4. POSSESSION AND PLACE OF PAYMENTS: Purchasers shall be entitled to physical possession of the premises described above upon closing of this transaction. All payments to be made hereunder shall be made at 502 Umatilla Way, Vancouver, Washington, or at such other place as the Sellers may direct in writing.

5. TAXES, UTILITY AND OTHER ASSESSMENTS: Purchasers agree to pay before delinquency all taxes, easements, water, utility and L.I.D. charges or assessments, maintenance, operation and construction charges not now due or delinquent and all that may hereafter become due and payable or which may be levied or assessed against the premises. 9. TITLE INSURANCE AND DEED: Upon completion of the payments to be made by Purchasers as provided in this contract, Sellers shall deliver to the Purchasers a Warranty Deed, conveying said premises to the Purchasers, and warranting the condition of the title of the Sellers so as to vest good and marketable title in the Purchasers. 10. INSPECTION: The Purchasers agree that full inspection of the premises described herein have been made and the boundaries are satisfactory, and that neither the Sellers, their assigns nor agents, shall be held to any covenant respecting the condition of any improvements on said premises or to any agreement for alterations, improvements or repairs, unless the agreement relied on be in writing and attached to and made a part of this contract. 13. FORFEITURE: Time is of the essence in this contract. In case the Purchasers shall fail to make any payment of the said purchase price promptly at the time the same shall fall due as hereinbefore specified, or promptly to perform any covenant or agreement aforesaid,

the Sellers may elect to declare forfeiture and cancellation of the contract and upon such election being made all rights of the Purchasers hereunder shall cease and terminate and any payments theretofore made hereunder by the Purchasers shall be retained by the Sellers in liquidation of all damages sustained by reason of such failure, and the Sellers shall have the right to re-enter and take possession of the property. Service of all demands, notices or other papers with respect to such declaration of forfeiture and cancellation may be made by certified mail addressed to the mailing address of the above described property or at such other address as the Purchasers shall indicate in writing to the Sellers.

14. ALTERNATIVE: Or the Sellers may elect to bring an action, or actions, on any intermediate overdue installments or on any payment or payments, made by the Sellers and repayable by the Purchasers, it being stipulated that the covenant to pay intermediate installments or to pay items repayable by the Purchasers are independent of the covenant to make a deed and that every such action is an action arising on contract for the recovery of money only, as if the promise to pay had been expressed in a different instrument, and no such action shall constitute an election not to proceed otherwise as to any subsequent default. No waiver by the Sellers of any default on the part of the Purchasers shall be construed as a waiver of any subsequent default.

15. LITIGATION: In the event of litigation arising out of this contract or action to enforce any covenants of this contract or to collect any installment payment or charge arising therefrom, the Purchasers agree to pay a reasonable sum as attorney's fees to the Sellers and to pay all costs and expenses in connection with such suit; in addition Purchasers agree to pay reasonable costs for searching records. All such sums provided for in this paragraph shall be included in any judgment or decree entered in such suit.

Such reservations, conditions, agreements, covenants and restrictions shall be binding and effective for a period of 40 years from the date hereof, at the end of which time they shall be automatically extended for successive periods of ten years, unless an instrument signed by a majority of the then owners of the land within such designated areas has been recorded, agreeing to change said covenants and restrictions in whole or in part: EXCEPT, however, in the event that it appears to the advantage of these parcels that these restrictions should be modified, then and in that event, any modification desired may be made by affirmative vote of 80% of the then owners of land within this designated area and evidenced by suitable instrument filed for public record; or if such event occurs during the development period such modification or waiver of non-conformity may be evidenced by special permission granted in writing by the primary developers, or their successors as developers without such vote of other owners, provided, however, that such modification or waiver shall not affect the provisions of Paragraph No. 1 of the following:

1. LAND USE AND BUILDING TYPE: No subdivided parcel shall be used except for residential purposes. No buildings shall be erected, altered, placed or permitted to remain on any parcel other than one detached single family dwelling and private garage for not more than three cars. However, the foregoing provisions shall not be interpreted to exclude construction of a private greenhouse, barn, stable, private swimming pool, or a shelter or port for the protection of such swimming pool, or for the storage of boat and/or camping trailer kept for personal use, provided the location of such structures are in conformity with the applicable municipal regulations, and are compatible in design and decoration with the residence constructed on such parcel.

2. DWELLING SIZE AND TYPE OF STRUCTURE: This sub-division is restricted to single family residences to be constructed in accordance with Uniform Building Code requirements and shall not be less than 800 square feet for a single story dwelling, exclusive of garages, basement and other non-living areas. Mobile homes are permitted, provided, they are placed on a secure foundation, completely skirted, and are not less than 600 square feet in size.

No structure shall be constructed within 25 feet of the established lot lines of the plat.

4. COMPLETION: Construction of any dwellings shall be completed including exterior decoration, within one year from date of the start of such construction. All lots shall, prior to the construction of improvements thereon, be kept in a neat and orderly condition and free of brush, vines, weeds and the grass thereon cut or mowed at sufficient intervals to prevent creation of a nuisance of fire hazard.

5. NUISANCES: No noxious or offensive activity shall be carried on upon any land parcel, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. No commercial business, dairying, farming or breeding operations shall be conducted on any land parcel.

6. FENCING: Fencing is allowed along lot lines and within each lot as required, subject to the following restrictions: No fence shall be erected or maintained in such a manner as to interfere with the view of any of the other parcels of the sub-division and shall be constructed of wire or post and rail type wood fencing. Solid screen fencing shall not be used except within the interior of a lot for esthetic or screening purposes, however, not to exceed 6 feet in height and shall not run more than 40 feet in any linear direction which shall include spacing.

7. TEMPORARY STRUCTURES: No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any land parcel at any time as a residence either temporarily or permanently.

SIGNS: No sign of any kind shall be erected, maintained or displayed to the public view on any residential parcel, except one professional sign not larger than one square foot, one sign not larger than 18 by 24 inches, advertising the property for sale or rent, or signs used by the developers or a builder to advertise the property during the initial sales and construction period. This restriction, however, shall not be construed to prohibit ornamental plaques designating the name of the resident or the owners thereof.

9. GARBAGE AND REFUSE DISPOSAL: No land parcel shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers, pending collection and removal. 11. OIL AND MINING OPERATIONS: No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind, will be permitted upon or in any land parcel, nor shall oil wells,

tanks, tunnels, mineral excavations or shafts be permitted upon or in any parcel. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any parcel.

12. LIVESTOCK AND POULTRY: Livestock and poultry are allowed provided that they are not kept, bred, or maintained for any commercial purpose, and provided that they are not permitted to cause damage, constitute a nuisance or run at large in the neighborhood.

13. ENFORCEMENT: The failure on the part of any of said parties affected by these restrictions, at any time to enforce any of the provisions hereof shall in no event be deemed a waiver thereof, or any thereof, or of any existing violations thereof; nor shall the invalidation of any of said reservations, conditions, agreements, covenants and restrictions by judgment or court order affect any of the other provisions hereof, which shall remain in full force and effect.

Should any suit or action be instituted by any of said parties to enforce any of said reservations, conditions, agreements, covenants and restrictions, or to restrain the violation of any thereof, after demand for compliance therewith or for the cessation of such violation, and failure to comply with such demand, then and in either of said events and whether such suit or action be reduced to decree or not, the party instituting such suit or action shall be entitled to recover from the defendants therein, such sum as the court may adjudge reasonable attorney fees in such suit or actions, in addition to statutory costs and disbursements.
