shall have a revocable license to manage and operate the Property, to collect, receive and apply for its own account all rents, issues, profits and insurance proceeds accruing by virtue of the Assigned Leases or from or out of the Property, or any part thereof and to execute and deliver proper receipts and acquittances therefor. This license shall be deemed to be automatically revoked, without the necessity of notice or other action by the Beneficiary, both of which are expressly waived upon the occurrence of any event of default with respect to the Debt or under the Deed of Trust. In such event, the right of the Beneficiary (which runs with the absolute assignment contained in this Agreement) to enter upon and take possession of the Property without further notice, by force, ejectment, the appointment of a receiver of the rents and profits of the Property or otherwise as the Beneficiary may elect is hereby expressly and irrevocably reconfirmed, and no further authorization shall be required. It is further reconfirmed that the Beneficiary shall have the right, but not the obligation, to:

- (a) manage and operate the Property or any part thereof;
- (b) lease the Property or any part thereof for such periods of time and upon such terms and conditions as it may, in the exercise of its discretion, deem proper;
- (c) amend, modify, extend or renew any Assigned Lease or any other lease then or thereafter entered into affecting the Property, or any part thereof;
- (d) demand, collect, sue for, attach, levy, recover, receive, compromise and adjust, and make, execute and deliver receipts and releases for, (i) all rents, issues and profits which may then be or thereafter become due, owing or payable under any Assigned Lease and any other lease then or thereafter entered into affecting the Property or any part thereof or from or out of the Property or any part thereof and (ii) all insurance proceeds paid or thereafter to be paid by reason of any use or occupancy loss, business interruption or interruption of rental payments under or related to the Assigned Leases or any lease thereafter entered into affecting the Property, or any part thereof;

(f) enforce or enjoin or restrain the violation of any of the terms, provisions or conditions of any Assigned Lease or any other lease then or thereafter entered into affecting the Property or any part thereof;

(g) make such repairs and alterations to the Property as it may, in the exercise of its reasonable discretion, deem proper;

(h) pay, from and out of the rents, issues, profits or insurance proceeds collected by the Beneficiary hereunder, or from or out of any other funds, (i) taxes, assessments, water charges, sewer rents or other governmental charges levied, assessed or imposed against the Property or any part thereof, (ii) premiums for fire, public liability and other insurance coverage affecting the Property or any part thereof and (iii) any and all other charges, costs and expenses which it may be necessary or advisable to pay in the management, operation and maintenance of the Property or any part thereof, including, but not limited to, costs of making repairs and alterations, commissions for renting the Property or any part thereof, and reasonable legal expenses incurred in enforcing claims, preparing papers or any other services that may be required; and

(i) generally do, execute and perform any other act, deed, matter or thing whatsoever that ought to be done, executed and performed in and about or with respect to the Property or any part thereof, all as fully and to the same extent as the Trustor might do.

In the event that the Beneficiary, in any action, suit or proceeding brought to foreclose the Deed of Trust on the Property or otherwise, elects to have a receiver of the rents and profits of the Property appointed, such receiver shall have and may enforce all of the rights and remedies of such party under this Section to the maximum extent permitted by law. The Beneficiary or such receiver shall apply the net amount of rents, issues, profits and insurance proceeds collected by it hereunder, after payment or reimbursement of all proper costs, charges and expenses (including any liability, loss, damage or expense covered by the indemnification provisions of paragraph 11 hereof), to the reduction and payment of the Debt, any indebtedness secured by the Deed of Trust on the Property or otherwise as a court of competent jurisdiction may direct. The Beneficiary shall be accountable to the Trustor only for the rents, issues, profits, insurance proceeds and other funds actually collected by it hereunder. Without regard to waste, adequacy of the security or solvency of Trustor, Beneficiary may apply for the appointment of a receiver regarding the Property to collect the Rents and any and all other sums due under the Leases, whether or not foreclosure proceedings are pending under the Deed of Trust, and if such proceedings were commenced, whether or not a foreclosure sale has occurred; and Trustor consents to such application and appointment and to the fullest extent permitted by law hereby waives any requirement that Beneficiary commence a foreclosure proceeding with respect to any or all of the Property prior to the commencement of an action to have a receiver appointed.

9. **Direction to Pay Rent Upon Revocation of License:** The Trustor hereby irrevocably directs each Tenant under the Assigned Leases, upon demand and notice from the Beneficiary of the revocation of the licenses to Trustor contained herein, to pay to the Beneficiary or to a receiver of the rents and profits of the Property appointed in any action, suit or proceeding brought to foreclose the Deed of Trust covering the Property or otherwise, all rents accruing or due under the Assigned Leases from and after the receipt of such demand and notice. The Trustor agrees that any Tenant making such payment to the Beneficiary or such receiver shall be under no obligation to inquire or determine the actual existence of any default claimed by the Beneficiary to have caused a revocation of the license to collect rents contained herein.

10. **No Obligation to Perform Trustor's Obligations:** Nothing contained herein shall operate or be construed to obligate the Beneficiary to perform or observe any of the covenants or obligations of the Trustor contained in any Assigned Lease, or otherwise to impose any obligation upon the Beneficiary with respect to any Assigned Lease, including, but not limited to, any obligation arising out of any covenant of quiet enjoyment therein contained in the event that the estate of any Tenant or occupant of the Property or any part thereof is terminated in any action, suit or proceeding except that, by its acceptance of this Assignment, the Beneficiary agrees not to name or join as a party defendant in such action, suit or proceeding any Tenant under any Assigned Lease to whom the Beneficiary has previously granted non-disturbance rights, and such Tenant's possession or right to possession shall not be otherwise disturbed or affected by reason of any such action, suit or proceeding; provided that any Tenant is not then in default under any of the terms or provisions of its Assigned Lease beyond any applicable grace period contained therein. This Assignment shall not operate to place upon the Beneficiary any responsibility for the management, operation or maintenance of the Property or any part thereof, and the execution of this Assignment by the Trustor shall constitute conclusive evidence that all responsibility for the management, operation and maintenance of the Property is, shall be and shall remain solely that of the Trustor.

