Re: City of Stevenson, Washington – Project No. 07-79-07550

Dear Mr. Aguilar:

I am the City Attorney for the City of Stevenson. I have reviewed the “Security Agreement – Machinery and Equipment” between the City of Stevenson and the U.S. Department of Commerce, Economic Development Administration dated August 7, 2025, bearing EDA Project Number 07-79-07550 and the required UCC Financing Statement.

I am of the opinion the Economic Development administration has a perfected security interest and first priority line in the machinery and equipment as listed as Collateral in the duty executed “Security Agreement – Machinery and Equipment,” including Exhibit A. The UCC Financing Statement required by the agreement has been properly filed under state law and creates a first lien in the Collateral described in Exhibit A to the Agreement. The Security Agreement and UCC Financing Statement are enforceable according to their terms under Washington state law.

Please advise if I can be of further assistance with this matter.

Very truly yours,

/s/ Robert C. Muth