11. **Indemnification:** Trustor hereby agrees to indemnify and hold the Beneficiary harmless from and against any and all liability, loss, damage and expense, including reasonable attorneys' fees, which the Beneficiary may or shall incur under any Assigned Lease or by reason of this Assignment, or by reason of any action taken by the Beneficiary hereunder, and from and against any and all claims and demands whatsoever which may be asserted against the Beneficiary by reason of any alleged undertaking on its part to perform or observe any of the covenants or obligations contained in any Assigned Lease, unless such liability, loss, damage or expense is due to the gross negligence of the Beneficiary. Should the Beneficiary incur any such liability, loss, damage or expense, the amount thereof, together with interest thereon at the rate then in effect on the Debt, but in no event in excess of the maximum rate permitted by law, shall be paid by Trustor to the Beneficiary on demand and shall be secured by the Deed of Trust on the Property, or, at its option, the Beneficiary may reimburse itself therefor out of any rents, issues, profits, insurance proceeds or other funds collected by it hereunder.

12. **Exercise of Rights and Remedies:** No delay by the Beneficiary in exercising any of its respective rights or remedies hereunder for any period of time, or at any time or times, shall be deemed to constitute a waiver or to preclude the exercise of any of such rights or remedies. The rights and remedies of the Beneficiary hereunder are cumulative and are not in lieu of but are in addition to any other rights and remedies which the Beneficiary shall have under or by virtue of any instrument evidencing the Debt or any Loan Documents or otherwise provided by law and may be exercised from time to time and as often as such exercise is deemed expedient.

13. **Assignment:** The Beneficiary shall have the right to assign to any subsequent holder of the Deed of Trust, or to any person who may hereafter acquire its interest in the Property or the Debt, the right, title and interest of the Trustor in and to any and all Assigned Leases, subject, however, to the provisions of this Assignment. If the Trustor shall hereafter become barred and foreclosed of all right, title and interest and equity of redemption with respect to the Property, no assignee of the interest of the Trustor in any Assigned Lease shall be liable to account to the Trustor for any rents, issues, profits or insurance proceeds thereafter paid or accruing.

14. **Reassignment:** The Beneficiary agrees that at such time as the Debt have been paid in full and the Trustor has performed and observed all of its covenants and obligations under any and all documents, instruments, or agreements between Trustor and the Beneficiary, this Assignment will automatically terminate. If requested by the Assignor, and at the Assignor's sole cost and expense, the Beneficiary will reassign the interests assigned hereunder to the Trustor. Nothing contained in this Section shall be construed to mean that the Beneficiary has received by this Assignment less than an immediate, absolute and full assignment of the leases, rents and other interests assigned hereby. As to any Tenant or occupant under any Assigned Lease, any affidavit, certificate or other written statement of any officer of the Beneficiary stating that any part of the Debt remains unpaid shall be and constitute conclusive evidence of the then validity, effectiveness and continuing force of this Assignment, and any Tenant or occupant, firm or corporation receiving any such affidavit, certificate or statement may, and is hereby authorized to, rely thereon.

15. **Further Assurances:** The Trustor agrees to execute and deliver to the Beneficiary, at any time or times during which this Assignment is in effect, such further instruments as the Beneficiary may deem necessary to make effective this Assignment and the various covenants, obligations and agreements of the Trustor contained herein.

16. **Notices:** All notices to be given hereunder shall be in writing, shall be sent by registered or certified mail, or by courier, return receipt requested, postage or charges prepaid, addressed as first shown above in this Assignment, or to such other address as any party shall have furnished to the other parties in writing. Any such notice shall be deemed to have been given upon receipt of the party being notified or upon such party's refusal to accept delivery of such notice.

17. **Modification:** No modification, amendment, cancellation, release or discharge hereof, or of any part hereof, shall be valid unless the Beneficiary shall have consented thereto in writing.

Loan No:

(continued)

18. **Successors and Assigns:** The terms, covenants and conditions contained herein shall be binding upon the Trustor, its heirs, representatives, successors and assigns and all subsequent owners, encumbrancers, Tenants and occupants of the Property and shall inure to the benefit of the Beneficiary and its successors and assigns and all subsequent holders of the Deed of Trust.

19. **Washington State Specific Provisions.**

(a) The Property is not used principally for agricultural purposes.

(b) **NOTICE: ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY EXTEND CREDIT OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.**

(c) With respect to any contractual matters that Trustor establishes in any action within the scope of RCW Section 4.24.115, Trustor expressly (1) waives Trustor's immunity under RCW tit. 51 and acknowledges that such waiver was mutually negotiated by the parties; and (2) agrees to indemnify Lender. The scope of this indemnity shall be limited with regard to damages for bodily injury to persons or damage to property resulting from the concurrent negligence of Trustor or Trustor's agents or employees and of Lender or Lender's agents or employees, as to which Trustor agrees to indemnify Lender to the extent of the negligence of Trustor or Trustor's agents or employees. Nothing herein shall be deemed to require Trustor to indemnify Lender against the sole or concurrent negligence of Lender or Lender's agents or employees if such indemnity would be prohibited under RCW Section 4.24.115. The parties intend that under indemnity provisions herein, unless otherwise expressly limited herein, Trustor shall indemnify Lender to the fullest extent not prohibited by law, including, without limitation, in the event of the sole or concurrent negligence of Lender or of any other person or entity.
